a beautiful drive with  
delightful views of the bay.  
We haven't fallen in love with

Your letter of 2<sup>d</sup> Inst. is before me. Our Cong<sup>l</sup> Club is sorry not to be allowed to hope for your appearing before them at their June meeting; and as our "years" make haste, Mr. B. and myself were hopeful of greeting you once more in our home. Your letter of the  
25th ult. (requesting information  
about a man of this command  
by the name of McQuinn)  
came duly to hand.

I at once sent for Private  
George McQuinn, F. Co. who  
informed me that he was  
the man.

He also informs me  
that about a year ago he  
met with an accident.

lost his ankle, while on  
duty at Fort Douglas N. M.

He is now however able  
to do duty as cook, and  
has been detailed as cook  
for Company "E" (Infantry)

having been in service  
thirteen (13) years and for (24)  
months. he could have  
been discharged, but he  
wishes to be discharged, on

2  
Certificate of Disability. as soon  
as he is able to work at his  
Trade. - His request will be  
granted.

His commanding Commander  
informs me that before he  
met with the accident  
he was much better and  
stronger to exert, but since  
that time he has regained  
since he has been at  
this Post, he has not been  
under the influence of liquor  
and is earning his money.

I am of the opinion that  
his service in the Army.  
has improved his morals.  
and he will be discharged  
a better man than  
he was, when he enlisted.

We are all well and

Dear General:

In his memoirs, Vol. 2, p. 86, Sherman said of Hooker: "I am told that he says that Thomas and I were jealous of him; but this is hardly probable, for we on the spot did not rate his fighting qualities as high as he did, and I am, moreover, convinced that both he and General Butterfield went to the rear for personal reasons."

This is written in connection with Hooker's supposed desire to succeed Mc Pherson.

My Dear General:-

I understand that you are to be present at a number of Chautauquas on Grand Army Days during the coming season.

Do you know that I am now Supt. of the most delightful Chautauqua Assembly in this country? Mountain Lake Park, <sup>nd</sup> on the peaks of the Alleghanies, on the line of the B. & O. R. R. A day or two in this mountain air would give you a new lease on life. Our Grand Army Day is Aug. 23rd. Can't you be present with us? I can give you transportation on the B. & O. Ry. from and to any point desired. Will furnish you with handsome entertainment, and give you any fair compensation you may desire. We have but little money; are poor, but exceedingly respectable. I know you would enjoy the place exceedingly.

Miss Petersen informs me there is some doubt about your being present on the 17<sup>th</sup> at the memorial service. I trust you can arrange to be with us on that occasion, as it will add greatly to its interest.

The 17<sup>th</sup> was named by Mr. Morden as a convenient date for him, and we also understood you were to be here by that time. If it be possible, I hope you will so modify your plans as to be present.

Most sincerely yours,
