Major-General Howard

Dear Sir

In this weeks Christian I see  
and read an article, which pleased  
me much, and from this quarter  
of the world I write to say that  
that I served in Mexico under  
Generals Taylor & Scott 1845-6  
and 1847 as a volunteer from  
New Orleans <sup>as</sup> First, duty, Sergeant  
Orderly, Sergeant and First Lieutenant  
I joined the Regular service at the  
Island of Mackinaw in 1845 Company  
I, Capt Martin Scott. But was discharged  
on act of being a minor. Capt Scott  
allowed me to go with the troops  
to New Orleans, General Taylor sent  
for six Regiment of Tennessee Volunteers  
for six months service which proved

to be a mistake before we got  
well on the way the time was  
up. I went out again under General  
Scott from New Orleans, our head  
quarters in the ship ordnance got  
wrecked. So that our Regiment  
which had been concentrated on Sabine  
Island, had to return and Garrison  
Tampac Co. 87 of my Company went out  
from Orleans 27 old hands returned  
in 1847. My Capt name under Taylor was  
Capt William Wallace Stewart  
Company C Sixth R I My Capt name  
under Scott, Leguine, Comd &  
Russey. My name stands as  
Edward S Brown in the Army  
But my name is Edward Brown  
Spence I very foolishly did this  
to keep my people from knowing  
where I was

2 I have proved over & over again  
that what we saw that shall we  
keep. My Brother came out  
to New Orleans to look for me  
and he was drowned in the  
Mississippi River in passing from  
Ship to the Tay boats, I got married  
in Washington 1850 five children  
were born in America then  
I returned to England 1860 this  
is most wonderful. I would have been  
in that dreadful struggle which  
we watched with bated breath  
I have been over 16 times to  
America, my son sick left is  
home at the age of 11 years. For  
six weeks we did not know where  
he was. He turned up in Baltimore  
I went out at a cost of £50 to bring  
him back but could not find

him. I returned home without  
seeing him. A letter from Mr  
Lewis then how clear's then in

put away my sin. But that does  
not prevent me weeping what I have  
I weel. My esperance as a Christian  
is a strength on. I wrote to the Pension  
Bureau, W. D. I but I never received  
any reply. do not forget me

Dear General Howard:

Your very kind and generous letter, with an enclosure of \$5.00, came to me last evening. I am ashamed to trouble any friend so far. I have written to my mother that as soon as Congress adjourns, and I know that my pension is not increased, I will go to the house in Monterey Mass and live there. The tenant's lease expires in April. My aunt Mrs Cooper of Frankford Philadelphia is willing to join me.

I may be able to establish a school for girls there. The house is large; fourteen rooms, and bath room. The bank at Great Barrington is weary of the mortgage because the buildings are in very poor repair, and rapidly deteriorating for the need of paint etc. The mortgage is \$1000 I know that you must believe that I

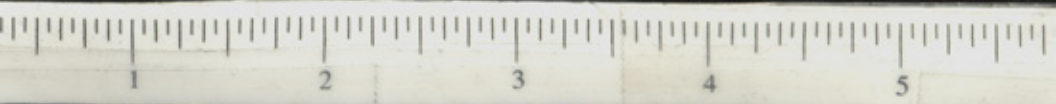

try to  
hardly  
see  
have a  
for five  
three weeks.

never have allowed it to be mortgaged  
my own need, but only to please my  
poor sister's mistaken judgment. She is now  
dead, from the consumption.

My uncle, my father's brother, who lives  
in New York City, would help me, I think,  
if he could, but the money is almost  
entirely his wife's, and not his own.

