Dear General Stewart

From the Tribune Today
I gather that the Councils of
the Alliance have just signed
a financial contract that they
were closed. I wrote to you
at Chicago begging that
in paying tithes of larger duty
you pray not to leave our
cause the more special one
in which we both feel this
much interest. I hope I am
to be forgiven a certain point

been so about us if some without

it open to objection -

I thought I would write you a few lines while I have time. I never felt so happy in my life, as I did when you was here. I have learned many things from your preaching. And it has done me lots of good to me and to my soul. I am so glad that I had the privilege of helping you in the mornings and taking you to the meetings. Oh! I do praise the Lord that he brought you here to preach the gospel to the unsaved. I know the Lord has blessed your work here for the short time you was here. I have always prayed for you whenever you was preaching here. And I will keep on praying for you that the Lord may bless you in what ever you do, and give you strength to do it. I know he will do it for he has said so. I know the Lord was with you on the cars. I shall never forget the time I have been ~~out~~ with you here in the Institute. Now about that picture of yours Gen. I would like to have you put your name on the bottom of it. and I will be very thankful. And some day I will have mine taken and I shall send you one.
