Dear General.

I want a brass
cannon for my cottage
on Lake George. I am
told by my friend Com-
modore Starin. that The
Government make frequent
changes in the pieces,
and that good cannons
are ^{sometimes} ~~often~~ over
or sold as old brass.
Mr. Starin says he has
secured some fine pieces

in this way, and suggested
my writing to you to as-
certain whether such is
still the case, and if
so, who is the proper
officer for me to address
on the subject.

Will you kindly
advise me?

Yours Very Truly
R. C. Alexander.

Dear General, I hope by
this time you have reached
home again and that
your visit to Vermont
has been in every way
satisfactory.

We shall all be glad
to see you at church
again.

Let me again thank
you for attending so
promptly to the alterations
in the church. The old
rostrum was taken

down on Tuesday and
we hope the improvement
will be effected ready for
work on Sunday.

I think we did pretty well
last week. The attendances
at all our meetings, of every
sort, were 621. I hope before
long we shall greatly improve
on this. Altho there is diffi-
culty on the one hand there is
every promise of success
on the other, and the Lord
omnipotent Reigneth!

Oct 1st I want Harriet Home
services at the church and
beg to ask if you will kindly
give the address that afternoon

I want the church decorated
with flowers fruits corn and
other products of the earth. Nat-
ural hymns by the choir etc. This
will mean a lot of work, but
it will crowd the church and
awaken interest. If you
will speak as desired it
will leave me a little more
free for details and I am
sure all will be glad to
hear you. Please say you
will and book the date.

Mr Palmer promised to
"look into" the matter of giving
 Gospel Hymns No 6, but
I have not heard from
him since. I asked him
for

100 Copies with music &
100 " without "

On Sunday I want

to introduce a system of weekly
offerings and thus improve
the revenue of the church.

Excuse me troubling you
with this letter but I am
anxious to secure your presence
and influence often and
so thought I had better write
in time.

Yours with great respect

Dear General:

Your letter of the 4th instant, forwarded from Washington, reached me to-day. I have taken note of your three requests, and they will receive my careful attention.

I suppose the matter of your brevet and medal will come before the Military Committee, of which I am a member, and it will afford me great pleasure to see to its passage.

In regard to Captain Irsch, I think he has already written me on the subject, but if not, let him do so.

The widow of General Kelton has all my sympathies. Although I do not remember to have met her, she is well known to some of my friends, who esteem her most highly.

Believe me, dear General, it is always a source of satisfaction to me to be useful to you in any way, so you must not hesitate at any time to convey to me your wishes.

Faithfully Yours

Dear General Howard.

I can't refrain
from writing you
something in addition to what
I have written in my mind, if I seem
intrusive that I have not the
heartful, appetizing luxuries
of life that occupy you, and have
to make a real study how to dis-
pose of my time for mental
and physical health shut in a
cell like upper hotel room -
Oh this man what a political
cure he is - Any note

of him may have weaped you.

Years ago a man
name Clayton had two
pretty daughters. I think I have
heard C- County in Ala was name
or rather Clayton in Barbour Co. you
then Gen. Henry Clayton of the rebel
side their brother. This Mr. Pugh
married our sister, my father's
youngest & getting married
the other. All through the old time
day there was a sore argument
because of a great wrong this
"youngest brother" spoke of.
All the family, and my father. This
was the wrong he must do. He
to Jefferson College had a part
like used my father's name
and soon after

bride, since he found
himself standing in heavy obligation
of this young scape-grace who
after getting the Clayton money
became a power, and was
twice Mayor of his borough
being an M.D. that people came
from all parts to consult.

It embittered my father to a most
unbearable degree to learn his
little patrimony amputated,
and because the offender was
a young man to have all
the brothers and sisters frown
down any legal resistance.

The influence of the Germans
aided

and after those old Chipwood

was in Georgia a success
many well known women in

culture they possess from
her. Things were brightening
a little with father about the
time the war approached
and to be near father,
we found an opportunity in
the Grand Gaucy place
near Quebec. Gaucy's

But I did not tell you
of this Mr. Cough. he is regarded

I am only surprised since it
is the South who holds the
cash that he is not from
Cleveland.

