Dear General Howard:

I do not think I have received a copy of your last Annual Report. I should be glad to receive a copy so that I may refer to your suggestions in the Journal. I am glad to learn that you are especially strong on Atlantic Sea coast defenses. Sincerely yours,

Dear Brother:-

With great pleasure I remit to you a check for fifty dollars ($50) being the amount of the pledge made by the Cornell Memorial Sunday School to your school on Sunday last. If it does you as much good, as it affords us pleasure, to feel that we could contribute something to some school more needy than our own, it will, "Like the gentle dew that falls from heaven, bless alike him who gives as well as he who receives."

Yours, Very Truly,

My dear General:—Your favor of the 11th, with reference to the artist's proof copies of your picture duly at hand and satisfactory. Pach, the artist, sent me one copy of your picture, that where you appear on horseback; the face is so small in that picture and so shaded by the hat that it is difficult to recognise you. Did I understand you to say that you had directed him to send two pictures? If so what is the other picture? If you directed him to send two, he has failed to do so.

Gentl. C. D. Howard,

My dear Sir:

On my arrival here today I found your kind letter forwarded from New York, and I regret very much that I did not receive it in time to call on you. It had not reached the Sweet Home.
at four o'clock Monday afternoon, and at 5 A.M. I went to Brooklyn to spend the night. I left official instructions to have my letting forwarded at 6 7 9 A.M. to 57 Wall St., in care of my Quin's Mr. Geo. Blagdon. On reaching his office Friday 9 A.M. it was 7 A.M. notice to go and I began if found a note from you, but nothing came by 10 o'clock, and I supposed you were not at your headquarters.

Mr. Blagdon acceded.
The letter and sent it here.

I am very sorry that though
some mistake in the post
office, you did fail to
read me at 57 Wall St.
and that you were writing
me in vain.

I shall be in New York
in February or March, and
I trust that will be in
time to confine about the
Nepo Conference. If not,
please send me a line
to the Hotel Lafayette
Philadelphia, where I
shall spend most weeks, and
may be able to return to

New York, Dec. 3rd, 1854.

Ladies and gentlemen:

I am about to leave this city, and will not be able to accompany you to my new home.

With sincere regards and respect,

Jane

My dear Friend:—

I write to ask your very kind and friendly attention to an Association call of peculiar interest. There is a little town up the Hudson called Nyack, and at that town next Friday (Nov. 20th) assembles a district conference in our friend George Hall's field.

I learned confidentially that the Association there is in a condition where the appearance of a prominent friend of the work like yourself, with some hearty words of cheer and greeting and encouragement concerning our work for young men would exert precisely the influence that is needed to give the young men there heart and courage in their work at a critical time; and I have been asked very importantly whether it would not be possible for you to come and speak such words.

The call is so peculiarly strong that I venture to bring it to your attention though I know you must be under continual pressure of this kind. I know too, however, that you always have a most brotherly willingness to help us out in time of need.

The Convention meets Friday afternoon and continues in session over Sunday. If you can go, what time would best suit your convenience. Could you spend Sunday with the brethren there? That would be a great blessing and benediction to them. If you cannot do that would Friday or Saturday evening suit you better than any other time?

With very affectionate regards,

Richard Moore

My dear friend,

I write to ask your very kind and timely assistance to an association called "The National Institute" of which I am a member.

The Institute has a stated meeting of its board of directors next Thursday (Nov. 26th) at the Empire State Building, New York.

I hope you can attend the meeting and meet some of the members. The Institute is interested in the work of the "American Association for the Advancement of Science" and the "National Academy of Sciences". They are interested in the work of the Institute and wish to learn more about it.

It is necessary to elect new members to the board of directors and the Institute is interested in the work of the members. I have been asked to be a member of the board and I believe that you would be interested in the work of the Institute.

I am enclosing a copy of the minutes of the last meeting of the board of directors. It is a matter of great importance to me and I have been asked to carry a message to the meeting.

I have written to you in a personal capacity and I hope to hear from you soon.

Yours truly,

Gen. O. O. Howard,

Dear Sir:—

We ask your personal co-operation in a matter that seems likely to prove of great public importance. The Prohibitionists throughout the country are circulating the enclosed Agreement by which each person signing agrees to vote for the Prohibition party candidate for President provided 1,000,000 signatures are secured.

We desire to secure your consent to act on a commission of five who will announce to the public when the million signatures will have been secured. This commission will consist of one representative member each from the republican, democratic and people's parties and two from the prohibition party.

Of course all these blanks will be received by us and a tally kept. We will not trouble you until the million names have been secured. We will have them arranged in packages and so classified that the commission can in a little time satisfy itself of the accuracy of the count and make an announcement to the public to that effect.

Of course we shall be careful that in rendering this service that you do not in any way commit yourself to this agreement but simply as a favor to those interested help to audit the account. Hon. Abram S. Hewitt, ex-mayor of New York; George F. Washburn of Boston, Mass; A. A. Hopkins, Secretary of the East Tennessee Land Co., have agreed to help audit the agreements. Will you kindly permit us to use your name as a member of the Commission in connection with the others?

Yours truly,
