Gen. O. O. Howard

Dear Sir: The N.Y. Pension Agent informs me that you once gave in an address an epitome of U.S. Pension legislation. If you have it in a printed form and duplicate, I should be greatly obliged for it to use in preparing an article assigned to me for Alden's Manifold Cyclopaedia; and will give credit for it.

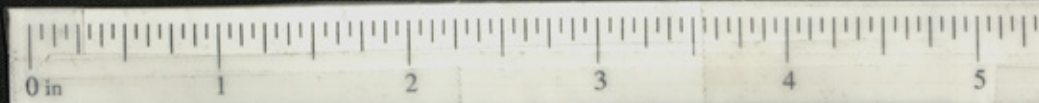

Yours respectfully
H. W. Parker

I will return it, if desired.

Maj. Genl. O. O. Howard,

My dear General:

I beg to acknowledge the receipt of your letter of the 21st instant with inclosure from one Thomas H. Ingram, the son of one of your domestics.

Your letter to me is upon the supposition that Ingram has been employed as a laborer or in some such minor capacity in the Treasury Department, and was written from motives of sympathy to aid him in retaining his position. Inquiry at the Appointment Division of the Department fails to disclose that any man by this name has been employed here for some time past.

I notice, in the letter you inclose, a

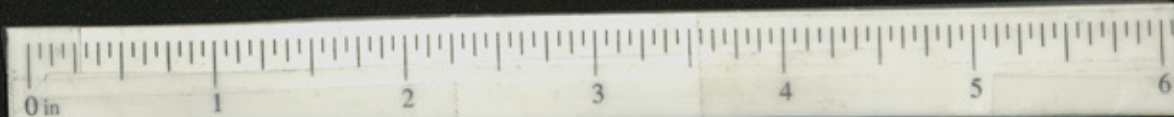

request to write to the Secretary of War.

I think that, possibly, your letter may have been inadvertently addressed to me.

If this is so, and you desire it, upon the return of the inclosed letter, I will send it with your first letter to the Secretary of War and tell him that I judge you have inadvertently addressed me, intending to address him.

Very truly yours,

Wm. D. M.

We are very sorry to learn of the sickness in your family, and will try to make a change in our dates to accommodate you, although the date is advertised and our patrons hold tickets for a radius of 30 miles. But we are so grateful to have you at all that we will make any change that we may be able to. The only thing I can think of now is, Jan 29th. Would that suit you if we can make the change. Please advise us at once and we will settle the matter.

My dear General:

I have yours of November 21st enclosing Mr. Corwin's letter and other papers in regard to the prisoners now in confinement in the jail at Paris.

I received recently a letter from the Attorney-General in respect of the application for the removal of these prisoners from Paris to Wichita, in which he said that in his judgment he had no legal power to order such removal except upon a petition by the prisoners formally made and presented. A brother of one of the prisoners who is a well-known lawyer in Ohio, Mr. Joseph Frease, is now in Washington looking after the printing of the record in this case. I gave to him the papers relating to the removal of the prisoners so that he could have the necessary formal application for their transfer made and presented if thought desirable. I have taken the liberty to send to Mr. Frease the papers accompanying your letter of the 21st instant.

Sir:-

Your encouraging letter reached me today. Your kindly, helpful, advice is appreciated, truly, and you have my heartfelt thanks. You suggest that I apply for a Chaplaincy in our Army. It seems almost too much for me to hope that I could succeed if I should make the application. However I shall consider the matter and pray over it. If it seems to be the right thing to do, I will go forward. I fully realize the responsibilities of a Chaplaincy, but, with the blessings of God, I believe I could meet them and do some good. I shall write my friends, seeking advice and help. And if I do make the application, I shall hope to have your valuable

assistance. And should I ever take on
new and greater responsibilities, through
your assistance, God helping me I will
ever try to prove myself worthy of your
confidence. I shall be glad to receive
any suggestion that you might be pleased
to offer.

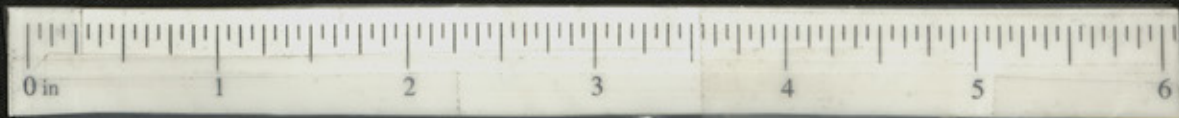

I was praying over this matter —
the wish and desire to preach to the
soldiers — at 2 o'clock in the morning
the suggestion came to my mind (was
it the voice of God?) to write you. At once
I wrote you — rising from ^{my} couch to do
it. I hope God is in this move.

I am forty years old, married
with wife and five children.

With great respect

I am truly Yours

Dear Comrad

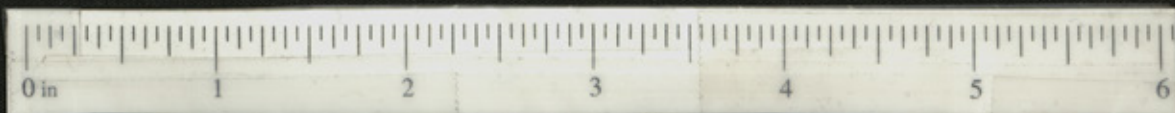

Yours received and
convinced. We will
act at once upon your suggestion.

However the matter has
been referred to U.S. Special
Agt - and he has recommended
our removal. Sustaining Gen
Howard in his report as to
the jail. We have volume of
evidence to show the iniquity
of our trial here. But I am
satisfied the report of "Special"
will be sufficient for evidence
I am also satisfied that we will be
removed to Wichita Respectfully

I shall be glad to know that the copy reaches you.