I picked up Mr. Brown to run
a bona fide business of that
type, so at Oriental Note

Mr Berry's impatience. His only
remark was, why he does not come

It is a very sorrowful thing to
see power so misappropriated
and in a country too of
such high grade culture.
My daughter says it is because

Dear General Howard: -

I cant refrain sending you this and telling you something in addition thereto. Kindly bear in mind, if I seem intrusive that I have not the healthful, appetizing taxations of life that occupy you, and have to make a real study how to dispose of my time for mental and physical health shut in a celllike upper hotel-room.

Oh, this man what a political curiosity he is. ^{note} Anyone of him may have escaped you. Years and years ago, a wealthy planter named Clayton had two pretty daughters, I think I have heard Clay County in Alabama was named or rather Clayton in Barbour Co. for them. General Henry Clayton of the Rebel side their brother. This Mr. Pugh married our sister, my father's youngest brother married the other. All through the old slave days there was a sore estrangement because of a great wrong this "youngest brother," spoilt of all the family, did my father. This was the wrong, he went to Philadelphia to Jefferson College, led a fast life used my fathers name and soon after my father, studying medicine with one of the celebrated Gorman (Gouman) brothers married this pretty orphan niece he found himself standing for heavy obligations of this young scapegrace who after getting the Clayton money became a power and was twice Mayor of his town besides being an M. D. that ^{came} people from all to consult.

HP

It embittered my father to a most remarkable degree to have his little patrimony swept away, and because the offender was a young swell to have all the brothers and sisters frown down any legal resistance. The influence of the Gormans aided mother to keep a girls school and after those old slipshod southern ideas of education she was in Georgia a success. Many well known women in Georgia got what smattering of culture they possess from her. Things now brightening a little with father about the time the war approached and to be near brothers, he found an opportunity in the Wm. L. Zancy place near Tuskegee. Zancy's was selling it for a song, so my father moved in '63, I believe it was, to Alabama but he and brothers who helped him to stock the place could not agree so he went over the country searching and found the property that stood ^{from} ~~from~~ him by issuing his mortgages. But I set out to tell you of this Mr. Pugh, he is regarded south as a political God. I am only surprized since it is the South who holds the lash that he is not president instead of Cleveland. I wished Mr. Berry to meet a bona fide southern of heart type, so at Oriental Hotel Manhattan Beach I introduced them. I should not be able to voice Mr. Berry's impatience. His only remark was, why he does not I even speak w^l, saying "G-ography, and Yallerstone."

Oh, it is a very sorrowful thing to see power so misappropriated and in a country too, of much high, broad culture. My daughter says it is because we Americans worship a Money God. I answer I could at home in the Windsor Hotel. I do like countenances in which we meet "sweet words as promises as sweet. Yours truly,

W. E. Berry.

OFFICE OF THE
NORTHERN PACIFIC RAILROAD COMPANY.

NEW YORK, September 15, 1893.

To the Holders of the Preferred and Common Stock of

THE NORTHERN PACIFIC RAILROAD COMPANY.

The Board of Directors has appointed Messrs. C. B. Wright, of Philadelphia, and William L. Bull and Charles T. Barney, of New York, as a Committee to receive the proxies of Stockholders for use at the Annual Meeting to occur on October 19th next.

The Board deem it proper to remind you that while the extraordinary and continuous decline in earnings and the pressure of present financial and commercial conditions made it imperative for the Company to submit to the appointment of Receivers in order to conserve all interests and protect the Company's property, it should also be remembered that during their term of office the Company reached its highest prosperity. During this period, and for the first time, cash dividends were earned and paid to Preferred Stockholders amounting to over \$3,600,000. Moreover, by personal efforts and in part by their own subscriptions, a syndicate for the retirement of the floating debt was created, and over \$7,000,000 out of the proposed \$12,000,000 were funded into the Five-Year Collateral Trust Notes.