Within the past six months I have proved to  
my own satisfaction that I can earn my  
living in a not uncreditable way, anywhere  
in the world, if I can only have my health.  
That is so infirm that I am always getting  
into difficulties and worrying all my  
relations and friends. The only thing for  
me to do is to go to my home. I have  
no right to keep every one distressed and  
disturbed while I am ill. Therefore, unless  
my pension can be increased, and  
from all that I hear, nothing but a  
great miracle can compass such a  
result, I must go. The winter has

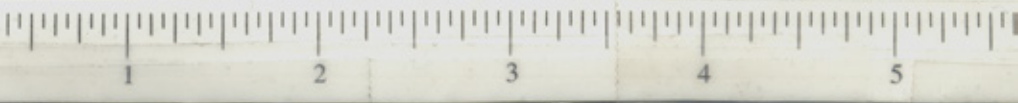

trying me. It is still  
heavily. The ground has not  
once dry, for two months.  
I have a constant cough and have  
lost five pounds within the last  
three weeks.

If General McCook had been as kind  
as you, my pecunia might have passed.  
It is impossible for me to make him  
believe that I am ill, because he does  
not wish to believe it. He knows that  
he might have saved Sandy for me, if  
he had wished, and I have told him  
so. I enclose a letter from the  
Pickles that came yesterday.

