General O: O. Howard,

Governors Island, N. Y.

Dear Sir:-

We wish to publish a special article about the government fortifications now being constructed at Sandy Hook. Would you be willing to give Mr. Charles W. Hooke, who will write the article for us, a letter of introduction to some person engaged in the work who could furnish him with such facts as can be obtained at this time? We should like to have him see as much of the work as can be shown him, for the purposes of description and illustration. If you can do this, it will greatly oblige us.

Very sincerely yours,

(Dictated)

Bachelor Johnson

P. S. We would like to publish this article as soon as possible.

Dear Father;

I must ask you to
for give me for my long delay
in writing to you. I have been
so busy it has seemed impossible
to write sooner. You asked me
if I had sold my house. No
I have not. I wrote to Mr Tukey
Sat. and received an answer
to it to day. He said he had
sent a good many out to
see the house but it was
hard to sell a house that
had been lived in for a year
when there were new ones
there to be had & for no cash
down. I hope I may have
it disposed of before the int.

Mr Tukey's letter & told him
to make some disposal of it
before the last of the month.
We are in Fremont at present
visiting. Mamie has been
sick with the chickenpox for
two or three days but I did
not know what was the
matter with her until today.
She is not very sick but very
irritable. Willie is well & very
happy. He sits in his buggy
& says "Papa", "Papa" all the time.
No teeth yet but plenty of signs.
I am feeling very well as well
as could be expected with Chancey
so far away. I will put in one

taken for Chancey. They are

Maj Gen. O. D. Howard,

My dear General:

I am glad to say that we are all progressing well at Atlantic Highlands. Gertrude would like to know, if Mrs Gray is still with you. She is unable yet to leave home, & ought not, for some weeks, to come as far as New York; but rather than miss seeing Mrs Gray she would be tempted. I think, to me considerable risk. She joins me in hoping that Mr Howard, yourself & all the families are as well as usual.
