Kind Madam

I write this to You
because I thought it would
be a bother to You
to have an interview I
wanted to ask You in
connexion with the letter
You sent to Gen. Howard
in my behalf I
understand that there
are to be a number of
appointments in the
Pension & War Dept
owing to the Passage of the
Pension Bill and more
Clerks will necessitate
more messengers & laborers
I would be thankful

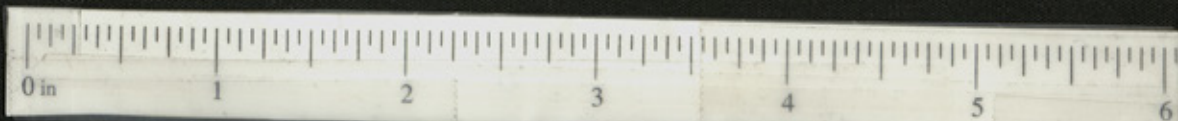

for a place of the
lowest grade so I
could support my poor
mother winter is fast
approaching and rent
to pay & food & clothes
to buy & coal my mother
if you would like to
see her I will bring
you. Her to see you
I know you would
be pleased to see her
please excuse the liberty
I take in addressing
you but your kindness
in giving me $\frac{1}{2}$ ton of
& putting \$2⁰⁰ to the 5⁰⁰
the Gen. sent me and
having been acquainted
with me I can never
forget as long as the

Lord gives me breath
I can never forget your
kind words to me in
reference to the Lord
taking care of me as
long as I strive to look
after my mother and I
would like so for you
to see her hoping
that you are well
And that you
will use your influence
with the Gen in my
behalf & do what you
can for

I am your
Humble servant

My Dear General:

My son - Sheldon G. Evans -
whom you knew as a youth at Vancouver
has recently been graduated from the
College of Physicians & Surgeons of Md.
He contemplates presenting himself
for examination before the Naval Medical
Examining Board now in session at
Brooklyn.

He has secured letters
of recommendation from his preceptor
and from the Dean of the College from
which he was graduated but is
anxious to secure one from some
person who occupies a prominent
public position and is known to
officers of both the Services.

I should be pleased to
have one from you for him if you
feel justified in giving it.

We hope that you may

find it agreeable to favor me in
this matter and with very
kindest greetings to you and
your family.

My Dear General:

It will be quite convenient for us to come for you on the yacht tomorrow afternoon, say at 3 o'clock. It was our intention to take yourself, Mrs. Howard & Bessie to our home in Staten Island to spend the night, but we have begun our preparations to return to Washington the last of this week, and I fear

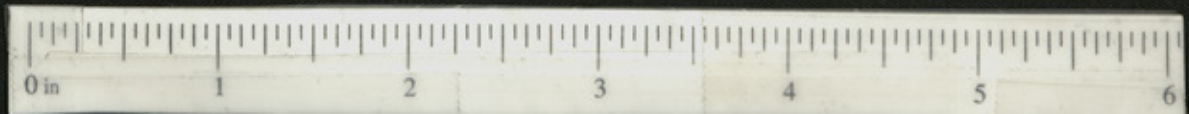

we could not make you as comfortable as you would like. I would therefore suggest that we postpone this pleasure until next season, and that tomorrow we take a trip up the North River or out the Sound, and I am sure it will add increased enjoyment if Guy & James with their families will join the party. - If the weather is pleasant we can remain out until 9 p.m. - & so take dinner on board. -
My best regards to

Mrs. Howard & all the Barber A.L.

P.O. Howard, Major Genl. U.S.A.

Bien cher Monsieur le Général,

J'ai pu obtenir la réduction du prix des places, depuis New York à Chicago, à temps pour que je puisse aller passer le dimanche 28 ~~pro~~ dans un chantier de bûcherons dans le Nord de l'Etat.

Votre bonne lettre m'est parvenue ici. Elle a dû arriver à Springfield le jour que vous avez quitté cette ville là.

L'endroit où nous irons nous mettre à l'oeuvre n'est pas encore bien déterminé. Si c'est

celui où j'ai présidé
les services, il est bien
monotone et bien sau-
rage. Mais l'auditoire
que j'avais était intelligent
et très attentif. On a
beaucoup exprimé le désir de
me voir me fixer dans les
environs, mais je devrai peut-
être aller ailleurs. Jusqu'ici
je regrette de n'avoir pu
me rendre en France.

Malgré ce certain regret,
il se peut que j'obtienne au-
tant de succès ici que j'eusse
peut-être pu en avoir en
France.

Lorsque nous serons fixés
pour l'hiver je veux vous
donner des détails sur mon
nouveau champ de travail.

En attendant veuillez
accepter, bien cher Monsieur
le général, les plus sin-
cères remerciements de
Votre respectueux et bien
dévoué Serviteur

P. H. Briot