Thanking you with all my heart, I am  
very respectfully and truly  
Faithfully

Personal

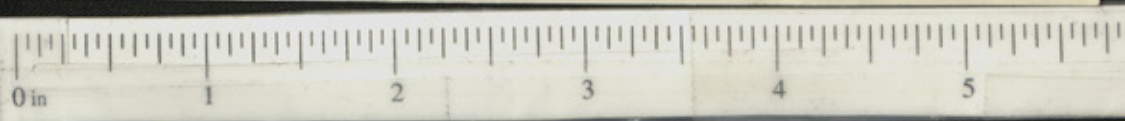

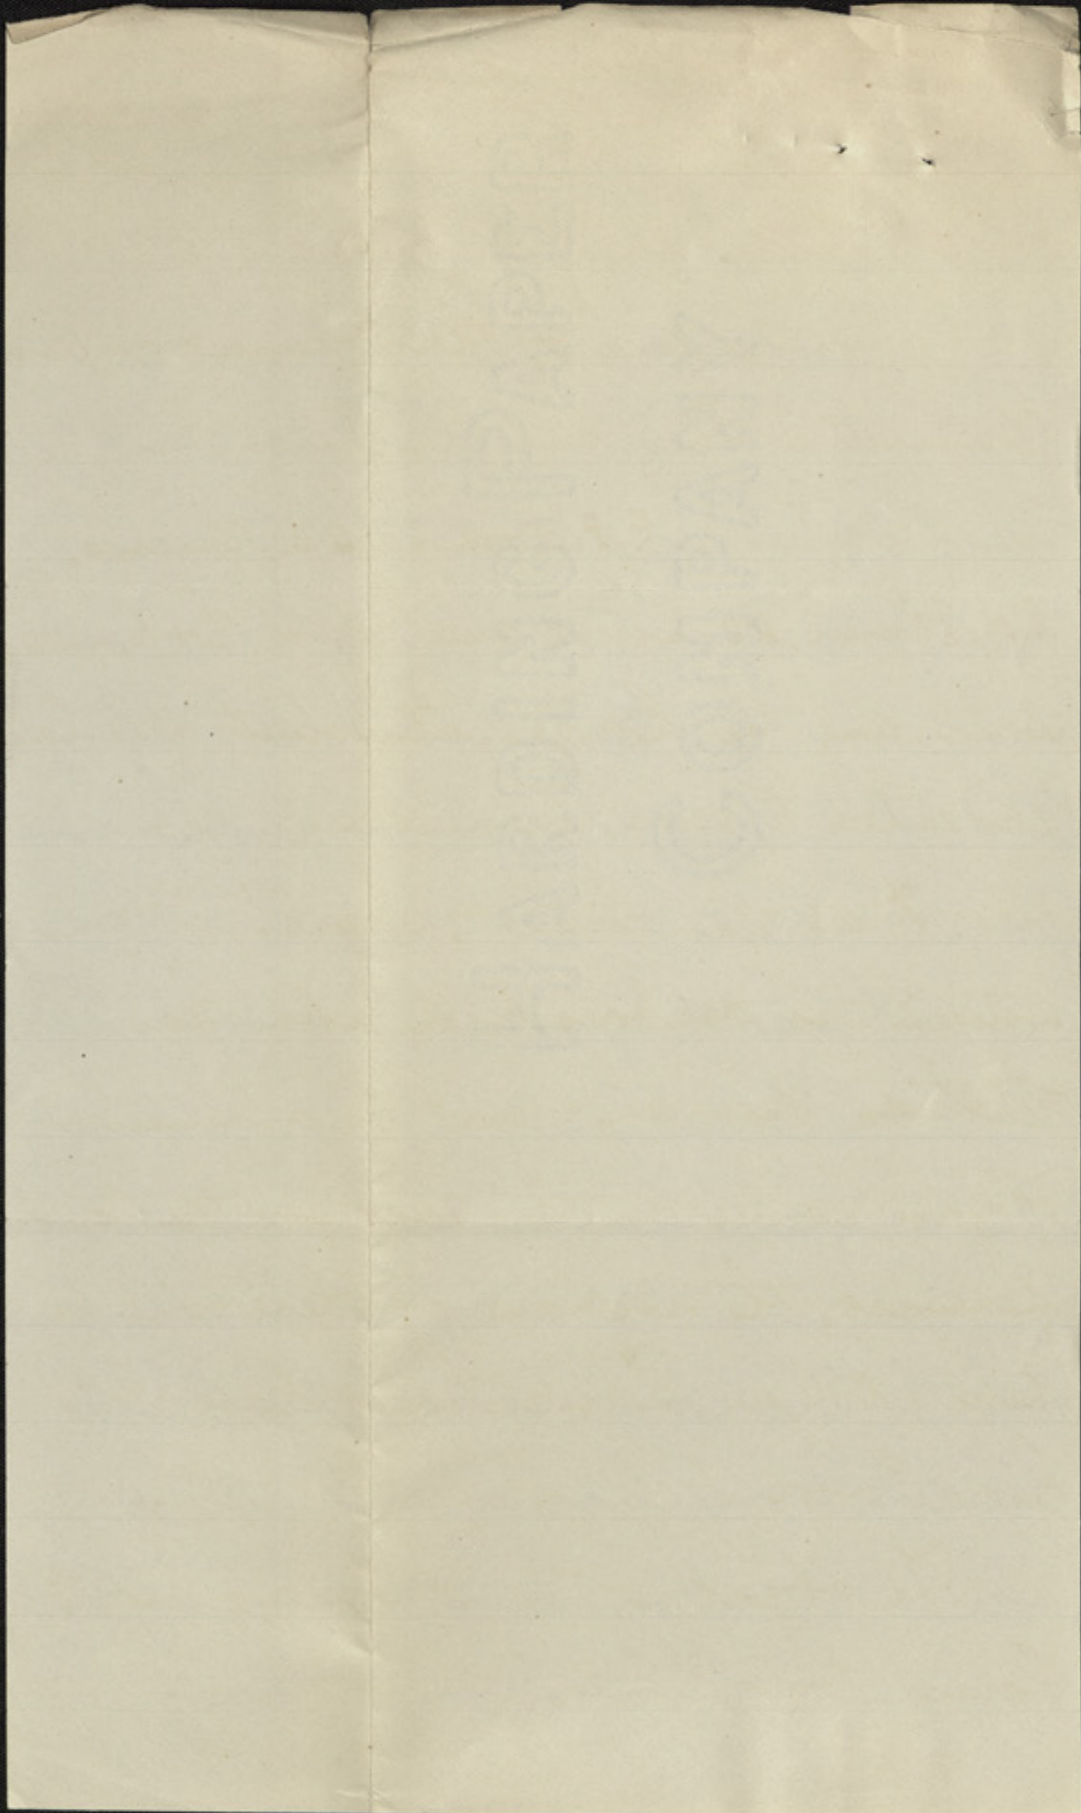

Maj. Gen'l O. O. Howard:

My Dear Bro.:

For the past five years I have conducted the Interdenominational Sea Side Bible Conference. Last Aug. we met in Educational Hall, Asbury Park, N. J. More than 3,000 persons were present - quite 500 of whom were clergymen. It was the greatest and best Bible Conference ever held upon this continent. The previous Conferences were called over my signature. After conferring with the Teachers of last year, I have decided to organize a Committee of about 70 representative men, of the different denominations. Already 2/1

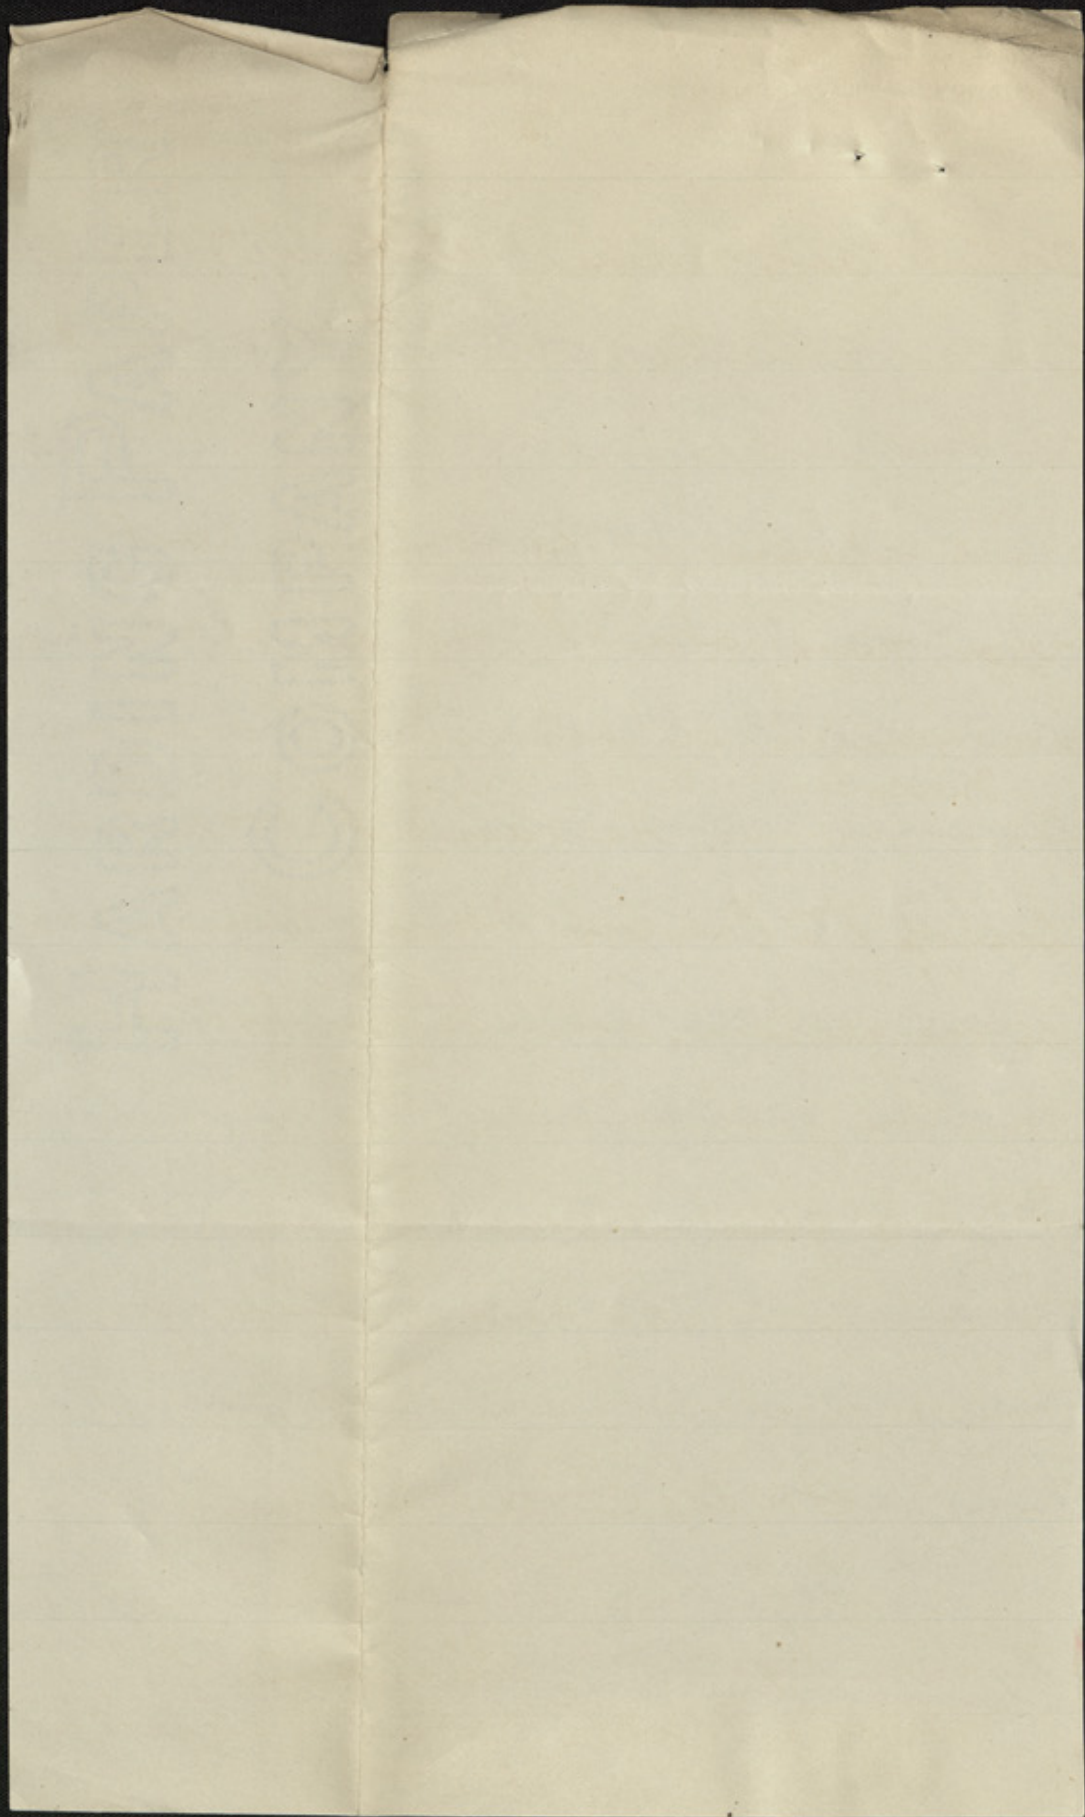

Prof's & Pastors have responded to my re-  
quest for the use of their names on said  
Committee. They are all first class in  
every respect. E. P. Goodwin, D. D., Chicago,  
A. H. Plumb, D. D., Boston and Joseph Cook, L. L. D.,  
Boston, are the Congregationalists who have  
consented to serve. I want your name  
also. Will you give it, please? It will  
entail no responsibility upon you  
whatever. I simply want the influence  
of your name on the call for the Con-  
ference, the next one of which will be  
held (D. V.) in Educational Hall, As-  
bury Park, N. J., Aug. 11<sup>th</sup> - 21<sup>st</sup>, 1893.

The object of the Conference is to  
honor God's Word by promoting a

critical and reverent study of the same.  
Our one contention is - that the Bible is  
the Word of God.

