My dear General Howard,

Kindly read the enclosed  
letter to me from Col. Matthews,  
parent of my Command & Men of  
the Mass. Nat. Guard

I read all every word  
of the letter. If you can accept,  
I am sure the occasion will

afford you almost as much pleasure  
as your presence will give  
to the audience -

Wm. L. of Boston,  
is one of the best in the County.

Sincerely  
Yours  
Wm. L.

I hope my friends are helping  
you in your Mission work -

My dear General,

Your favor of the  
24<sup>th</sup> has been received.

The gratification to be  
so kindly remembered is  
beyond my expression and  
not to be able to be with  
you all I have regretted  
exceedingly. Besides  
my business engagements  
of which there are many,  
I have the building of  
a new house on my hands  
expecting to finish during

the summer. Located out of the dust and  
smoke of the city I hope to trace you as my  
guest before another New Year's.

Presuming that the past year has not brought  
any sorrows and has been a happy one I wish  
you and yours a still happier year, if such is  
possible.

Tomorrow I will return the account of the battle  
of Chancellorsville which you kindly lent me.  
I have read my paper at the Loyal Legion meeting  
some time since - Before I told you that it would  
be confined to personal reminiscences.

Trusting this may find you in the best of health  
Enclosed herewith letter of P. Mason Post - I am dear friend  
Yours since

Dear Brother:

I am required to  
make up my final account  
for the estate by Jan 5 1892.  
In stating it and looking up  
vouchers we find that we  
are looking a distinct mention  
in your former receipt (given  
to Rowland) of the two bequests  
to Grace & Bessie - We therefore  
(Mac & I) have made out ~~three~~  
two receipts specifying your own  
- one and the two daughters in  
the other. These, when signed by  
you, will show that I complied  
with the Will and will account  
for the money -  
You are aware that I  
had two notes from Mrs. Stone

I note that you again refer to the Ken note - If there is anything whatever I can do

I shall do it most cheerfully -

It seems A - must stay there two months or so longer - When will Sylvia plan to go to Rome?

I will keep the letters to her Kitty &

Wm return them - Affectionately

C. H. Horner

with collateral notes from two of her daughters & secured by mortgage - amounting originally to \$3,000. Since then of - parted executor \$200 have been paid & endorsed on one of these notes - On the other hand the interest has fallen behind somewhat - The State is owing me about \$215 - But this will come in as interest on the notes -

I have not paid the subscription for Seeds Church because they did not arrange the window memorial before Rowland left for Europe - - Chicago -

Later Jan. 2<sup>nd</sup> - I have your note with the two from Pr. Y. on after the operation. It is a sad, serious matter, is it not. I feel deeply anxious.

Governor Bland

Dear Sir.

My friend Mr William  
Evarts Benjamin has the  
original document of Heubner's  
Military Instructions to Washington  
extracts of which would make very  
interesting reading, providing we  
could induce you to write an  
article to accompany the same

Beacon Magazine

The fact that you are deeply interested in our line of work will possibly be in our favor if you grant our request.

The document in question is certainly one of historic interest and is highly prized by its owner.

Our next issue will be unusually interesting & we hope to be able to print an article from your pen.

Respectfully,  
Arthur Frank Editor

Rector's Study,  
Christ Church, Chicago,  
2409 Michigan Avenue.

January 20 1892.

My Dear Sir;

I am sure you will  
pardon this intrusion of a stran-  
ger upon your valuable time,  
if you know my motive.

I have recently learned  
that Lieutenant Harry Chaddon-  
ald has been ordered to Governor's  
Island, and, if I correctly under-  
stood, is to be an aide-de-camp  
on your staff.

I rejoice in the fact be-  
cause your own position as a  
Christian soldier makes me  
feel that a young man who

1892

was for many years a pupil  
in my Sunday School, will be  
for the time under such influence  
as he could hardly enjoy on the  
Western frontier.

He is a noble, manly fellow,  
and I believe has no vices, and  
is therefore all the more the light  
of her eyes to his mother, who is  
a member of my own parish.

Chas. Chaddock does not know  
of my writing this note, and I  
should be especially sorry to have  
Kary made aware of my thus  
seemingly to meddle with his  
affairs. But I have been im-  
pressed with the feeling that  
such a word as I have written  
might lead you to feel sorry

Special interest in one who has exceeded in  
purity and a very warm heart, and is per-  
ceivingly sympathetic. Do not, my dear General,  
feel that it is at all necessary to acknowledge  
this letter. I merely wished to express my  
gratification that one whom I have known  
and loved from his early boyhood, was to be  
so happily situated as to be a member of your  
military garrison. With profound respect, I am

VERMONT CENTENNIAL COMMISSION.

H. L. STILLSON, Historian,  
BENNINGTON.

Jan. 2<sup>d</sup> 1892

My Dear Sir:

As you are aware, the forthcoming history of the "Dedication of the Bennington Battle Monument and the Centennial Celebration of the Admission of Vermont as a State," held here August 19, 1891, is to be an illustrated work. The gentlemen who consulted together thought best to invite, with themselves, each one of the

*Speakers of the Occasion,*

to contribute towards the illustrations, as stated below, inasmuch as the publication expenses are to be borne by private means. Your attention, therefore, is called to the following propositions:

I. Should you possess a steel plate of yourself, and are so disposed, please send to me here, 2000 copies, printed on TINTED paper of the style of a sample to be sent you on your requisition. We hope to arrange to print all these at one place at a reduced price, in which event we will give you the advantage of said terms.

