Dear General,

I mentioned in  
my last to you that I had  
written Capt. Dickey: he  
turned my letter over to Col  
Courtine, Secy. & I enclose  
his letter received to day which  
explains the fact in regard  
to the invitation to you.

I trust you will find it  
possible to be with us if  
but for a short time.

A letter from my brother  
To day tells us he will  
come & anticipates  
"great pleasure in meeting  
his old Pennsylvan Gen  
Howard - a very distinguished  
soldier" &c.

My Dear Colonel:--

Capt. Dickey has handed me your letter of recent date. As to Gen. Howard,-- Capt. Mickle (who was formerly on his staff) told me he would personally attend to inviting the General and I supposed that he had done so. There is, evidently, a mistake somewhere, however, I will write the General this A.M. inviting him to be present on Sept. 3d and 4th. Glad you called our attention to the matter. I shall also write your brother this A.M. asking him if he can be with us on the above occasion, and will you allow me to improve the present in extending to you, personally, a cordial invitation to join us both days of the reunion. I should further be gratified if you would kindly extend, in my behalf and in behalf of the association, a hearty invitation to all your old comrades-in-arms and to your friends and acquaintances generally. I mail you to-day a few circulars,-- others will soon follow and I will see that you are kept advised from time to time what is being done. Kindly let me have any suggestions you may have to offer in the matter, I am, Colonel,

My dear General.

I have received your kind favor of July concerning St. Thompson's detail, which, under the circumstances, appears entirely proper. I am only regretting that, in his present condition, his post of duty should be in New Orleans, at this season of the year. I trust however that nothing serious may result from it.

He does not wish to get a sick leave if he can avoid it. St. Thompson has never made any complaint of the order and goes cheerfully to his post. Mrs. Saxton joins me in kind remembrance

Dear Brother:--

I have had one or two letters from Mrs. Sarah Lane of Leeds, whom you will remember as Sarah Turner. They solicit some contribution towards the repairs and improvement of the church. One recently received speaks of the work going on splendidly, and that they will expend over \$1,000, and that they are still lacking about \$300.

It has occurred to me that out of the interest receipts that I am collecting from the additional notes in my hands, you and brother Dell might like to join with me in making a contribution, say of \$75.00 or \$100.00, as from mother's estate. I am not certain that Rowland would want to add anything in that way, as I believe he has already made a personal contribution, but perhaps he would consent, if we made it \$100.00, counting \$25.00 as against the share of each of the heirs.

I trust all goes well with you. What do you hear from Harry and Bessie; where are they and when will they return? I occasionally get a paper from Chancey. We do not know whether his family has gone east or not, but would like to see them when en route, if they have not already moved.

With love to Lizzie,

Affectionately yours,

Since writing you  
yesterday, I have thought  
the matter over. I know  
of no charges prepared  
against me, and if there  
be any such, they are  
without foundation  
and the result of a

Combined and malicious effort

such, I shone the documents

them. I, therefore, feel that  
I should have a Court

Dear Genl Howard:

Some days since I mailed to your address certificate of stock for two shares in Interstate Imp Co: at the same <sup>time</sup> accepting your offer of two Cal lots for lots in Grand Dallas.

Thus far no answer has been rec'd. And fearing there may be something disappointing or unsatisfactory I take the liberty of assuring you that the whole enterprise is fully as we represent. Both stock & land are worth all we ask &, with the unchangeable natural conditions of our townsite, must rise in value.

In the circumstances our property is amply worth now half a million; by 1900 it will be worth not less than 2½ Million dollars. I really think it will be worth more, but 2½ Million is the least figure - & a safe estimate.

E. H. Peck, <sup>M. D. of Cleveland,</sup> has just returned from Grand Dallas where he spent three weeks in the interest of a Cleveland syndicate who proposed investing, to whom he will report entirely favorably.

Rev. A. A. BURLEIGH, A. M., Chaplain.

Champaign ~~Springfield~~ July 31<sup>st</sup> 1889.

Major Gen. O. O. Howard

Dear Sir.

I hope you will not regard me as presumptuous or imposing in writing you such a letter. But I am seeking a Chaplaincy in the U. S. Army, and I know of no man in the position to know both of the probable chances and the proper manner of seeking the position to whom I could write with such a degree of assurance as your self. From the time I enlisted '64 to the present, I have associated the name of Gen. Howard with my idea of a philanthropist, a patriot and a soldier. The ten years immediately following the war I spent in Berea College, Room No. 7, Howard Hall. So far as the bit of history pertains to that grand Hall, I suppose you are aware.

I graduated there in 1875. Since that time I have spent my time teaching and preaching and am now in charge of the African Methodist Church of this place. I am 43 years of age. I believe I am fitted for such

A position, I believe I could do good in  
such a place. Will you be so obliging as  
to advise me how to secure such a place,  
or through what channel I am to seek.

Any thing you would be pleased to  
say to me relative to the matter will  
be gratefully received.

I can furnish ample commendation  
from some of the eminent <sup>men</sup> of our state.

Hoping to receive a favorable reply at  
your earliest convenience.

I remain your obedient servant
