My Dear Gen. Howard,

I want to thank you very heartily for your prompt kindness in sending me letters to the officers of the various Western Posts for Mr. James.

to him of these letters of
introduction.

I enclose a cheque

so that you will see I
have rather more than
redeemed my pledge.

Gen. C. O. Howard,

Dear Sir,

Please
pardon the liberty I take
in addressing you, while
I would claim your attention
for a few moments to inform
you about a good work which
the Keene's Corner Ladies Aid
Society are doing in your native
town of Leeds. Perhaps you remember
where the old store was located
at the Corner, we have purchased
the lot and erected a very
neat and substantial Chapel
30 x 45. The inside is finished
in brown ash and we have

ordered nice hardwood settees
with iron frames to correspond
with the rest of the building.
We feel that the Lord has
wonderfully blessed us in
raising money to prosecute
this good work. We have been
presented with a very handsome
pulpit and Bible, but we
find we have got to raise
about \$200. more to pay for
our settees, lights, chairs &c.

I have had an impression for
a long time that when we got
to the furnishing Gen. Howard
would like to contribute some
article, perhaps a chandelier.

If any of your friends would
contribute enough to buy ^{a settee} we should
be very grateful they will be \$9.
apiece. We want to dedicate
sometime the first of Feb.

I hope you will please to
answer this as soon as
received. A few words from you
to read at our Dedication would
be highly appreciated.

I forgot to state that our Chap-
-el is a Union building and the
Trustees members of our Ladies Aid
viz Mrs Wiley E. Libby, Mrs. Mellen
Hanscom, Mrs. G. J. Howe,
Miss Mary Bishop, Mrs. Arison Bates
Mrs G. H. Bates, as you are acquainted
in Leeds I thought perhaps some
of the names might be familiar
to you.

When you visit your friends again
in Leeds we should be very happy
to have you visit Keene's Corner
and attend services in our Chapel.

Please address

Dear Sir.

I enclose blank application to Cong. Union. You will observe the form is designed for applications from small towns and settlements and is hardly appropriate to N. Y. City. It will serve with alterations, however.

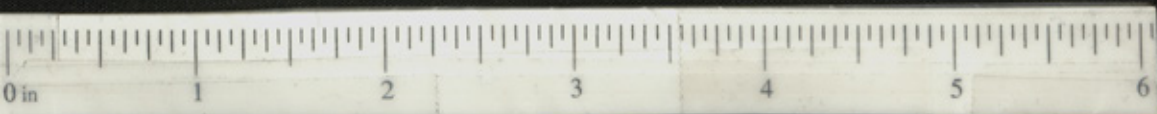

If I can be of any service at any time, command me.

Faithfully yours
