11 CLIFF STREET,

Dear Gen. Howard,

a young gentleman of
culture and character,
a graduate of Yale
College and a son of
valued friends of mine,
has become enamored
of Army service and
most anxious to see if
he can get a Civil
appointment in the Army.

I am so entirely ignorant of this matter that I do not know why his friends should write to ask my views as to method.

My impression has been that there were very few appointments and those made for special reasons by the President.

Before I reply would you do me the great kindness to tell me if

there is any chance of such an appointment and if so how the application should be made.

I am,

Very Sincerely Yours,

Dear Gen Howard:

I wish you wd note carefully the paragraphs in this "Personal Statement" ^{enclosed} as it comes out of my very heart. Still, tho' disappointed for the present, I can hardly see how the enterprise can fail in the end. However if it shd miscarry I shall feel bound to make good to you what you have put in. I can't do it now but shall be able to later.

Meanwhile I must return to professional work as I planned when I resigned at Pacific University - to resume either preaching or teaching after the World's Fair. And if any one inquires of you concerning me please say as good a word as you can truthfully.

Dr Tenney, pastor of the Second Church here, has just given me the following fine letter, endorsed by two of Oberlin's well known Professors:-

"Oberlin, Ohio, Nov 4, 1893.

"The Rev Dr J F Ellis, recently President of Pacific University, Forest Grove, Oregon, is temporarily residing in Oberlin. His ministerial life has been spent

chiefly on the Pacific coast, where he made a worthy record both as a successful pastor and as an educator. He is in the prime of life, is in firm health, and is thoroughly educated and consecrated to Christian service. He is a man of excellent spirit, and well balanced judgment. He is progressively conservative with respect to the great movements of the day, and in theological belief; is not sensational, but is a sermonizer of thoughtful and graphic style. Supported, as every pastor must be, by a nucleus of earnest workers he would give the church a wise and safe and successful pastorate.

"Henry M. Tenney."

"I heartily concur in the above.

"G. F. Wright."

"I have known Dr Ellis for years and can heartily concur in all that Dr Tenney has said. Dr Ellis should be in some important pulpit.

"John M. Ellis."

As matter of fact my rest from
professional duty the two years - es-
pecially the last year; for I supplied
a pulpit in all the year before this -
has served to freshen my powers
and fill up my resources so
that I feel stronger and better
equipped than ever before.

So if any inquiry shld come to
you concerning me you can say
your say which wd have weight.

A Plain Personal Statement to all Those Whom I
Induced to Invest in the Townsite of
Grand Dalles, Washington.

All that I said to you of this enterprise was spoken in absolute good faith. I fully and surely believed I was doing you a good turn in persuading you to invest as you did.

But within the last year our Company has discovered that our former General Manager, O. D. Taylor, was at no time acting in good faith in his direction of the enterprise.

To me it is the most serious and painful disappointment of my life, since it involves me with an atrocious swindler. The disappointment consists entirely in Mr. Taylor's failure to improve the townsite as he constantly promised, for which failure he was himself wholly to blame and I believe guilty of most grave crime, crime deeply planned and artfully persevered in for years.

As a Company we are doing all in our power to rescue the enterprise from the blight brought upon it by his fraudulent management.

All I ever said to you of the natural advantages of the site is still true. I know it to be good property. Though Taylor deceived us by failure to improve it yet it must certainly be improved at no distant day.

This being the case I see but one advisable course for you to pursue, viz. hold your purchase, completing payment in case it has not been done, and await the development sure to come.

Were I able I would rather return every dollar you paid, but I cannot do that; for I am myself a greater sufferer by Taylor's crookedness than any of you.

In regard to my deception by Taylor I ought perhaps to say that I knew him to be pastor of the Baptist church at The Dalles, Oregon, and accepted that as a strong credential. Rev. D. B. Gray, who was for years pastor of the Congregational church there, vouched for his integrity. W. Lair Hill, a leading attorney of the Pacific Northwest, who codified the laws of Oregon and afterward of Washington, gave him a fine testimonial of which I have a copy. But we were all alike deceived and can now only make the best of it.

With exceeding regret I am faithfully yours, *J. F. Ellis.*

*In regard to taxes C. E. Morris, County
Treasurer, Goldendale, Wash., can advise you.*

Dear General,

Cheque for \$15-
received on Monday night.
Please accept of my thanks
for the same. I just rec'd
from Mr. Francis on Sunday
he said you had given him
cash for this month. Did
not know that.

has will be glad to know
that 4 young men were
at your Bible class on

Sunday. We had good
services 133 in the after-
noon & 62 at night.

From about 12 to 20 years
ago there are about
50 young people connected
more or less with the ch.
who are not decided
Christians. I am im-
pressed that a series of
special services might
be blessed by God to ^{the} conversion
of many of them. on
Sunday afternoon it
was therefore decided that

I should arrange for
these meetings to be
held at the beginning
of the new year. I want
the teachers of the school,
the Gospel Mission workers
young peoples association
in fact all in connection
with the ch. to cooperate.
I can get several ministers
to help me. Will you kind-
ly give an address one
night? Will you also
please ask Dr Stinson
if he will give an ad-

dress the last Sunday
afternoon of the old year
at 3 pm. ? If he
cannot do so that after-
noon will you please
ask if he will give an
address on the afternoon
of the first Sunday in
the new year? I shall
be glad if you can ask him
on Wednesday night, because
if Dr Stinson cannot thus
help I must get someone
else. I want to complete
the programme as early
as possible. I purpose
having a two weeks mission

and pray that many
may be led to Christ.
I mentioned that I would
like Mrs Jagers to unite with
us, and he voted in favour
of the resolution. I hope all
will cheerfully cooperate.
Mrs Muckmore has had
the alteration effected.
It is a decided improve-
ment

Hoping soon to learn if
Dr Skinsone can come
and help us as requested
and again thanking
you.

I beg to remain
most respectfully

rheumatic and deaf and I
would like if possible to

draws a small pension

him and he certainly can-

Thank you for it! We
missed you last Sunday

shall teach the infant

I spent the afternoon and
evening till eleven o'clock,
yesterday-Monday-on the

good day-and I never at-
tended a more glorious
meeting than the one last
evening! Bro. Jaeger is

certainly doing an excellent work in the Mission.

I trust you had a pleasant Sabbath and have returned in your accustomed health and vigor.

The work I have to do grows each day broader and sweeter and I am so thankful I have been chosen for it.

I do hope God will grant me grace and wisdom to do this work well - and as He would have it done!

I have a message from Dor - my dear husband - to you - asking you if you would be willing to write a note to Dr. R. H. McDonald

asking him - if he cannot possibly see his way clear to give us \$750.00 for the stock in my possession -

Dor says he must have some money - and will have to sacrifice some real estate if he cannot sell this stock - he prefers therefore - to first make a trial to sell the stock.

Will you be willing to write to the old gentleman?

I have hated to trouble you with it - but Dor's last letter urges me to make an effort to secure the money and sends this request to you.

I have not been well for the past week - but hope
