General G.O. Howard, U.S.A.,
Commanding Division of the East,
Governor’s Island.

We thank you most cordially for your courtesy in helping on our request for two Gatling Guns. Could we ask another favor by inviting you to review our little battalion at the Twenty Second Regiment Armory, June 15th, at 8 O’clock? It would be a pleasant remembrance in after days to have our boys pass in review before one so high in the military service, and to meet with our kindly encouragement. Expecting your answer,

we remain yours very sincerely,

C.C. Healy, S.J., Principal.

To May G. O. Orona,

My Dear Miss,

How my boys and girls — 600 boys — would enjoy having you with them on Children’s Sunday, Sunday after next, June 12th!

Will it be possible for you to spend that day in our East Orange paradise.
and give the younger a 15+ minute talk? Am I wrong about any of this? Would appreciate your input on this. I am

My Dear Sir:

We are in communication with one Major Hunt of New York City, who now represents our interests here. He is under the impression to forward as a representative of this Company. He also has obtained an order to the above named property, and with this order he has been given to call upon you at your convenience and to look into the matter. He has been authorized to make any arrangements he may think proper. He is a man of respectability and would be considered a reliable agent. My dear Gen. Howard:

Permit me to present to you Mrs. L. M. Stansbury, an niece of mine who lives in Denver and is on here to find a little rest. She is looking at New York, and wants to take in Governor's Island. If you can by speaking a word enable her to get a more complete view of things, I shall esteem it a personal favor.

Dear General:

At Francis Xavier's College I have made application which I understand has been approved by the Secretary of War, to borrow the two Gatling guns that you kindly loaned to the Columbia Institute. I telegraphed Flagg today and have got a reply from Capt. Flagg, which I enclose. They want to use the guns at the college within a few days at their annual exhibition. Will you kindly send word to Rev. Father Fink, P.F. Francis Xavier's College 34 West 15th Street whether he can have the guns or not?

Very sincerely yours

I hope you will not think me very facetious, when I tell you, that it will be necessary to change the date of my marriage to the twenty-fourth of August. Mr. Waters.
I come in to say that Mamma and Champ are all well.
If the suit is not settled, we will need to address it.
