Genl. O. O. Howard,

My dear Sir:—

The subject of mission work, especially in the tenement house quarter, is of great interest to me. I should appreciate an opportunity to have a talk with you concerning your work and will esteem it a favor if you will let me know when and where it will best suit your convenience to have me call. There are certain phases of our League work that I should like to bring to your attention, for I am sure that they will supplement in an admirable manner the kind of work you are doing.

Awaiting your reply, I am,

Very sincerely yours,

The experiments of this season confirm the successful results of previous years of the benefits of the use of the sugar cane in the cultivation of the country.

The sugar cane has been cultivated in this country for at least 10 years, and has been found to be a profitable crop. The yield of sugar has been steadily increasing, and the produce is now sold at a high price. The sugar cane is now the most valuable crop in the country, and is grown extensively.

The cultivation of the sugar cane is now carried on in all parts of the country, and is becoming more and more popular. The sugar cane is a hardy plant, and is able to withstand the rigors of the climate. The sugar cane is also a profitable crop, and is grown extensively.

An Appeal For Aid From the Session of the Caldwell Presbyterian Church.

Caldwell, Ohio, August 1, 1893.

At a called session of the Elders and Trustees of the Presbyterian Church of Caldwell, Ohio, immediately after the cyclone of yesterday which destroyed their Church, they resolved at once to make an effort to re-build the Church, and appeal to Christian men and women of all denominations everywhere for help in their time of need. This paper is sent forth in pursuance of that action. Without a Pastor at present, the officers are compelled to put it in this form.

Our Church was a handsome and commodious brick structure, the finest in the town, built when times were easier, and when the congregation was very much stronger financially than now. It cost fully $7,000, exclusive of furniture, lamps, organ, &c.—all now made a total wreck and ruin by the terrible cyclone of yesterday which instantly scattered it all to the four winds.

We dare not appeal to the generosity and benevolence of the public until we first made an effort amongst ourselves and our liberal neighbors, to raise all the money we can on the spot here. This we have earnestly done and yet the amount raised is far short of the fourth that is needed to re-place our beautiful church. After we have done all we can, we come to YOU, and beg you in the name of the Lord and His holy cause, to help this weak church, in its sore hour of need. We feel confident that we shall not make the appeal in vain. The money contributed will go into the hands of an honored member of the session.

Cyrus McGlashan, Esq., (Elder) Press Office, Caldwell, Ohio, who alone is authorized to receive funds for this sacred purpose. We ask that all editors who receive this appeal may give it further circulation by re-publishing it in their papers, with such comment as it may seem to deserve.

We are homeless as a congregation and whatever is done should be done speedily. That we may re-build before winter returns.

We most earnestly request all Ministers of the Gospel everywhere to read this appeal to their congregations the next Sabbath after they receive it. We shall be thankful for the smallest contributions as well as the largest, and make prompt acknowledgment of all. The widow's mite will receive a blessing.

Our congregation numbers 58, and our Sabbath School 75 scholars and 12 teachers. The County Commissioners have kindly tendered us the use of the Court room for the use of the Sabbath School, and the Baptist brethren, with like Christian sympathy and courtesy, have given us the use of their church for our Thursday evening prayer meetings and other services. Most of our people are poor and able to give but little toward the re-building of the church, but all are doing what they can. Yet it will be all in vain unless the Lord touch the hearts of our brethren in Christ and move them to lend the helping hand to this church. By order of Session.

Major General O. Howard,  
Governor's Island, N. Y. City.

Dear Sir:

It is proposed by the friends of Dr. D. H. Mann—our newly elected R. W. G. Templar of the Independent Order of the Good Templars of the World—to give him a Banquet and Testimonial in this city on Monday Evening September 25th. The Banquet is to be held Cor. Madison Ave. & 59th St. After dinner, we desire a few addresses to appropriate Toasts.

Among the invited guests will be Rev. Theodore L. Cuyler, Rev. Thomas L. Poulson, Dr. Oronhyateka of Canada, the head of the Order for the last two years, Rev. Dr. W. C. Steele, Hon. Thomas L. James, and others.

We greatly desire you to be present and make a short address in response to a Toast suitable for the occasion.

An early reply is desired.

Dear Sir:-

We are arranging for the publication of a series of articles on the following subjects: "Problems of the next 25 years"; "Elements of citizenship", "Men to usher in the 20th century". It is intended that these articles shall have a bearing one upon another in showing young men their duties to the state and the opportunities immediately ahead of them. We desire that you write the article upon the "Problems of the next 25 years". Bishop Potter of New York and Prof. Graham Taylor of this city have consented to write the other two articles.

Please understand that the article now requested is not intended to take the place of the one I asked you a few days ago, to write. We desire this article in time for publication in the latter part of September. The one first requested we will need perhaps two months later. Be kind enough to inform me soon if we may depend upon you soon for this article on "Problems of the next 25 years" and greatly oblige,

Yours,

Dear Sir and Comrade:—

A conference between the Commander-in-Chief of the Grand Army of the Republic and the Council of Administration of the World's Columbian Exposition has resulted in setting apart and designating Saturday, September 9th, 1893, as "Grand Army Day" at the World's Fair. The undersigned has been appointed by the Commander-in-Chief, Chairman of a Committee to arrange a suitable programme for the occasion and steps are being taken to accomplish that object. This programme contemplates a parade within Jackson Park, appropriate vocal and instrumental music under the auspices of the Choral Directory, and a grand display of fireworks during the evening. As this event will attract thousands of our Comrades to the Fair and as Festival Hall has been placed at our disposal, the Committee have arranged for a grand Camp Fire to be held during the afternoon of the day, upon which occasion addresses will be delivered by prominent members of our Organization. You are most cordially invited to be present with us and to make an address at the Camp Fire. An early reply will greatly oblige,
