My dear General,

I have received a letter from Capt. Dilger informing me that steps have been taken by Genl. Palmer of Illinois, now a U. S. Senator, to obtain from the President for one of Dilgers sons an appointment for West Point. It strikes me that in consideration of the splendid services rendered by Capt. Dilger in the war, for which he never received the well-deserved reward in the way of promotion, the appointment of his son would be eminently fitting. He asks me in his letter whether I thought you would interest yourself in the matter and might be induced to address a recommendation to the President. I replied that I could hardly doubt it, knowing how

Highly you think of Dilger and his services,  
and that I would at once write to you  
about it.

Will you be so kind as to let me know  
what you feel you can do in a case like  
this?

Very truly yours

My dear General

There is a little matter I wish to call your attention to before returning, and that is in regard to the new house being constructed here; I have always understood the house was for Lt. Wolthepson, a whomsoever might have the Indians in charge, and I presume that was your intention; Now, it appears that Capt. Romain intends to take the house when completed, and I think it would be well to have the house assigned from your H<sup>on</sup>. Sec. as the "Executive" Officer in charge of

Indians. The house will not be  
completed for some time, but I want  
to tell you in time. My Russell is  
expected daily. St. Croix has been pushed  
the well. Everything here is in good  
class order. Indians very well contented  
and doing well; they dress fully as well  
as the Whites.

Dear General,

As soon as  
we reached Paris we hunted  
the address of Mr. A. A. Anderson  
& sent a letter there to Mrs.

reply - we hoped till we  
left that we might still

Mamma is very well for her -  
getting plump; teeth relapse as I haven't  
known her to do in years -

Dear Sir & Comrade

I write you in behalf of Standard

We  
are to hold a public meeting  
in our Town Hall on the evening  
of May 30<sup>th</sup> and I as chairman  
of the committee of arrangements  
have been trying to secure a  
speaker to deliver an address and  
I have failed. I have written to

Genl Sickers and he cannot  
come I have also written to several  
others and they all have some  
engagement and I am about  
discouraged.

I write to ask if you  
can help us and if you cannot  
come can you send us somebody  
who can talk well.

We want to  
start a movement to form a

Dear General,

You will be glad to know that Mrs U. is out again though she has suffered much, & that I am in "statu quo".

As Buck evidently does not think your religious article is just the thing for his purposes, I would not have you press it upon him any more; & would have you content with knowing that the moral support you are lending it has given me — a much needed support — far more than compensates

me, whether it be published or  
not.

Go right on then, dear  
General, & let B. have those  
mexican papers at once;  
& make him pay well  
for them as he can well  
afford to. I should like to  
read them myself.

One thing more, & of some  
importance. I have from the  
Library Hilliard's Book, just  
out - & it is at your service.  
He was a leading M.C from  
Georgia while Taylor was Pres<sup>t</sup>  
& has two Chapters about that  
time & him which you ought  
to see before you print.

Do come to us Sunday if you  
can, or before,

In haste,

Gratifully & Truly Yours,
