General C. E. Howard,
Governor's Island,
New York Harbor, N. Y. City.

Dear Sirs:

I have to-day had a conference with Mr. Jesse A. Baldwin, who is the attorney for the assignee of Khan in Chicago, and also with Mr. Caldwell, who is the representative of the assignee in this city. Mr. Baldwin assures me that he will return to Chicago tomorrow; that on Tuesday or Wednesday next he will consent in Court to the filing of the claim which is there at the present time, and that it will not be necessary for you to verify any further claim. I have written to our Chicago counsel, asking them to attend to the matter and notify us of the result. As soon as the claim has been filed, I will dismiss the action here.

With regard to the claims other than your own, Mr. Baldwin says that he thinks it will be impossible to have any other claims allowed, as there have been already upwards of one hundred claims refused on the ground that they were not proved in time; and that the only reason why your claim is to be allowed is as a compromise upon your dismissal of the action in New York.

Yours respectfully,

Dear General:

The unexpected has occurred. Simultaneously with the receipt of Mr. Treat's letter saying he couldn't go to Buffalo came a letter from Mrs. Connor informing me that Mr. Connell is so ill that he cannot attend. As nearing N. P. possible attend. As remaining the Board make you President. The Board made you President. As you seemingly the ease the ease.

Yours sincerely,

I would like it, I will have Mrs. Selft and possibly one other lady meet you the day you call here. I will then know from yourself a little more definitely just what you wish, and I shall take great pleasure in seeing that you will secure a lady who will be as deeply interested in the work as it would be possible for a lady to be.

I am so thoroughly interested in such work.

June 12, 1891.

Gen. O. M. Howard,

Dear Sir:

Miss Crossenur told me today that you were looking for a Kindergarten with a missionary spirit, who would be interested in the enterprise in which you are interested.

I am quite sure that I could suit you very satisfactory with such a lady, and would be glad to see you any day.
you can make it convenient to call.

I have a Miss Jeff in Brooklyn, who has been doing excellent work under the auspices of the Woman's Club in Brooklyn during the past winter. She is thoroughly in sympathy with just such work, and admirably qualified for it. She is thoroughly well-educated, and in addition to an excellent education here, she added her two years' training in Germany, where she went purposely to study the Kindergarten. She was a pupil of Froebel's niece. This niece studied and taught with Froebel.

Miss Jeff is certainly a thorough Christian character, very sympathetic and very able. I have one or two other ladies who have been doing similar work, whose ideas of salary might be a little less, and if you
myself, that I consider it a great pleasure to give an opportunity to the right ladies to do this kind of work among the poor.

Sincerely yours,

M.J. Fulton.

The City of South Omaha is practically embraced within the City of Omaha proper, although its municipal administration is independent. Among the large manufacturing and other enterprises here are the Cudahy Packing Co., Hammond & Co., Omaha Packing Co., Swift & Co., Union Stock Yards Co. There are three banks, and all lines of business are well represented.

We recommend as a desirable investment.

Yours truly,

Geo A. Lewis & Co.
The City of New York, to the best of our knowledge, is a good investment. We recommend an investment in New York.

My dear General,

May I commend to you from the consideration of an appointment on your staff, J. S. Squier, at present resident at Tarrytown, N. Y., and a son of whom you know intimately, as to his fitness for such a position.

He is an accomplished man and his wife is a charming one.
rmony of this to many of our most excellent dear John families, and in addition to my desire.

In this sad mode this affair is very distinctly mine of my business and in this particularly your note you! But

General I know an aged relation to this neighbor here who pretty needs his occasional presence.

and he is himself a gentle

man whom I am sure you will find agreeable, creditable, and loyal in every way.

Dear my dear General,

Very faithfully yours,

Major General Stewart

my dear Sir:

Some time ago I addressed you asking for a contribution to our little church paper, but fear my importunity in the matter destroyed the prospect of being favored. In writing you now, I would say that I am anxious to obtain, if possible, the views of nine persons—three clergymen, three women and three laymen—upon "The Sunday Newspaper." Would you object to being one of the last three? Should circumstances inveigh against a consideration of my request, the return of my letter will acquaint me of the fact, and enable me to look elsewhere.

But I hope you can oblige me. Faithfully yours,

My dear General,

It has been my intention months since to write you, but in the hurry of leaving I have passed in your mind. I have much reason that I had hoped to accomplish this letter, but I have not written you for some time. I very often think of you,

Yours ever,

1 year kindness to me when a strange in San Francisco,

Y of the evening please to home. I have passed in your mind to your home,

I am anticipating the pleasure of seeing you again as I said this week at 2 1/2 for $1.5 by the French line. I hope to write a heart welcome from many.
Dear friend, the General.

It will be great change to return home, now that Father is gone. I am to see George, that you know, who was always to join to welcome me on my return from Europe is not longer there to greet me.

But one day when the voyage of life is over, in that far off shore I know he will be.
Bayfield the 13th 1871

Sir, Genl. Hiram,

I am all well and in health. I write a short letter, as I have not time to write a long letter.

I am thinking of going to Europe in the fall to join a party of friends who sail June 24 on the Germania. In no we will begin to April. Stated to you suggestion that they travel with me across the sea in Europe, I would it would please me.

The friends of mine whom I have known will come they are small children and who have grown up. I shall have to see a bad man. In your friend of Chicago and his sister, Miss Katie Peck, and Miss Longley of Helena, Mont. and I know they are just such. I am in good health (say from 25 to 30) as you and Mr. Howard should like their Harry and Uriah Beale.

Mrs. P. is a Christian woman is one of the most lovely character I have ever known. Miss Longley is a graduate from Wellesley College and Miss Peckard's eldest friend. Mrs. P. is an adopted
daughter. Mr. A. Peckart has lost their father and mother and I regard them as protectors of mine (the last letter in confidence).

Mr. P. is quiet but has a good sense. Mr. Howard is not a more lovable character than is Mr. P. could I say more? and as I did before only to-day is my dearest friend of many years standing.

The visits from New and Boston are frequent and come where and in Europe. I think it would be their mutual pleasure and advantage

I think that Mr. and Mrs. will be in the fall that does not know at this place as early as 12th with perhaps earlier. Mr. P. will call at the office of Edwin B. Smith whom of course you know (graduated with Roland) at the 120 Broadway room 46-47th floor. I suggest that you if so inclined call them and in the same way a comme from Miss Peckart and her sister.

Mr. Peckart name is Allyn A. Peckart.

I think the letter was in the Germanic which they will re-cuse in the 4852 or 4850.

With kindest names for all your household

Sincerely

James A. King

My dear General,

Next March when Gen. Bell retires I will be the Senior Clerk of the Subsistence Dept. Dec. 4th, 1892. I may be retired for age. I am not appointed to succeed him and will be overruled. Will you assist me to resolve this problem. I have prepared a letter in which I introduce extracts commending me from letters of Gen. Grant, W. T. Sherman, Pope, Terry, etc.- Have
nothing from you at this time. I hope you will be as helpful as any of those at R. H. A. Shale. Count on your assistance as those in the assistance of General Kelsey. I have counted on your help for all you can do personally, but also for what you can do through others.

I would like you now to send this letter if you endorse it by addressing it to General Marden and signed by yourself.

Yours truly,
