My dear Cousin Otis

I have just learned through the news papers of Cousin Rowland’s death, and wish to convey to you my sympathy. Father will undoubtedly write you a line when he hears of it, but he is at present in Southern California where he had to go for his health, which was very uncertain.

My dear Bert Howard,

I was unable to get down to the Camp Memorial Church on Sunday afternoon.

You have heard from Mr. Kneale that Mr. Borden takes a $500. share. That virtually secures the entire amount.
As I assume responsibility for the rest, I wish to take the time that I stated in my last letter, however, as I desire to get other help so that I will not have to pay it all.

Mr. Huntington has promised me to send you a check. If you do not hear from him by the middle...

Dear General Howard:

I regret exceedingly to tell you that your son's name which had been sent to the Senate for transfer to the Cavalry, has been withdrawn for reconsideration. It is said that his transfer to the Cavalry is in opposition to a rule of the Department regarding the young gentlemen recently appointed from civil life. I assure you General, I am very sorry to be the medium of what I fear to you will be unpleasant intelligence.

Maj. Gen. O.O. Howard,
Governor's Island, N.Y.

My Dear Sir:—

We have just been put in a position to pay a small amount, less than $500, on claims against the estate of S. A. Kean & Co. Most of it we have expended in the payment of small but very pressing claims of needy persons. The amount was not large enough to cover any one of the larger claims that you are interested in, and I do not remember whether you own the claim of Harry S. Howard or not. I am of the impression that you said you did. At any rate, I enclose our check for $262.68, a payment of the same, the amount of the claim being $750.50, and as I am not able to find his acceptance I enclose a blank one, which I trust you will have executed by him, or by the owner of his claim. There is no immediate prospect of anything further; but I still believe that you will receive 35% on all your claims some of these days.

Yours very respectfully,

Franklin W. Gans

This only leaves your one large claim $3,000, does it not?