II. If you own a half-tone engraving of your photograph, by sending it to me, we will use in course of illustration without further expense. Should it become necessary to procure a half-tone for this purpose, we have an arrangement by which the plate and your signature can be made at an expense to you of about \$10, if all are engraved at one place, the plate to be yours when we are done with it. The actual cost to us is all that will be charged to you in any event.

N. B. The photograph should be a good one as the half-tone will be an exact reproduction, defects and all. The signature should be written the size desired and on a card; or, if on paper, care being taken that no folds or wrinkles are made in transmission.

III. These illustrations are to be full-page, the plate to be ACCEPTABLE to you, and the execution of the whole first-class. Already several gentlemen who own steel plates have arranged to supply, as above, others are ordering half-tones, and others still are contributing plates of historic interest connected with the incidents recorded, New Hampshire sends a full-page engraving of the celebrated painting of Gen. Stark in his old age, and a patriotic lady a copy of a sketch she made of the Catamount Tavern in 1868.

IV. That the work may not be delayed by the illustrations please give this subject your earliest attention; as it is agreed by all that the book should be issued as soon as possible, using reasonable care in its preparation. The brochure is to be on extra fine paper, wide margins, and will comprise about 200 pages, bound in paper.

V. Any suggestions you would like to make, please embody them in your reply, which I await.

Major Gen. Oliver O. Howard,  
U. S. A.,  
Cordially Yours,  
H. L. Stillson

*I am in receipt of your favor of the 15th, ult., with enclosure. It is in admirable shape and I will favor you with Author's proof. Gen. Urague urges me to take time enough to do this work as it ought to be published & thinks now I shall take his advice. Others say "rush it out!"*

Dear Sir:-

We are editing several columns of literary matter under the caption "Thoughts of Noted People on Current Events", to be published weekly in fifty of the leading journals of the country including papers in every large city.

We are very anxious to secure something from you even though it be brief, giving your ideas on some current event or some movement in which you take a personal interest.

We do not desire to encroach upon your time for anything elaborate -- we ask for but 300, 400 or 500 words to be accompanied by a picture of yourself.

Copies of all the papers in which anything you may send us appears will be mailed you. If you so desire a proof of the copy will be sent you for correction and revision.

Will you kindly state the price you desire in the letter containing your contribution?

Send all matter to,

Yours respectfully,

He Would Probably Go to Chili in the  
Event of War.

WASHINGTON, Dec. 31.—Since his arrival in this city General Miles has been completely non-committal and has steadily maintained that he knew nothing of the situation. Being asked if he would go to Chili in case of war, however, he answered without hesitation that he thought he would, as General Schofield's position would preclude his leaving the country at this time, and General Howard suffers severely in the remnant of his arm, his old battle wounds are giving him much trouble, and besides his general health has not been good.

Genl O. O. Howard,  
My most kind friend;  
It has been some time since I  
have written to you - owing to a  
long spell of sickness with myself  
and family, consisting of a dear wife  
and five little ones, namely Elizabeth  
wife, Ellen Eliza Clopatra 12 years  
Wm Thos. Elijah 10 years, Hester Annie  
Maria 8, Verner Beatrice 4 years,  
and Daisie Louisa 2 years of age,  
but I thank God I am that I am  
in health, as I am recovering  
very fast at present and shall  
soon be able to teach again. I  
was taken down last Aug. and  
my dear wife and children about  
4 months ago. Dear Genl, I am  
very sorry of being so troublesome  
but what shall I do in this life  
without a resort to friends?

The Lord says ask and it shall be given &c. I am aware that you have been very kind to me and I have tried hard to show my appreciation for past kindnesses, through your dear hands and efforts; though I much ask another favor of you as I am terribly in need at present as to clothes for myself and dear ones at present; and though probably you or some of your friends might have something in the way of second handed to spare me as I am even without means of obtaining proper food at times but for kind friends in this section, namely Mr. L. H. Lee Magistrate and others. I truly owe all my present and future life as a teacher to you. I never shall forget the old Elie School in Washington Cor. of 9th and Vernon Ave. the first time I saw you

after the first battle of Bull's Run when you remarked that God had great work for me to do in this life, and I truly feel that have done a little of your prediction &c. Dear Lord if there is any way you can assist me please do it this once for the Master's sake and not mine as I certainly feel to be His servant, to do His bidings when I am able to do so in season and out of season I truly believe the Lord will ever bless you according to Scripture writings, Matt 23<sup>rd</sup>, 40 Vers &c. Dear Lord I truly hate to beg, but I have often heard it said it was better to beg than to steal &c.

If you can not do anything yourself please <sup>seek</sup> some of your friends in my behalf this once as to helping me in the real time of need, especially to clothing of any kind.
