Dear General Howard -

I have just returned  
from my "honey moon" -  
and found Florida very  
cold indeed - and plenty  
of snow in Richmond  
and Savannah.

allow me to thank  
you heartily for coming  
all the way from  
your island home to  
Brooklyn to attend my  
wedding - a kindness  
which we can never  
forget.

you for it - or

My Dear General;-

For 1892 the American Tract Society has paid Mr. John Jaeger a salary of \$60 a month. His friends in the John Street Noon-day Prayer Meeting raising for the Society toward this salary \$30 a month. The gentleman who has had the matter in charge for the Prayer Meeting reports that he is not able to carry out this scheme for the year 1893, and it has been suggested that at the Noon-day Prayer Meeting next Monday, February 6th, the matter be spoken of and so get a sufficient number of persons to give their names to Mr. Jaeger with a pledge of an amount to be paid to him monthly for the year 1893, hoping thereby to secure \$30 a month at least and Mr. Jaeger will collect these sums himself from the parties. Rev A. C. Frissell, our Dist. Sec., will be present at the meeting and the friends of the enterprise greatly desire that you may be present and say a word in behalf of this movement. If the \$30 a month can be pledged again for 1893 I am sure the Tract Society will make up the balance of the \$60 per month for another year. John, as you know, has done a splendid work and we are anxious to continue him in the service. If it is not possible for you to be present, could you not write a note to the meeting, addressed to Mr. E. G. Selchow, 390 Broadway, City.

PHILADELPHIA February 1st, 189<sup>3</sup>.

My Dear Sir:-

I have taken the liberty of mailing to your address a copy of BLUE AND GRAY. You will see from the interviews with the President and prominent Northern and Southern Generals, as well as Northern and Southern Senators and Representatives, how kindly the sentiment expressed in BLUE AND GRAY has been received and endorsed by them.

If you deem it a move in the right direction, which I am sure you will, to foster fraternity and kindly feeling between the old soldiers of the North and South and their descendants, you can assist me, I assure you, my dear sir, by a letter of approbation, no matter how brief, which you will allow me to use. You have, of course, a large number of friends who regard your opinion in such matters with a great deal of respect. Such a kindly expression of opinion from you would tend to influence many others, thus aiding in what we believe is a patriotic work.

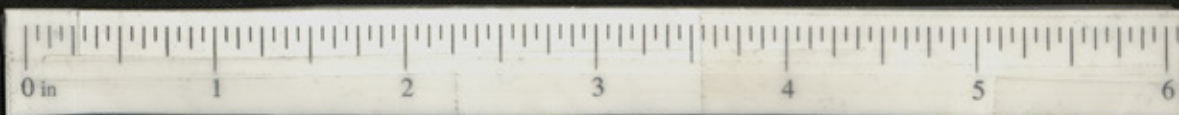

It being impossible for us to send a reporter to all of the prominent gentlemen, North and South, to hold an interview with them, I take this means of seeking to facilitate the gathering of the desired endorsements and opinions from such as we are unable to reach.

Thanking you in advance for your attention, I am

I was sorry not to have been with you, when you called upon Mr. William Blakie, to see his U.S. Grant letters, but I was unavoidably detained. Dear Father:

Newark, N. J., <sup>Feb.</sup> Feb. 3, 1893.

Enclosed in proposition from J. M. Chambers, a friend of mine whom I consider perfectly trustworthy.

I offered ~~him~~ \$10<sup>00</sup> for the two lots, but had to write several letters to a lady in Milwaukee, Mrs. Mathews Secy. of an institute for the aged & received no replies. The deceased Mrs. Montgomery willed all her property (or at least these lots) to this institution. Mrs. Mathews has probably referred the matter to Mr. Chambers. If he procures the deed it will be properly executed. He made the abstracts for me. The lots are, I believe, #42 and #43 in Block (8) Eight. Harry has a snap.

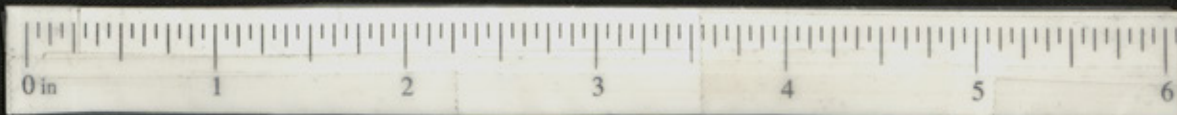

I think you better buy these, but would not advise sending the money to Chambers until deeds are acceptable. His suggestion is proper but instead of sending money to a bank I would send to some one <sup>caring for</sup> ~~looking after~~ Guy's interests a check to the order of J. M. Chambers. Thus the Aunt. would not have to leave your bank until all was satisfactory. A flaw in the deed would be a cloud on the title of the whole 35 acres as soon as it is converted into a trust.

affly, Chambers.

