Dear Uncle Otis:-

I receive a very nice magazine every month, which I have reason to think, comes from you, and for which I wish to express my thanks.

I enjoy it very much.

Otis is at present in Denver on business. He is much worried, as are we all, over Father Howard's illness. We

have not heard any-
thing for some days,
but hope for the best.

Please do not think
we have forgotten
our obligations to you.
They are ever present
in our minds, and
as soon as circum-
stances will permit,
you shall be repaid.
Our debt of gratitude
for your kindness,
we can never repay.

I hope you are all
well this winter,
and happy.
With kindest re-
gards to all the
members of your
family, I remain
your aff. niece,
Helen Walton Howard.

Dear General Howard:

In reply to your letter of yesterday, I do not know what is the real foundation for the report from Chicago that General Miles had received maps of Chili, &c. None have been sent him from the War Department, and no particular attention has yet been given to that subject here. As soon as that becomes desirable, I will of course see that copies of such maps and other information as we have shall be sent to you.

I had not seen the report printed on the Pacific Coast, to which you refer, and had taken it for granted that you were still in the possession of your usual health and vigor, ready for whatever service may be required. I am glad to know from your own pen that such is the case. We are all well here.

Sincerely yours,

Major General O. O. Howard,

Mon cher père,

Quand cette lettre
vous atteindra, Mamma sera
partie de New York.

Nous sommes prêts d'aller
la chercher à Amers avant
le six Février. Nous quitterons
Terreux le 3 ou 4 Février
et resterons cette nuit à
Paris afin de prendre un
train de Paris à 8.15 du matin
qui arrivera à Amers à 4
heures du soir, environs.

Nous avons eu beaucoup de
distraction en Terreux.

est livré et la plus grande
était ~~cette~~ le ball à la
Préfecture hier soir.

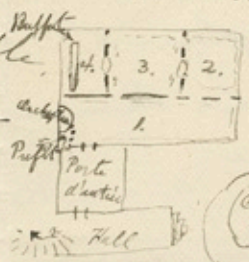

Bessie et moi ^{nous} avions reçu
une invitation avec la
famille de M. Chauvet.

Après beaucoup de préparations
pendant quelques semaines
la nuit est arrivée et
nous arrivâmes chez M. le
Préfet à dix heures et demie.

Nous ~~avons~~ ^{sommes} descendus dans un des salons
grande lecture tout ensemble.

En arrivant les garçons ont
pris nos ~~affaires~~ ^{affaires}, par-dessus
etc. et nous ont donné un

papier avec un numéro
imprimé la-dessus ;
Après cela nous sommes
entrés dans la première
grande salon et nous avons
serré la main du Préfet
et salué M. & Mme Costofe,
qui étaient près de la porte
d'entrée. Nous avons trouvé
les quatre salons plein
de monde, autant que l'on
ne pourrait quire d'entrer.

Quand nous sommes
arrivés les salons
se sont trouvés pleins
d'une foule mais à

Mama nous portons très bien
et le temps fait moins
froid à présent qui est
tant mieux pour moi parce
que je me sens de froid
beaucoup, mais j'en ai pas
été malade une minute.

Je vous attends de me dire
quel arrangements ^{que} vous
avez faits à l'égard de nos
finances pendant le voyage
avec Mamma tout l'été.

La famille ^{de Chaumont} veut ~~que~~ que je vous
donne ~~ses~~ amitiés.

Bonne nuit moi nous nous

quelques fois une somme
de 4500 francs, et second,
que les dames (mariées) aiment
la danse trop et prennent
la part ^{dans le monde} qui appartient
seulement aux jeunes filles.
Nous avons pu regarder
la société française, petites
soirées, grandes soirées ^{ici} et
un ball. J'espère que
notre république ne se réduira
pas dans la morale comme
la France. Un fait curieux
avait lieu au ball, tous les
officiers de la cavalerie y sont
allés dans une groupe sans
leurs dames. Ils ont restés

un peu de temps et puis
ont parti. On m'a dit
~~à cause~~ parce que le ball
était une affaire ^{républicaine}
et les officiers de la cavalerie
sont du parti royaliste.
Tant pis pour les officiers

Nous nous sommes couchés
à 5.30 ce matin et je me suis
levé à 11 heures et Bessie à
midi. Bessie a sommeil et
se repose dans la chaise
du bateau pendant que je
vous écris. Nous allons
à une soirée le 29 Vendredi
prochain chez Madame Leholat,
et voilà tout.

Bessie a reçu ce matin
une bonne lettre de Mlle
Bancroft qui avec sa mère
est à présent à Menton
près de Nice. Elle dit,
que le midi est charmant
et qu'elle ira à Rome
le milieu du Février pour
voir le carnaval.