The expenses of the Conference last  
year were about \$700<sup>00</sup>, all of which  
was raised by passing the baskets in  
<sup>I never have rec'd one cent. for my labors.</sup>  
three sessions. We raised \$1,000<sup>00</sup> for  
Bishop <sup>Wm</sup> Taylor's African Mission work  
in one session, after he had told us  
some things about it, in ten minutes.  
It is a great chance for doing very  
great good. So please, Gen'l, grant  
my request.

In the Sweetest Name,

L. A. Marshall.

On Monday evening, March 13th, we shall have a public meeting in one of our largest churches, at which we will have at least 500 boys.

We will give you a grand Christian welcome.

We will furnish a carriage to and from the ferry landing for you.

Dear General Howard

My dear wife whom you had  
many conversations with has gone to be with  
the Saviour she loved and served.

She was a great sufferer for about two  
years, she had great inconvenience, but the  
Lord mercifully spared her from much  
bodily pain until the last night before she died  
and during the whole of those two years  
she was wonderfully helped. Christ was  
very precious to her she was continually  
speaking of dwelling in the secret place of the  
Most High and abiding under the shadow  
of his wings. She became more and more  
lovely, with grace she seemed full of  
Christ. As she lay on her sofa she spoke  
so earnestly to all who called. God you know  
who were undecided to still be.

she told them of the love of God in reconciling  
the world unto himself and of Hell being  
made sin for us. She had the power  
of the Spirit so much with her that skepticism,  
enmity and doubt alike gave way before  
it and proud self-righteous young men would  
with tears streaming down their faces  
submit and receive the gospel.

Then during the last year she has  
had much wonderful & providential  
correspondence - for example a young  
man now at Zurich in Switzerland  
wrote her a long letter and told her  
that when several years ago he  
lived in Elberfeld he had been introduced  
to her and she had spoken to him  
repeatedly of the Saviour from guilt  
and sin. That now he felt himself  
all wrong. He could not speak to  
anyone about it. Every one thought

him very pious, but he knew he was  
full of sin against God. He had consulted  
many eminent and learned men but he found  
they knew nothing about it. He had thought  
of the Bible, but learned men had  
found that a great part of it was  
false. He was in great mental trouble  
and begged my wife to write to him.  
Two or three letters passed, he appeared to  
be getting nearer the light. My wife advised  
him to go and spend his time at Mr  
Zeller of Mannheimdorf. Since then  
Mr Zeller came to Zurich to preach  
one Sunday. He was so full but he  
managed to get in. His text was "Have  
ye received the Holy Ghost?" He wished  
to speak to him after the service but  
there were so many others wishing to do so  
that he could not, but he writes full of  
joy. "I have found the Lord Jesus."

Letters are continually arriving  
for and about his speaking of the  
great blessing. The writers have received  
from his words. - One of these is from  
yours old acquaintance Dr Meyer  
We have now a thoroughly

Leeds, Feby. 10, 1893 -

My dear General:

You said  
to me last summer that  
I might copy your brother's  
historical address at my  
leisure.

I hope you will not think  
that my long delay was  
because I took license from  
your kind remark.

It has been owing in part  
that I have been kept busy by  
my work, and perhaps more  
because I rather dreaded  
a task that seemed almost  
if not quite a sacred one.

But to-day I said "I will." -  
In a manner it is done.  
Was aware that it was not  
a specimen of my power

penmanship that you wanted, but a fairly legible copy of your brother's labor of love for his old friends in Leeds.

I have enjoyed "going over" the "address" anew, as I have in copying, and to note once more that kind spirit, which he always manifested, as he calls up and gracefully sets in array those who had lived with him and before him in his native town.

I need not say that I feel honored as, for the time being I act as a sort of messenger between you and him. I thank God for what Hee has enabled you to do for our Country, but I am more profoundly stirred

by the fact that Hee has given you the power to trust Heim and a spirit to acknowledge Heim-at home and abroad - on land and on sea.

And I want to say dear General, that my clearest, most satisfying, and most constant remembrance of you is, and will be, as of your brother Rowland, that in your daily life you have manifested the character of a Christian.

Respectfully yrs.
