Dear General.

I see by the papers that you are
strongly opposed to the transfer of the
Indians to the War Dept. This is
probably a natural result of your strong
religious tendencies. But I think you are
wrong, & that the continuance of the
present system perpetuates a wrong, even
a crime, not only to Whites but to Indians.

I take the liberty of sending you a
pamphlet. It is the result of observation of
& association with Indians for thirty years.
It has been read to & received the approbation
of Stone Calf & other Cheyennes. I beg you
to read it carefully (if you can find

Dear General.

Your letter of the 17th
came this morning.

In reply to the question
"what has happened" I hardly know
just what you refer to.

The meeting of the Board was
a pleasant one, though rumors were
afloat ^{deforehand} that differences between
the President and some of the facul-
ties were to be settled; but nothing of
the kind came up and the rumors are
that both the Theological & College
faculties decided to drop matters
or rather that the President met each
one and an understanding was had.

I have endeavored to stand aloof in the matter and am not prepared to take sides & hope everything will go on smoothly.

In my own department I regret the expenditures are growing unnecessarily large.

The Board voted an additional salary that in my opinion was unwise and unnecessary and authorized the Executive Committee to borrow if necessary. I fear we are losing our reputation for economical management, and that June 30, 1891 will see the institution in debt for current expenses.

This is all in confidence & would not be said to one not connected with the University.

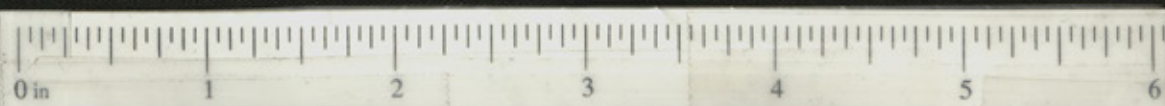

I learn from Mrs. Gen. C. A. that he is in Florida for his health. We had a large attendance at the Board meeting.

Major General O. O. Howard,

Dear Sir:-

I have not been notified as to what action has been taken by the authorities in Washington, on my application for an Army Chaplaincy; perhaps nothing has been done yet. I forwarded the paper from Governor Hovey, with several certificates and commendations from Church authorities. I am prepared to furnish more of the same kind if needed. In fact, if necessary, I can get statements from the various Churches where I have labored, as to my success in gospel work. I organized the Yearly Meeting or Conference of Free Baptist Churches in West Virginia; the Churches being organized out of converts in my revival meetings. I can give references to all these Churches. Also I did work in S. C., Ga., Ala., Ills. and Ind. I should be pleased to have my work in all those fields inspected. As to my Army Character, I refer to any officer who knew me. I am sure that Captain

Pirce, now in charge at Pine Ridge, can tell what he knows of me. I united with the Free Masons when a Soldier on the recommendation of Col. Lugenbrul and Capt. Pirce. I helped organize an M. E. Church at Sault Ste Marie, ^{Mich} and assisted our Chaplain, Dr. Fish, at Ft. Randall, by Superintending, often, his Sunday School.

The more I think over it the more desirous I am of getting the position. I wish that I could know what will be the result. I now have opportunity to resign my work here into the hands of a pastor who would be very acceptable to my Church, and who would carry on the work as begun. This is what I always desire when giving up a work. I hope to hear something definite, soon. Hoping, Sir, that I am not annoying you, by calling your attention to my affairs I remain,

Very Respectfully,
Your Obedient Servant
John E. Cox.

P.S. As an item of interest to you as a Christian worker, I would add that I am holding evangelistic services in a neglected district of the country, with good results. Several have confessed faith in the Savior and many are anxious inquirers.

WAGER SWAYNE,

Brevet Major Gen'l, U. S. Army, (Retired),
Commander.

GEO. DE FOREST BARTON,

Late Paymaster, U. S. Navy,
Recorder.

Dear Sir and Companion:-

I am directed by the Commander to enquire if you will serve as Chairman of the Committee for Nominating Officers for the ensuing year. The Committee will be appointed by the Commander at the next Stated Meeting on February 4th, in accordance with the following By-law of this Commandery:-

"A committee of nine shall be appointed by the Commander and announced at the stated meeting of the Commandery in February next preceding the annual stated meeting in May for the election of officers, to be composed of three members from each arm of the service represented in the Commandery--viz., three of the Regular Army, three of the Navy, and three of the United States Volunteers--whose duty it shall be, upon the call of the chairman thereof, to convene at the headquarters of the Commandery and prepare a ticket containing the names of candidates for the respective offices of the Commandery to be elected for the ensuing year. Should there be a dissenting minority, it may prepare a separate ticket in expression of its views. Such ticket or tickets thus prepared shall be reported to the Recorder, who shall print and distribute the same, with the circular notice of the stated meeting next preceding the election. The report aforesaid of such ticket or tickets to the Recorder shall be taken and accepted as the report of said committee, and the committee shall be thereby discharged."

It would be necessary for the Nominating Committee to meet at these Headquarters, not later than March 10th, in order that the names of the Companions nominated may be printed in the Circular for the April meeting, which Circular would go to press not later than March 12th.

It is not probable, in my opinion, that more than one meeting of the Nominating Committee would be necessary.

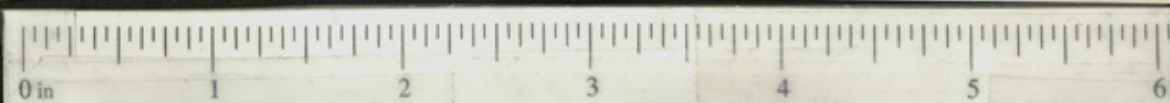

An answer at your early convenience is requested.

Very respectfully,

Geo. D. F. Barton

My dear Sir -
Col. Closson of St.
McPherson sent me the
enclosed and I in turn
to you. If you will kind
ly, noticed the places I
have marked, you will
see that in each of the
other sentences something
was remitted either time
or pay, and in both
neither you could not have
been at home and approved
the latter sentence, so I

writes again. Most likely
your assistant knew nothing
of my letter to you and
in your absence approved
it. Or, were you at home?
Probably if I had never
written to you, his sentence
might have been lessened
as the others were. If
you will notice, his charge
was smallest of the three
and why this injustice,
I can't see. Brother has
n't been strong for the past
three years owing to a
spell of sickness he had
about that crime, and
most likely the other men
were hale and hearty.
When I rec'd Brother's last
letter he had been confined
25 days. Dear Genl. Howard

Wont you at least remit
the three months and
~~let~~ the forfeiture of pay
still continue for ready
he is not able to stand
the labor that in that time
he would necessarily be
subjected to. If this my
last effort fails, I don't know
what I shall do. I wrote
the letter you advised me
to write to Col. Closson but
he did not answer for
quite awhile, and then the
sentence had been passed.
If you think Brother's sen-
tence just, in accordance
with the others, I am
willing to stand it - but, still,
will be unable to recognize
the fact. Please look over
the paper just once, and