The Receivers, Messrs. Thomas F. Oakes, Henry C. Payne and Henry C. Rouse, are especially fitted by railroad experience and acquaintance with the properties of this Company to deal with the complicated interests involved. The Directors regard the Receivership as the best method of protecting the property during the prevailing business depression.

The changed conditions affecting the entire Northern Pacific System and the rules of law governing Receivers, requiring them to consider the subject from the standpoint of present profit or loss, without regard to the larger considerations that might influence the corporation in prosperous times and when in possession of its properties, has led the Receivers to recommend to the Court the acceptance of the proposal of the Wisconsin Central Railroad Company for the cancellation of the lease. That subject, therefore, is practically removed from contention.

OFFICE OF THE
NORTHERN PACIFIC RAILROAD COMPANY

New York, September 12, 1893.

To the Honorable the Governor and Council of the State of New York:

The Northern Pacific Railroad Company.

The Board of Directors has appointed Messrs C. B. Wright of Philadelphia and William L. Bull and Charles F. Brady of New York as a committee to review the affairs of the Company for the year ending on October 31, 1893.

The Board deem it proper to recommend to you that the report of the committee be referred to the Senate and the Assembly for their consideration and action. It is also recommended that the committee be authorized to make such further investigation as may be deemed necessary to enable them to report to you the result of their inquiry. During the year ending on October 31, 1893, the Company received its highest receipts for freight and passenger traffic, and for the first time cash dividends were earned and paid to the stockholders amounting to over \$1,000,000. Moreover, by personal efforts and in part by their own subscriptions a syndicate for the redemption of the floating debt was created, and over \$2,000,000 of the proposed \$3,000,000 were loaned into the Five-Year Collateral Trust Notes.

The Directors Messrs Thomas E. Oaker, Henry C. Payne and Henry C. Ross, are especially fitted by natural aptitude and acquaintance with the practice of the Company to deal with the complicated interests involved. The Directors regard the honorability as the best method of procuring the property during the prevailing business depression.

The changed conditions affecting the entire Northern Pacific System and the rise of law governing receivers, requiring them to consider the interest from the standpoint of present profit or loss without regard to the larger considerations that might influence the corporation in prosperous times and when in possession of the properties for the recovery to recommend to the Court the acceptance of the proposal of the Western Coal & Railroad Company for the cancellation of the lease. That subject therein is practically removed from contention.

Several changes, also, have occurred in our Board during the past year. Messrs. Henry Villard, R. G. Rolston and E. H. Abbot have retired from the Board, and Messrs. Charles L. Colby, Colgate Hoyt and D. S. Wegg have notified the Board in writing that they will not accept re-election at the coming Annual Meeting, thus creating six vacancies to be filled at the approaching election, and one other vacancy is likely to occur.

Deeming it fairer to Stockholders that the term of the Board should, pending Receivership, be shortened to one year, the By-Laws have been changed, so that at the coming election the Directors will be chosen for one year instead of three years.

It is plain that the general business depression, affecting alike all western roads and largely reducing earnings, necessitates some readjustment of the Company's obligations that the values now belonging to the Preferred and Common Stockholders may be maintained thereby. The Board is alive to the duties now placed upon them. Disregarding differences between Stockholders that concern the past, the Board consider that the best interests of the Stockholders at this time will be served by the selection of a new Board so familiar with the properties as to promote and hasten a rehabilitation instead of retarding or preventing the same by unwise antagonisms.

To facilitate the management in attaining these ends, you are requested to forward to the Committee your proxy, which will be used for the election of a Board composed of the present members and the additional number made vacant by the declinations referred to, and to be selected by the Committee with all possible care.

By order of the Board of Directors.

JAMES B. WILLIAMS,
Vice-President.

