## Dew Friend:-

When the American Institute of Christian Phil osophy was in its youth and Dr. Deems was carrying the whole burden, feeling sure that in the future the literature which the Institute was furnishing would be greatly appreciated, he had a number of voltunes bound each year at his own expense. Th pose number now eight hundred. Dr. Deems was a true prophet. The books are in great deand in the educational institutions of this land and foreign lands especially in the mission field th we at hans abd abroad. I have some two hundred volumes requested by the Missionary Boards of various denominations.

How that Dr. Deems has gone, I am sure that his friends wi 11 be [. ad to $s$ and the value of the books to his family. In addition to this, the cause of Christ could be helped if these volumes could be sent about done rood. One friend has already given $t$ an dollars conditionally, and another has sent in e twenty dollars. Gan you Join them in this movement?

Dear Sir:
I have had the pleasure, in behalf of the New York Society, Sons of the American Revolution, Hon. Chauncey M. This personal note is to say that we all sincerely hope you will find it convenient to be present. The evening is a convenient one (Saturday) and the company will dispense at midnight. The dinner will certainly be a good one, and the rhetorical part of the entertainment interesting. Many distinguished men will be present. Our Society now has branches in 30 States, several of them remarkable for the number of men of high public and social position among its membership. The personnel of all of them is of high standing. Dear Sir:
The annual meeting of the Board of Indian Commissioners, and the Indian Conference, will be held in this city, Decembet 15 th, 1893 , at 10 A. M., at the Cothran House, corner of 14 th and $K$ streets.

You are cordially invited to attend.
Yours truly,

> Office of The American Sabbath Union, 203 B'way, New York, Nov. 27,1893 .

Maj. Gen. 0. 0. Howard, My dear General:-

You have already been informed, by circular letter, of the Annual meeting of the Union, which will be held in Dr. Burrell's church, Dec. 10--12. On Monday evening, the lith, there will be a grand sabbath Observance meeting, and Dr. cuplev will be one of the speakers. I very much desire that you will also speak on that occasion. There will be four speakers, and each one will be necessarily brief.

The relation of the Sabbath to the army is always an interesting theme, and we would like to hear you on this topic, if it will be agreeable to you. If you cannot be present on that evening, can you not be in one of the sessions on the following day, Dec. 12th, in the same church, and address us?

You know that your words always have a telling effect for good; and what you say is widely published. Hoping, my dear General, to hear from you by return mail, believe me,

Most sincerely yours,

Sir:-
I have the honor to state that I made application for the position of Ordnance Sergeant, U. S. Army, on July 3rd 1893. Since then I have been advised that applications for appointment to this grade are not favorably considered when the applicant is over forty-five years of age. In this connection $I$ beg to state that $I$ am forty-eight years of age, and respectfully ask your asststance in my case in overcoming thts age limit.

I have no hesitation in saying that I am physically qualt fied as $I$ was twenty years ago, and consider myself mentally capable of performing the duties.

My character, during service in the Army, has aluays been of the first order, as can be shown by my discharges, (one from the late war) and the many testimonials I have from offi cers under whom I have served, such as Generals Hancock, Howard and Dent, and Colonels Langdon and Hamilton, also a number of other officers.

For strict attention to duty I was appointed Quatermaster Sergeant of the lst Artillery, while the regiment was stationed in California. On departure of the regiment from that station, I accounted for all the Q. M. property to the entire satisfaction of both officers interested in the transfer.

In concluision I beg to state that my application, now on file of the Chief of Ordnance, wis made prior to, the promuilgation of G. O. \# 83, A. G. O., 1893, and in view of this fact, I respectfully ask your kind assistance.

## My Dear General Howard:

I would like to have you, Dr. Lyman Abbott, Professor Truman J. Backus, Father Malone and two or three others to dine with my family on Thursday, Dec. Fth, at 6 P.M. After dinner, I shall invite in some forty or fifty clergymen and a few representative laymen who believe that the saloon evil should be lessened by educat ion, by improvement and enforcement of the law, and by any other method that may be found practicable. Themeting will be wholly non-partisan and informal. Dr. Abbott, Professor Truman J. Backus and Col. Bacon will be present, and I conff dently expect Dr. Talmage and many others. I. would like to have you participate in the talk. Just now, Brooklyn is in a mood for doing something practical along the line of the enforcement of the laws against liquor dealing, the gambling evil, as well as other evils that are $s$ anewhat rampart in the city.

Can I not count upon your being present? If so, please telegraph me immediately on receipt of this, as I wish only to invite a table-full at dinner. I believe that you can do great good at such a meeting. You will come in contact with some of the leading clergymen of the city.

Yours as ever,
