Dear Gen. Howard,

We have  
our Bethany Sewing  
School anniversary  
on Monday evig. April  
25<sup>th</sup>, at Bethany Church.

Dr. Taylor has always  
been our inspiration,  
in hearing the Scripture  
texts & presenting the  
Bible. I am sure  
he (with us) would be  
more than delighted  
to have you present

the Bibles in his place. Perhaps twelve girls will have earned them by Bible study.

It would be very pleasant, too, if you would speak to the school for ten minutes.

Choose your own subject, certainly; but if you wish me suggested how would this do. "How girls may help the boys."

The girls have brothers & friends, you know.

Please pay no attention to that suggestion, but one will arise.

The audience will consist of about 200 girls, from five to fourteen years, their mothers, & some other members of the family, perhaps.

Some of our churches will be present, and a few come over from the Tabernacle church.

Nothing more earnestly that I shall ever say soon that you could be with us, Yours with great esteem, Mary A. Lane.

Silliman Hall, Clinton, N. Y. Apr 18 1892.

Gen. J. Q. Howard.

My dear Sir -

To be sure  
I write you today as  
a stranger - I should  
deem it an honor  
to know you better -  
sometime. It was my  
good fortune to listen  
to you three years  
ago at Watertown at  
the State Convention  
of the Y. M. C. A. - And  
with all those who  
were present I suffered  
disappointment  
that you were un-  
able to be with us in

3 4 5 6 7 8  
Autumn this year -  
But as to the pur-  
pose of this letter -  
It is the custom  
of our young men's  
Christian Association  
- Conducted in con-  
nection with the College  
- to hold an Anniver-  
sary Service - on the  
Sunday evening of  
commencement week  
each year.

This service is held  
in the "Stone" Church -  
of the town. - Program  
about as follows.

Music in Charge of  
College Choir. - A brief  
statement of the year's  
work by the President  
of the Association - to  
be followed by an ad.

Address delivered by some  
one from abroad.

Among the speakers  
of other years have  
been. Dr. Herrick Johnson  
Dr. A. J. Pearson. Prof.  
Riggs & Acburn. and  
Dr. Silliman & Cohors.

At the urgent re-  
quest of all interested  
I write to ask if you  
will consent to deliver  
such an address for  
us this year.

The date of the meeting  
will be Sunday even-  
ing June 26<sup>th</sup>.

The audience will  
consist - beside the  
college students - of  
from 500 to 700 - possibly  
more - of the town's peo-  
ple and those interested

in the exercises of the  
week. You will probably  
remember that ours  
is one of the few College  
Associations having a  
building. Our expenses  
are therefore a little  
heavy. And we cannot  
offer much in the  
way of financial in-  
dependence. We would  
of course bear all ex-  
pense - You have no  
doubt grown used to  
doing labor of love.

You will I think -  
receive a letter also  
from Dr. North - a high-  
ly esteemed <sup>member</sup> of our  
faculty - at present  
acting President of  
the College.

I cannot express

3531

1700  
21  
So strongly my hope-  
that you may return  
us a favorable reply.

We appreciate we  
are asking a good  
deal - for your life is  
a busy one. But for  
just that reason  
your words - to bright-  
active - ardent - young  
men - on the threshold  
of a career that shall  
work either good or  
evil - will come with  
all the more force.

I will you kindly re-  
ply at your very earl-  
iest convenience.

DEAR SIR: Yours of the 11th is received. I have read the extracts you refer to from Col. Shepard's paper, and have no hesitation in saying that he does not represent the feeling of Republicans, but only his own. Five or six years ago - four of the Jackson Ventilating grates were set in Genl Schofield's quarters on Governor's Island. One in the office and the others in other rooms.

Since then we have sent them to a number of Posts in various parts of the Union and in every case great satisfaction has been expressed concerning their work. Enclosed are extracts from Capt. Hyde's & Capt. Cork's letters.

Frankly, our desire is to get our grates more generally used by the War Department. We can only do this by having the evidence of those who have had the grates in use, as to what they accomplish in heating & ventilating.

Genl. O. O. Howard -  
Governor's Island  
New York.

Dear General;

Knowing that you were  
a good friend of my Father, I  
write to ask a favor of you in  
behalf of my younger brother  
Raynolds Barnum. My Father the  
late Maj. Genl. Henry A. Barnum of  
New York, was very anxious to have  
my brother go to West Point and I  
am trying to get an appointment  
for him. It is my idea to write  
a letter like the enclosed to the  
President and make application  
for the appointment. Then to support  
this application and give weight to  
it I am trying to get letters from  
Father's prominent friends to the Pres-  
ident requesting him to make <sup>the</sup> ap-  
pointment.

So General my request of you is  
that if willing you write such a  
letter for me and send it to me  
that I may place all the letters  
that I get in the hands of Genl. A. A.  
McCook, Secy of the Senate in Washington.  
He has consented to lay them before  
the President and endeavor to obtain  
the appointment. I have written  
for letters from Hon. C. M. Depew,  
Genl. B. Bloem, Siddle, Butterfield, Porter  
Couse and McMahon and Senators  
Maudslow and Proctor. I have  
received some letters and I have  
the encouragement of many that  
this effort ought to succeed and  
it will if a sufficient number of  
friends can be enlisted to support  
it. I have learned that the  
President will have three appoint-  
ments to make for June 1893 and  
I am sure that no young man will  
get one who will appreciate it more  
or make better use of it than my  
brother will. As you know these

2  
appointments are frequently made  
a year in advance so I want to  
make my application about June  
20, not hoping that first to come  
may be first to be served.

Hoping that I may receive your  
kindly support in this matter

I remain

Very Respectfully

Dear Sir:

I am a writer for various newspapers and periodicals. I should like to prepare an article on Governors Island and for that purpose would like permission to take a series of photographs there. If I can have such permission may I also be further informed as to the best time of finding any drills in progress.

Yours truly
