Major Gen O. O. Howard
U.S.A.

Dear Sir,

I have the honor to inform you that I am directed to extend to you a cordial invitation to act as orator of the day, on next Memorial Day, for Richard Borden Post No 46, Dept. of Mass. located at this place.

Our Post numbers over 450 members and will give you a greeting worthy of your distinguished rank and record. You

will find among us
old comrades who fought
under you from the 3^d
main to the final com-
mand at the close
of the war. I have the
honor to have been a
main soldier and
have followed your
career with the great-
est interest and pride.

Your name is a
household word in
my home, as my son
bears the name of
Olliver Howard.

We should all be glad
to greet you with a soldier's
welcome in our thriving
city of 75,000 people.

I hope you will take
this under favorable con-
sideration if you have

not already engaged
to go elsewhere on that
day.

Very Respectfully
W. M. Jackson

Mr Dingle has asked to
present the bill in the House
and has not my card I then
asked it - and I think a very
strong letter to him -

To Speaker Reed you say
"Maybe you can aid a worthy
applicant"

If you could say "Bill you"
and ask it as a right - it
is no good

You may say Gen
Bygan should not be chosen

But Col Lu's bill will
be read as an Officer of the
Army I am not willing
to have ignored -

My dear Gen - Your kind
letter just received. And the
many enclosed for which
thanks. But I must say in
reading them over I am made
to feel that Col Lu has a
miserable cripple and I a
beggar. If you could send
the letters to Gen C. Coftin
you may to Senator James

feel your interests must here
not strive to say the least.
I'm not one of your letters

have you referred to Col's losses
Neither to his sword wounds at
Hardsburg & breast sent to him
while in the field for gallant
services -

You say in your letter to
Mr Dingle "If you can take
an interest in the case"

I certainly can not
present a letter so weak as that
to him. I wish it asked for
Col as a right and for the
honor of a soldier that may be
proud of his record as an
officer - In the Rebellion

He had it dressed & mounted his
horse & returned to the field -

Dear Sir:--

Last winter I introduced Senate Bill 2305 to amend the Act approved March 3, 1881, for the relief of citizens of Montana who served with the United States Troops in the War with the Nez Perces Indians, and for other purposes, copy of which I herewith inclose you.

I am advised that in 1877, you received, armed and placed Col. George Hunter, of Washington Territory Vols., under Col. Marcus P. Miller and that several field orders were given him by you and finally an order for him and his Company with others to march to the relief of Colonels Perry and Whipple, at Cottenwood, Idaho Terr., and finally that you ordered their discharge at Lewiston, I. T., their services being no longer required.

If you have recollection or memoranda of these and other facts connected with this service and are willing to do so, I would be pleased if you would communicate with me upon the subject.

I trust I am asking nothing beyond the limits of propriety in making this request.

I have the honor to be,
Very truly,

Dear General

Mr Ladd will not be able to get the incorporation papers ready until Thursday. I therefore give you a copy of the minutes of the Church meeting of Dec 11th 1890.

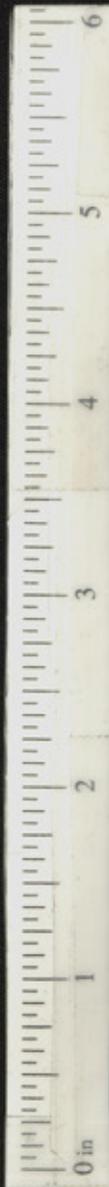

Next Sunday afternoon we shall have our regular Communion service.

You will be pleased to know that Henry Cohen of your class will unite with us on profession of faith. I understand that Theodore Jackel and Alfred Reed may join also. I have known these young men since they were very young. They were about as wild and full of mischief as boys could be. I believe they will become good working members of our Church. Try to be present at the Communion service, I know it will help the boys.
