Dear Father,

Dr. Puckett's trunk
came all right, and
Jennie sent them
to his address. He came
to Jennie's; exhibit
and we sent the
trunks to him the
same night.

Father went into
camp at the Fair
yesterday. I am glad

he got the detail, as he had set
his heart on it.

He talks a good deal about his
marriage and the crockery, furniture
sewing machine etc that he
will have to buy. It is quite amus-
ing to see him so interested in
household affairs.

We are all well. I am so glad
the time of our stay here is half
over. I am counting the days till
we get back East. It is too horrible
here in Chicago!

When are you coming? Uncle
Enos says that the other day, you would
be here by the 28th of September, that
is still a good while off.
Fannie has gone to the Fair. Helene
just rides her bicycle on the side
walk in front of the house. She
sends a kiss to Annetta. With love

WAR DEPARTMENT,
ADJUTANT GENERAL'S OFFICE,
WASHINGTON.

Aug. 9. 1898.

My dear General.

I am now getting my
papers together for the suc-
cession. I am glad to say
that they are very strong and
all from people of influ-
ence. They speak of me
in such terms of commen-
dation that I almost blush
when I read them. I have
not only the prominent
officers living, but Grant, Sheri-

dan, McClellan and Cook
of those who have gone before
us. I am sorry that I have
not ^{kept} one from Hooker in his
life time. I destroyed almost
all the papers coming to me.

I would be obliged to
you, if you would now send
me for file with my pa-
pers, to be presented at the
proper time, your recom-
mendation addressed to the
Secretary of War for my
appointment as Adj-
-

Genl Sherman upon the active merit of Genl
William, setting forth your long knowledge
of me, and my service with you, when
I was Adj. Chief of Staff for General M.
McClellan, in the Army of the Potomac, and
happily as you do it send. The Army Reg.
shows that I was made Adj. of my reg. in
10th 1861 and continued as such through
winter and adj. sent in 1861. I have

11 a.m. when the mail is forthcoming but if not
to go to 11:30 when I am to meet you in my study

Major General O.O. Howard

Dear General

I received your message
and deeming it important to yourself as
well as Company's interests I wired Mr
Peterson that you and self would call at
his factory School Lunch & then Residence
@ about 2 p.m. and return not later than
noon requesting a telegraphic reply not
later than 10 a.m. the morning
up to 6 p.m. I have no reply which is probably
caused by Mr Peterson being away from factory
I stated in my dispatch of next week sent
him better the visit could be deferred
you seem to underrate the importance of Mr
Peterson He is not only a man after your
own heart but of great influence and
warm and strong in his friendships you
was to have met him a year ago I
have no personal axe to grind in the premises
as I have enjoyed his confidence and trade
for 15 years past but I think with your
indirect assistance he can benefit our
Company considerably and the sooner the better

Governor's Island, N. Y.

Dear Sir:-

When the writer called on you Monday you referred to a new book, of which we understand you are the author, entitled "The Christian Hero." We have thought since then that probably arrangements could be made through which we could sell it for you by subscription. We believe that by changing the title a little and pushing the work vigorously this fall a large sale could be effected. We should be glad to hear from you in regard to the matter.

If you have thought of any one else in connection with the history of the Congregational Church, we should be glad to have you make any further suggestions that you think will be of value to us.

Very respectfully,

General:-

While temporarily in the City, I have been solicited to start a garrison of the "Regular Army & Navy Union." It will be composed largely of men who are well-to-do, and in civil life.

It is our practice, never to start a garrison near a military post without acquainting the commander with the facts and to ask his approval, and with this object in view, it will afford our order a great pleasure to send a delegation to your head-quarters at such time and place as you may direct.

Dear General

I have been to Bank to renew
loan Col McAnerny The President wants to
cut it down again \$500 and interest, which
as the former loan will go out of my life
in Bank and which I cannot afford

While I have endorsed the Companies paper with
my individual name and gave the Mortgage to
me as collateral yet I am not able to
to have this cut made now even if it must
go by default Monday when it is due

The President pleads the Directors as the wicked
partners who insist on his being general
and like all corporations and governments
say never mind the previous good record
what is it now etc I think if you will
see him either with or without me Saturday before
12 1/2 p.m he will relent and renew the note
for sixty days I told him you gave me
a month salary not long ago to help us along
He is an ex Confederate Georgian and a general

Dear General

I have been to look to some
of the things the President wants to
do. It seems again \$500 was interest, which
as the former loan was so out of my eye
in bank and which I must offer
While I have enclosed to you some paper with
my in historical name and give to the people
one or two others yet I am not able to
to have this and make you even if it were
to be default Monday when it is the
the President heard the Director as to matters
but he who is in his being
and this all organization and government
and never mind the President good record
about it now it I think if you will
see him with a million the interest of
1/2 p.m. he will return and even the out
for six days I have been for you
I am not sure but you to help in doing
