General O. O. Howard,
Governors Island, N.Y.

Dear Sir:

We wish to publish a special article about the government fortifications now being constructed at Sandy Hook. Would you be willing to give Mr. Charles W. Hooke, who will write the article for us, a letter of introduction to some person engaged in the work who could furnish him with such facts as can be obtained at this time? We should like to have him see as much of the work as can be shown him, for the purposes of description and illustration. If you can do this, it will greatly oblige us.

Very sincerely yours,

(Dictated)

My dear Sir:

When we last met in Mr. Boynton's office, you promised to send me the name and address of the colored president of a North Carolina College, of whom you spoke so highly. I would appreciate it if you would send it at your earliest convenience.

Sincerely yours,

Major - General O.O. Howard.

Sir: I ran away from Williston Seminary in Sept. 1861, started on the R.R. to the City of Troy, N.Y., and there enlisted in the 93d. N.Y. Vol. - General John S. Crocker's regiment. This was while I was in my fifteenth year.

I remained with the Army of the Potomac at the front, and not in detached duty - until the Army of the Potomac was disbanded, 1865. I had completed my almost four years' service before I was of age.

Now, with a family upon my hands, and with diminished physical strength, I want employment in the Quartermaster General's Dept. - A National Cemetery, or something of that sort, to take charge of.

General J.W.R. just a number of my old officers and comrades, and a number of distinguished men in the Republican party have recommended me.
to the Secretary of War - These recommendations are on file in the War Dept.

On account of my army service, will you not add a word, sir, in my favor to the Secretary of War, to the end that he give me such employment as will provide maintenance for my family?

My war record, sir, embraces the entire history of the Army of the Potomac, from that time General McClellan came upon this Peninsula, until the A.O.P. was disbanded.

Respectfully,

Clarence W. Harrington
Late Sergeant 93d M.V. Inf.

My regiment was attached to Army Headquarters just before Fair Oaks - where you last saw me. I am, sir, detailed from Carey's Div - Key's Corps.

Dear Father,

I must ask you to forgive me for my long delay in writing to you. I have been so busy it has seemed impossible to write sooner. You asked me if I had sold my house. No, I have not. I wrote to Mr. Tuke Bat, and received an answer to it to day. He said he had sent a good many out to see the house but it was hard to sell a house that had been lived in for a year when there were new ones there to be had & for 200 cash down. I hope I may have it disposed of before the int.
becomes due which is the last of July. I have just answered
Mr. Tukey’s letter & told him
to make some disposal of it
before the last of the month.
We are in Fremont at present
visiting. Yvonne has been
sick with the chicken pox for
two or three days but I did
not know what was the
matter with her until today.
She is not very sick but very
irritable. Willie is well & very
happy. He sits in his buggy
& says Papa, Papa all the time.
No teeth yet but plenty of signs.
I am feeling very well as well
as could be expected with Chancey
so far away. I will put in one
of the little pictures we had
taken for Chancey. They are

very glad we think of the children. Love
my dear loving daughter Alice.

Dear Sir:

Your esteemed favor of June 26th duly received.

In further reply could you deliver, occasionally, a lecture during the coming fall and winter, in the vicinity of this city, where it would only take you from one to five hours to reach it. In each instance the Bureau to submit to you the place and date subject to your approval, and you to name the price on which we could make such engagements.

Yours truly,

Dear Mr. Shaw,

Your generous offer of June 30th has been received.

If your offer will be accepted, please notify me immediately, a

further program of events will be announced in the newspaper.

I believe your idea of having the band play again in the park

would be a wonderful way to springboard into an extended

season.

Yours sincerely,

Major O. D. Howard,

My dear General:

I am glad to say that we are all progressing well at Atlantic Highlands. Bartow would like to know if Mrs. Gray is still with you. She is unable yet to leave home, ought not, for some weeks, to come as far as New York; but rather the reverse myself. She would be tempted, I think, to run considerably with the joins. I hope that Mr. Howard, yourself, and all the families are as well as ever.

Yours truly,

Stanford Crawford