Several changes also have occurred in our Board during the past year. Messrs. Henry V. Wood, R. O. Holston and E. H. Asbot have retired from the Board and Messrs. Charles E. Coffey, Colgate Hoyt and D. S. Wray have retired from the Board in writing that they will not accept reelection at the coming Annual Meeting, thus creating six vacancies to be filled at the approaching election and one other vacancy is likely to occur. It is proposed to elect to Stockholders that the term of the Board should, beginning with the election to one year, the By-Laws have been amended so that at the coming election the Directors will be chosen for one year instead of three years. It appears that the general business depression, affecting also all western roads and largely reducing earnings necessitates some readjustment of the Company's obligations and that the Board is desirous of making in the future a more liberal dividend policy than it has followed in the past. The Board is also to the duties now placed upon them. Discrepancies between Stockholders that concern the past, the Board considers that the best interests of the Stockholders at this time will be served by the selection of a few Board members with the reputation as to prompt and honest administration instead of extending or prolonging the same by protracted negotiations. To facilitate the management in attaining these ends, you are requested to forward to the Committee your proxy, which will be used for the election of a Board and certain other matters, and the election of the Board and certain other matters, and to be elected by the Committee with all possible care.

By order of the Board of Directors

JAMES B. WILLIAMS
The President

MILLS BUILDING,
15 BROAD STREET,

NEW YORK, September 15, 1893.

To the Holders of the Preferred and Common Stock of
THE NORTHERN PACIFIC RAILROAD COMPANY.

Referring to the enclosed communication of the Board of Directors of the Northern Pacific Railroad Company, the undersigned thereby appointed as a Committee to receive the proxies of Stockholders for use at the Annual Meeting to occur on October 19th next, beg leave to advise you that it is their purpose to use these proxies to secure a strong and harmonious Board, fully competent to deal with the problems now presented and free from any antagonisms or prejudices that would only retard the chief purpose now in view—the prompt reorganization of the Company.

With this in view, the Committee state they have arranged for the following persons to be supported for the Directory :

JOHNSTON LIVINGSTON.	T. F. OAKES.
CHARLES B. WRIGHT.	WM. L. BULL.
CHARLEMAGNE TOWER, JR.	J. B. WILLIAMS.
D. H. HOUGHTALING.	J. B. HAGGIN.
R. C. MARTIN.	WILLIAM R. MERRIAM.
CHARLES T. BARNEY.	

The Committee submit these names as being such as should inspire confidence in the integrity and management of the affairs of the Company. As the Board must consist of thirteen Directors, it will be necessary to designate two others to complete the ticket. It is the design of the Committee to present names for the remaining members of equal character and usefulness.

It seems to us that the interests of the Stockholders will be better served by wisely treating the present conditions, than by nourishing complaints of the past, and this view will govern us in the use of your proxies.

You are therefore respectfully requested to sign and return the enclosed proxy at your early convenience.

Yours respectfully,

C. B. WRIGHT,
WM. L. BULL,
CHAS. T. BARNEY.

To the Honors of the President and Counselors
The Northern Pacific Railroad Company

Referring to the enclosed communication of the Board of Directors of the Northern Pacific Railroad Company, the undersigned, having been appointed as a Committee to receive the enclosed communication, and to advise you that it is their purpose to secure a strong and harmonious Board fully competent to deal with the problems now presented and free from any antagonisms or prejudices that would defeat the chief purpose now in view—the prompt reorganization of the Company.

- Wm. L. Bull
- J. B. Williams
- J. R. Hogan
- William R. Sherman
- Charles J. Barney
- R. C. Marston
- D. E. Hinchey
- Carlisle J. Taylor, Jr.

The Committee submit these names as being such as should inspire confidence in the integrity and management of the affairs of the Company. As the Board must consist of thirteen Directors, it will be necessary to designate two others to complete the list. It is the desire of the Committee to present names for the remaining members of equal character and standing. It seems to be the interest of the stockholders to be better served by treating the present conditions than by maintaining conditions of the past, and the view will govern us in the use of your power. You are therefore respectfully requested to sign and return the enclosed proxy at your early convenience.

Yours respectfully,
C. B. WRIGHT
WM. L. BULL
CHAR. J. BARNEY
