Dear General Howard.

I am willing to wait for definite reply for your engagement for our Assembly for a few weeks.

I have only this in the way, we are one of the smaller assemblies, with not financial ability enough to pay \$100 & expenses. I could not offer more than \$50. & expenses.

Wish I could. I'm sorry to say we are not able, but must tell the truth. If you would feel that you could come for that amount I shall be very glad and grateful.

I await your reply.

Yours Truly,

Dear Genl Howard.

Yours of June 2^d stating that you have booked June 18. for us in New-Haven, is at hand, and makes me glad. We shall welcome you, and give you good houses, for both services.

I desire you to speak in the a.m. regarding Home Miss. work, and draw from our people a large offering for the cause.

In the evening, speak on whatever subject you have at heart - possibly "Personal Repre-
sents - in Army and Religious Life" - How does that strike you? We will take a collection in the evening for your work.

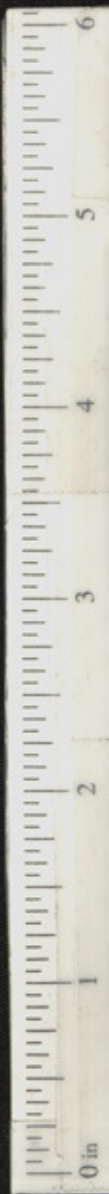

Please let me know definitely your evening subject, as I wish to advertise you.

Bring the good Lord with you.

Please send early answers to yours

Dear Sir:--

A party of perhaps 35 or 40, principally ladies are desirous of visiting the island on next Saturday afternoon, and I have been requested to ask for a pass, and obtain such information concerning the Island that you may feel inclined to give us, to enable us to more fully appreciate what we see, and better enjoy the visit.

I understand there is a museum on the Island but my informant was not sure at what times it was open. Naturally we would like very much to see it, and if you will let me know what hours it is open, we will try and time our visit that we may be able to see it.

Our present intention is to go over on the boat leaving the Battery at 1.45 P.M.

The party is to be composed of members of the All Souls Club,, connected with the Universalist Church of that name, of Brooklyn.

An early answer will be appreciated .

Very respectfully,

My dear General Howard:

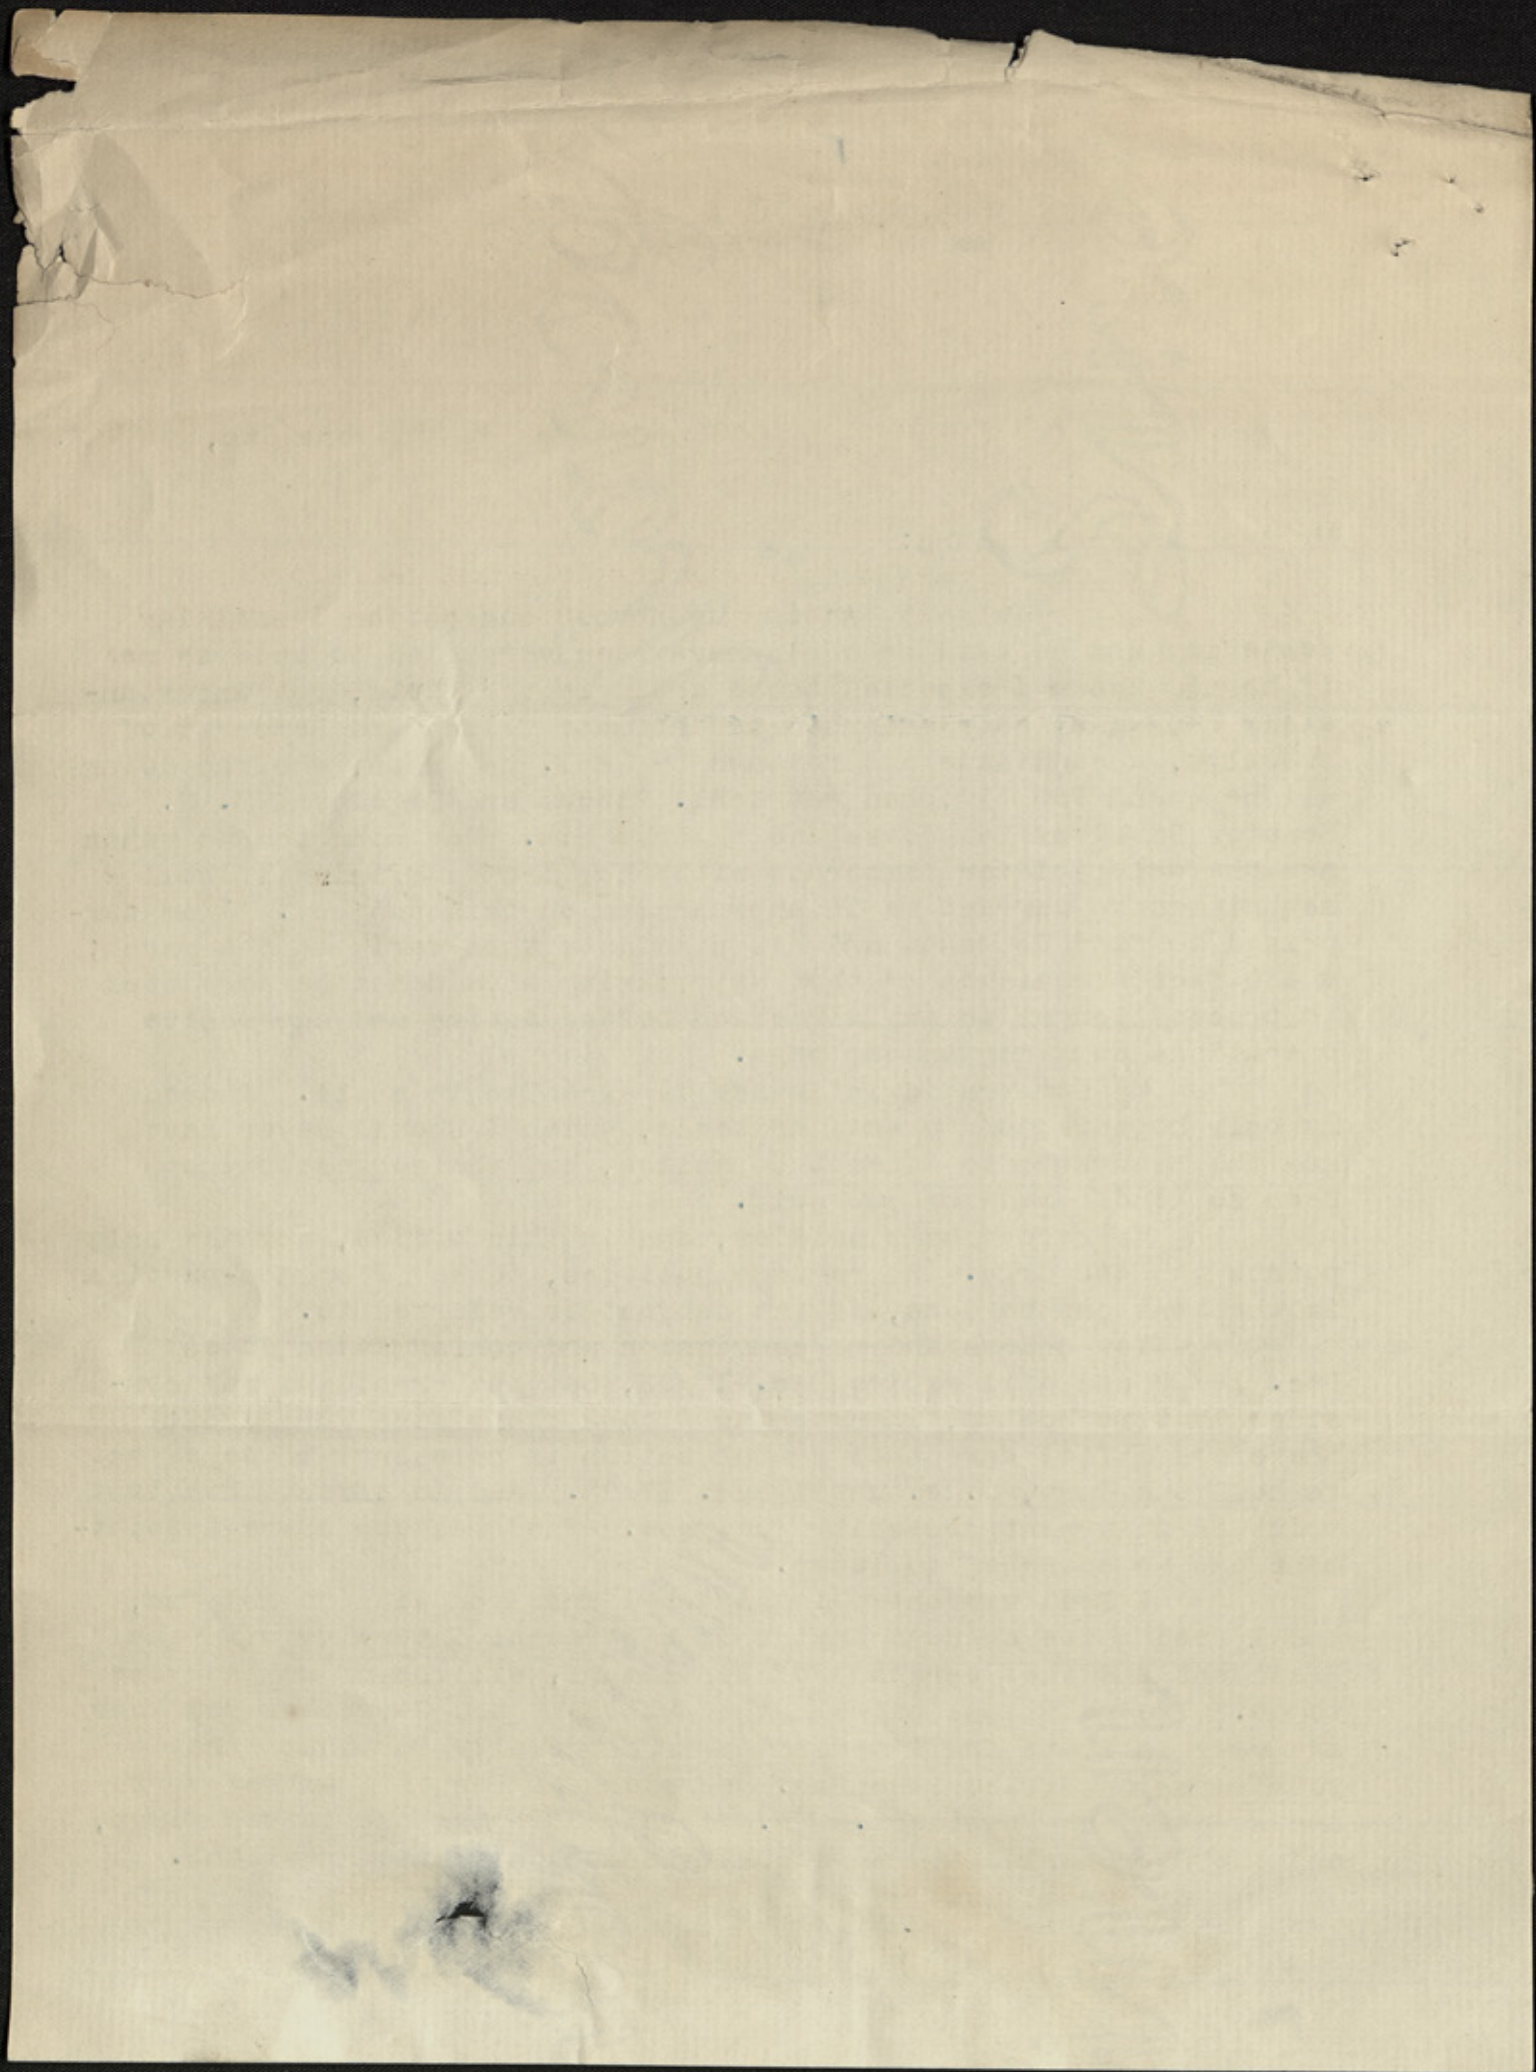

Acting upon your suggestion I saw King yesterday and he said he would have been very glad to endorse me if he had known I expected to be again in the field, but unfortunately he had already endorsed an intimate friend and Democrat of Brooklyn, a candidate put forward by Genl. Mc Mahon, who was doing all he could for him; had got Genl. Slocum and Sigel and U. S. Senator Smith of New Jersey to endorse him. Now King and Mc Mahon are the only soldier Democrats with whom I am sufficiently well acquainted to warrant me in approaching on this subject. I am surprised to find Mc Mahon and his candidate thus early on the march; which fact admonishes me that skirmishing should not be permitted to proceed longer in any direction before active and aggressive operations commence on our part.

My Democratic influence is exceedingly small. Indeed my only hope is your great influence, which I should never have had the assurance to attempt to enlist, had the suggestion not been so kindly made by yourself.

My record as a soldier, and in this office, are the only points you can urge. As regards politics, to say I am non-partisan is the best can be done, if the subject is referred to.

You understand my commission and confirmation dates Dec. 16/89 and will expire Dec. 17/93, but the President may consider my time now up, inasmuch as I took the office June 1/89; therefore I feel sure that prompt action is necessary if we expect to hold the Fort, i. e. until Dec. 17/93. And to effect this last point is of urgent necessity just now. The question of re-appointment can be attended to later.

I feel warranted in saying I know you wish to help me, and I feel quite as sure that only a personal interview with the President and the Secretary of War Lamont, will be of any service to me. The relations between the President and Secretary you know are very intimate and I regard it as especially fortunate that your superior Officer the Hon. Secretary of War is from New York and so near the President. Mr. Cleveland is the one to see first, and the Secretary later to second the motion the President.
