ASHLEY FRANK Mrs

July 5th 1893.

Washington City. D.C.  
July 5<sup>th</sup> 1893.

Major Howard.

Dear Sir.

I write to beg of you for  
my husband Frank  
Ashley discharge from  
the Army who is now  
out Fort McPherson  
Ga. Dear Sir he is my  
only support and he  
cannot support me  
in the Army. I have been  
working very hard to  
help to get him out. But  
now I am in deep poor  
health and I can not

work. the Dr<sup>s</sup> says if he  
is not discharge that I  
will be in great danger  
when it is time for  
me to be sick. So Dear  
Sir I ask you for the  
child's sake and mine  
to discharge him. I  
would not have bread  
to go in my mouth  
if it wasnt for the  
help of my family.  
He can get work as  
soon as he is discharge  
I worry so much the  
Dr<sup>s</sup> saye he is afraid  
with my sick <sup>spells</sup> that  
I will have brain  
fever which will go  
very hard with me  
as I am not strong  
So dear Sir please

discharge him so I will  
have a good home and  
plenty to eat.

Please answer this  
soon as possible  
And I hope and pray  
that you will grant  
me the favor.

Yours Respy  
Mrs Frank Ashley

My Dear General Howard,

Dr Mackay  
inform me today "Each specimen  
so far shows trace of the  
Abneman, and another one  
will be required from you"

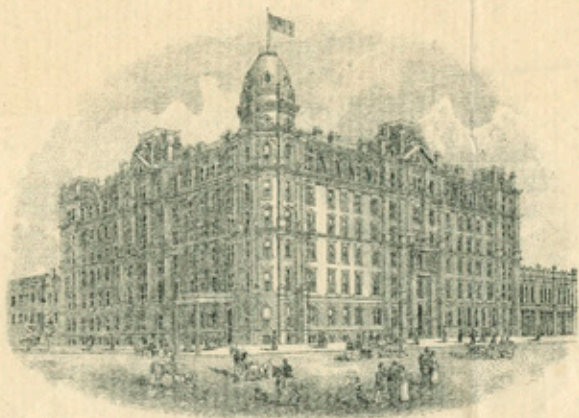

He has suggested that  
if you will come over  
here to see him some  
afternoon before  
when it is a fair day  
and you are  
all right with

he would like to have you  
pass a sample in his  
presence, and he will  
at once examine it  
before you, and explain  
to you in regard to it."

500 I deeply regret  
the necessity and delay  
in supplying in all  
the medical conditions,  
but otherwise it is all  
correct, and under the  
microscope it is right.

It may be wise if  
you desire to have Maj  
Koff make a test for you,  
My best morning urine  
is the best for vaccination.

Very truly yours

Dear General Howard -

We give a luncheon party  
to the Admiral & officers of the  
Russian fleet at Clagside on  
Monday. Mrs Brewster does not  
go outside of our country neighbors  
with invitations which had to be  
sent out at short notice. The

only exceptions are the Mayor of New  
York & Gen. Howard Comd<sup>g</sup> troops & staff  
with their wives - The Admiral pres in  
uniform & takes a review which Col.  
Aust pres him at West Point after.  
I hope you may be able to come with  
your staff & the ladies - The 11.20  
N.Y. Central Train takes you up in time  
& 4 P. M. brings you back. Or you  
can go in the boat which takes only  
gentlemen - I will put you as to boat  
or send you rail transportation if you  
kindly let me know how many -  
Boat probably leaves 8.30 with Crew 22  
St. Monday Am.

Thanks for  
your prompt-reply. I will  
report to Extension Center at  
once, and try and secure  
a meeting of the directors.  
I think a meeting can  
be had early next week  
if not this week and I  
will communicate their

is a chance that they  
will wish to engage you

Under cover of the official letter I take this opportunity of addressing you. As a member of the 2<sup>nd</sup> U.S. Infantry I had the honor of serving under your command at the time of your service in the Dept. of Columbia, with Hd-Quarters at Vancouver W.T. Of course as an enlisted man I could not visit you socially, but many a time, while I was at Vancouver Barracks from Dec. 1879 to March 1880, I was tempted to commit a breach of discipline, and invade your quarters and talk with you about the war times.