Dear Sir,

When I was secretary of the Boston Y. M. C. A. I had the pleasure of inviting you to deliver an address at the Association Anniversary at Music Hall. You will remember that you were entertained by Dr. Webb.

I am now Corresponding Secretary of the New York City Baptist Mission Society. I have organized ten (10) Companies of a Baptist Boys' Brigade, of New York City, and have three (3) Co's. forming toward a second Regiment. I enclose a constitution and other documents.

Our Regiment will have its 1st parade on Washington's Birthday, We shall have a patriotic meeting in the Calvary Baptist Church, 57th St., bet. 6th and 7th Aves., followed by a Regimental dinner.

There is no man in the United States who can do this particular cause so much good, as you, by giving an offhand talk to the boys on Washington's Birthday, Wed. Feb. 22nd 1893, at 11 A. M. at the Calvary Baptist Church.

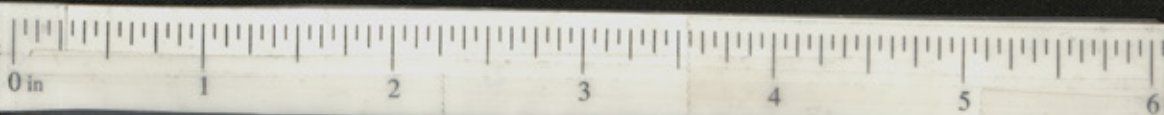

My brother was wounded as well as you, in the battle of Fair Oaks, Through him I came to respect and love you as a Christian soldier at that time. I earnestly hope that your duties will permit you to accept this invitation. If you cannot be present at the public meeting can you speak to the boys at the Regimental dinner from 1 to 2 o'clock?

You are very well aware of the intense religious conservatism of New York City, and your endorsement of this movement will be of immense assistance.

The copy of the general principles which I enclose is a sufficient proof of the practical Christian character of the movement,

M. at the Calvary Baptist Church.

My brother was wounded as well as you, in the battle of Fair Oaks. Through him I came to respect and love you as a Christian soldier at the front. I hope that your children will grow up to do as you did. If you can do so, I am sure that you will be a great blessing to the world. I am sure that your children will be of great service to the world. I am sure that your children will be of great service to the world.

The copy of the General Principles which I enclose is a sufficient proof of the practical Christian character of the movement.

Yours Very Truly,  
M. E. Deane, Gen. Sec'y.

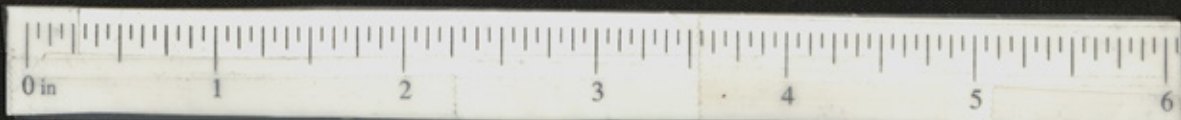

us at a beautiful little  
spot called Lyboan Lake  
near Paola on the Orange  
Belt "Railway" as they  
say down there. Now the  
favor is this. Will you  
write a note endorsing  
our work and commend-  
ing Mrs Field and her co-  
workers, myself included,  
to the Governor and say  
something about its being  
a mistake to allow so  
great a work as we have  
been doing to be stopped  
by the warden of the Prison.

My dear Mentor.

This is to

ask you a great favor  
and to say "Good bye" be-  
fore going South and  
to tell you if any of the  
family happens to go  
to Florida while I am  
there, he or she - one & all  
will be invited to come to see

If you could see the report of the former  
chaplain who was there until this year  
& whom we did not consider a very spirit-  
ual man - you would be surprised to learn  
his good opinion of us & our work. Our new  
Assemblyman Mr. Rider of Sing Sing is  
going to escort us to the Governor on Wed-  
nesday of this week and if we could take  
your letter with us, we believe it would have  
great weight. The Superintendent Mr. Lathrop  
is said to be "no good" as they say he is in with  
the warden and anything sent to him would  
be of no avail, so we are told we must not  
go near him. Please forgive <sup>me</sup> for writing this  
long explanation and believe me to be

Very sincerely & gratefully  
Your friend
