Gen. O. O. Howard,

Governors’ Island, City

Dear Gen. Howard:

Please put down the positive date for Wednesday the 29th. I remembered that you preferred not to take that evening, but we are unable to secure the Hall on Thursday of that week.

We expect to arrange a sort of tableau background for the stage with the aid of the Grand Army, and would like you to appear in uniform. We shall also have singing by a Glee-club and will be glad if you will suggest two or three songs which you think would harmonize best with your lecture; also let me know whether there is any point in the lecture where a song could come in well without interfering with the interest of it. Could you give us the names of one or two songs which were used by the confederates, as we may decide to give a song or two from each side.

I will come down to the Pier on the evening of the lecture to meet you about 4:30 and go with you to Orange so that you will have no trouble in making connections.

Yours very respectfully,

Dear Governor: I am happy to receive your letter of April 6, 1937.

I want to assure you that the idea of a monument for General Pershing is not new. Actually, it was first suggested to me by Senator Robert La Follette of Wisconsin, who thought it would be a fitting tribute to General Pershing's service to the nation.

Senator La Follette proposed that a monument be erected on Pershing's farm near Springfield, Illinois. He felt that Pershing's contributions to the nation deserved to be remembered in a prominent location.

I am pleased to hear that you are interested in furthering this idea. I believe that the monument would be a fitting tribute to General Pershing's service and would serve as a reminder of his contributions to the nation.

I look forward to hearing from you soon and will keep you updated on the progress of the monument.

Sincerely,

My dear Sir,

With the approval of Dr. Luceen C. Warner, Chairman of the Harlem Branch, I write to say that the Entertainment Committee, having in charge the conduct of our regular Monthly Member's Meeting, are desirous of taking advantage of the renewed interest manifested in the conduct of the late war by the approach of Decoration Day and the death of General Sherman, and have therefore decided that the feature of the meeting to be held on Monday evening, May 4th, shall have reference to that subject.

I have been deputed to correspond with you in relation to it, and to invite you to be present on that occasion. These
Meetings open with devotional exercises
and are then followed by brief reports
from the various working committees.
We are then ready for the address
of the evening which usually occupies
half an hour.

Our committee is very desirous
to have you present on that occasion
and hopes that your engagements will
permit you to spend the evening
with us. You have been here before
hence I need not assure you that
your welcome will be very hearty.
As a topic we suggest some reminiscences of Sherman while marching
through Georgia.

Awaiting for the favor of an
early and favorable reply,

Very respectfully Yours,

M. F. McIlven
Chairman Entertainment Comm.

Dear General Howard,

I send you my check towards the Sacred Cause with the words having been written on a recent note. They have come out today. I really think it better for us to go together as it would strengthen the students having words coming from you.

I have now a definite list made out systematically by streets so the crowd moves rapidly. Beginning at eleven o'clock day Wednesday morning. As if you come in at ten or shortly after the hills go up town.

I am sure I will see you tomorrow.

Yours sincerely,

I was found Guilty of the charges brought against me, by a court who had a great spite against me.

Dear Sir, if I am guilty of these charges I think that the sentence of 4 months confinement to forfeit to the United States $6.20 is very, very hard. I therefore appeal to you, for you I am sure are a just and valiant soldier.
I have already served nearly one half of my sentence, and beg of you to please remit the remainder or part of it, and I will through good conduct and faithful service make up for the error which I committed.
Owing to my ignorance and short time in the service, I must respectfully request that this my application, and my humble most true prayer be favorably considered.

I am Sir