Nous espérons que nous
pourrons y aller avec Mamma

Nous nous sentons tristes pour
vous parce que vous êtes
tout seule, mais nous désirons
avoir un voyage agréable

My dear Stephen & Alice

Enclosed find letter

which explains itself, I have never kept up any acquaintance with William McKee's family, but know you have, and I wish you would write to him, and his family, about Carrie. I feel very badly about Alice but suppose it is the only thing that can be done for her. I think Carrie is a good deal broken over this trouble. Carrie & Alice were here through the holidays but Alice seems feeble. My friends you might have in Philadelphia that you would feel worn & tired for Carrie wish

you would give her an introduction
Lizzie has had "Grip" and has not
been out of the house for four
weeks, she is better, but not able
to be out yet, I have so far escaped,
this winter, I believe quite after
from Olive, were it not for her,
I should not know, I had no relatives,
I have not heard from Sarah for
a long time, but hope she ^{is} ~~is~~
is still improving, I was dear
little Martha was very ill, but is
now quite well, We are having the
wonderful weather for eight years, and
as I look out and see the snow,
and the sleighs, it reminds me
of my New England home,
Doct Ballard is just getting over
"Grip" I suppose you hear good
news of all your absent ones
This letter is to Lizzie as well
as yourself, I do not know of

Dear Mother.

It is highly probable that
in another week Alice and I may
go to Phil. for three months - We
can not see chance to an acquaintance
for that time - and we shall probably
go - Have written to en about getting a
room in the Hospital - and if you
could send Rosie to Mrs Siddalls
for Mrs Doyls address - I shall
also write to Mrs R. Morrison for the
Lippincotts address - so that I may
know some one there - It shows too out
of a house for three months - but even
better than closing the house & paying
high rent - Alice throat muscles
are so tense and strained she can
not get her head up - and I think
Dr Norton will put her in bed for the
"next case" - but of course do not
know - What I shall do for three long

months I do not know - Dr Crauth
thinks she is not strong enough to be
moved yet - but we think by getting
her through sleep we can take her -
Mr G. will probably go on with us -
Please send Mrs Boyd's address at once -
and any ones else you think of - in case
I should need a friend -

If we decide to rent the house - I shall
be very busy for the next week - so shall
not write often - Alice knows nothing
of our plans - I shall wait to hear from
Dr Merhan & the lady with whom I boarded -
but I think we shall get off by middle
or last of next week - Hope you are
all better -

Affately -
Carrie -

Wednesday Morning -

Nothing to interest you to write
about, the 21st of Dec was the
fiftieth anniversary of my marriage
I cannot realize it, and time never
went as swiftly as it does now,
from one week to another I cannot
realize it, I know I am getting
very forgetful, excepting that, I cannot
realize that I have just my seventieth
birthday, Poor Carrie I feel anxious
for her, for she does not seem
as strong as she used to, and Mr
Ashley will be so lonely to have
them away, but he is a brave
good man, he is has been in
our family twenty years and a better
man never lived, you know I
have been with them seven years
of that time Lizzie joins me in
love to you all

Dear Gen. Howard:--

We have been trying to arrange with the newspapers for a pretty full report of the speeches delivered at our Anniversary Exercises next Sunday. We find that we can do very much better for ourselves and do more justice to the speakers by securing abstracts in advance. The papers will then set them up before Sunday, and what they have set up they will pretty surely print, so that we need not be the victims on Monday of a pressure of other news matter or belated reports of the address from the reporters. We have decided, therefore, on consultation with the editors, to select two or three speakers from each district from whom we will solicit abstracts of what they will probably say. You are one of this number. Could you let us have such an abstract by Friday night or Saturday morning of this week? I have the less hesitancy in asking this favor as it may be your custom to write out such an abstract in the course of preparation. If you would like to have your manuscript back again for reference before

I have been trying to arrange with the news-

papers for a copy of the report of the speeches delivered at our

meeting on Sunday, and was glad to hear that you had

been successful in your efforts and so much pleased to hear that you

would be able to furnish me with a copy of the report. The papers will then contain up

to date, and you have got up that with your supply

of other news matter or related reports of the address from the

report. We have decided, therefore, an association with the

report to be sent to the other speakers and each retained from

the report will be sent to you. I will probably be able to

send you a copy of this number. Could you let us have one of the

report of the meeting of this week? I have the

report of the meeting of this week as it may be sent to you

with our best regards to the committee in preparation. If you

Sunday, I will see that it is returned to you some time on Saturday. If it would be a convenience to you we will send a stenographer to you at such a time as you may suggest, who will take down what you have to say. While we do not want to burden you with the necessity of writing out all your speech, we would be glad to have as much as you find it convenient to give us, especially those portions of the address which will be most helpful to the Association.
