Dear Brother:

It looks like a beautiful day for you to

delightful recollections of our

pleasant visit with you.

Last at St. Augustine & at

have so much of Harvey.

I found Dallwitz's letter

should come started with you.
But one can write directly

to him.

I will look out for some-thing for you to do in Chi-

letter copied from an excellent
account, with Mr. Deme + the

My dear General,

I beg to acknowledge receipt of your esteemed favour written from Oakside, Fla., inviting me to join you in a trip to Gettysburg, after the Grant dinner at Philadelphia on 27th inst. I thank you sincerely for the invitation, and would be delighted to make the trip with you, if circumstances would warrant. It is next thing to impossible for me to make any engagements for any length of time ahead and, besides, I am somewhat peculiarly situated in a family way just at this time. There is to be a wedding in the family of my brother-in-law, in Cincinnati on 25th instant, which Mrs. Smith feels especially desirous to attend. I might, however, in that event get back from Cincinnati in time to join you, if Gettysburg should be no earlier than 28th, but with the wedding event, there is also another and a sadder event before us. A sister-in-law is lying on her death bed at our Hotel in Baltimore, and it is impossible to tell when she may be called home; it may be in three

My dear General,

I have to communicate to you the following:

I am writing from October, the 1st, to inform you of the fact that we have received a letter from the President of the Railroad Company stating that they are ready to cooperate in any way to assist us in our work. They have also informed us that they are willing to supply us with the necessary materials.

I am quite satisfied that this will be of great help to us in our efforts to conserve the lands.

I am writing to you to inquire whether you have received a copy of the letter from the President. If you have not, please let me know, and I will send you a copy.

I will be pleased to receive any information you may have in regard to this matter.

Hoping you have had a pleasant and salutary trip in the South,

My Dear Professor:

I very heartily second the application of my friend, Prof. N.A. Shaw for the selling pens.

Prof. Shaw is an able teacher and a useful citizen and his school is an important one. I am deeply interested in his success and will esteem it a personal favor if you will grant this application and kindly exert such influence as will prevent delay in the
War Dept at Washington.

I have been in Texas most of the time since I last saw you, but hope to meet you at next biennial meeting of the Building Soc. if not sooner at Camp Memorial K.B.

Mrs. Colcord invites with me in warm regards.

Gen. O.O. Howard
Jersey City, April 15, 1893.

Major General O. G. Howard,
Rosemore Island,

My dear Sir:—I have under my pastoral care a religio-military company of boys and young men, organized under the constitution of the Boy’s Brigade, and numbering now 72 men. They meet on one evening of the week, and hold a religious meeting on another. They are pledged by their membership not to use tobacco nor intoxicating liquors, nor profane and vulgar language. They are enthusiastic in their work, have improved greatly in it in every way, and are sufficiently
uniformed to present a fine appearance.

This is my habit to have them attend a Sabbath evening service from time to time in a body, when I make an address especially for them. My object in writing this note is to ask if you will not honor and delight both the Company and the Church by consenting to make this address before them some time this Spring. This is not necessary today, but what a privilege to do so! We esteem it, how great a benefit it would be to them and how much they would prize the remembrance of it. I trust that you will feel

do occasion to be an attractive opportunity of doing good. And, unless your convenience would require a different date, might I suggest the evening of the last Sabbath in May or the first in June.

Knowing earnestly that you may be favorable, I remain

very respectfully yours,

Charles Kers
Mint of the United States at Philadelphia, Pa.,
SUPERINTENDENT'S OFFICE,
April 15th 1893.

Gen. O. O. Howard,
Governors Island, New York.

General:—

Learning that you are preparing a life of Queen Isabella of Spain, and are probably the best informed person in regard to her history, and that you have in your possession a number of portraits of the Queen, I respectfully ask that you will permit the Engraver of this Mint to examine the same with a view of obtaining a correct likeness to be placed upon the Souvenir Quarter Dollar, authorized by Congress for the lady managers of the World's Columbian Exposition. It is very essential that we should obtain the best information on the subject that we can. If not trespassing upon your generosity too much, the object to be obtained would be very much better secured if you could send these portraits to the Mint by express, at our cost, for examination. We would be very careful of them and return same at an early day. The Director of the Mint writes that he will be here on Tuesday next for the purpose of examining any portraits or likenesses that we may have at that time. It would be a very great accommodation to have what you could send by that time.
O.O.H. No. 2, 4/15/93.

Inasmuch as the government has decided to issue this coinage, we are exceedingly anxious to do all that we can to make it creditable and this must be my excuse for intruding upon you in the matter.

Very respectfully yours,

I am sure sorry enough to miss the call of Mrs. Howard and yourself; and so I want you please say so to the good woman who makes your life happy. May I trouble you to put your name on the list of names inside the enclosed envelope for the mail—this list is a near Christian boy—the joy of his mother and he has a passion (almost) for autographs. I am quite sure you have not forgotten that you were once a boy—both have to the household. I am

General O. O. Howard

Dear Sir:

We are doing all in our power just now to quicken the interest in our general association work but especially the religious work, and we are persuaded that your presence here for a single Sunday could be used by the Master in doing a mighty work; and I have been asked by our religious work committee to write to you and ask you if you could set a date, some Sunday during April or May, when you could come to Binghamton and address our Men's Camp Meeting, coming in time on Saturday, if possible, for us to have a reception for you on Saturday evening.

Trust you will deeply consider this matter and come to our city if you possibly can.

We shall, of course, be very glad to do anything in our power to remember you for your effort.

Awaiting your early reply.

Mon très cher General !
Je ne suis bien heureuse de recevoir une lettre émouvante par votre chère main. Vous m'avez écrit tout de suite l'autre jour de Bremen de même vous m'avez déjà remerci de l'argent une fois. Je vous suis très reconnaissante, que vous vouliez me permettre de le déposer peu à peu, parce que mes enfants ont grand besoin cette année et je n'ai vu que petite somme de mes parents. C'était aussi la
raisons, pourquoi il me fallait encore rester à Göttingen, les moyens pour le voyage me manqueraient. Même que je puisse vous envoyer, veloce, me parait que je le paye aux temps différents.

Mon cœur est très lourd et je suis bien triste. Mon mari à New York aurait la fièvre typhoïde ainsi que pneumonie, il est encore faible et il nous faudrait lui envoyer beaucoup d'argent pour le docteur et ses soins. On ne l'a pas transporté à l'Isle.

Je me suis réjouie d'apprendre que vous allez bien, pourrais-je vous rappeler de m'envoyer votre photographie ? C'est l'homme promis. Faites mes compliments à Edite et Nancy, ainsi qu'à Albert, lui et Tamy. Maman nous fait dire bien des choses aussi.

À votre femme et vos enfants, en vous assurant de mon amour et de mon respect, je resterai votre amie vivrière,
