Maj Genl O O Howard
Governors Island N.Y.
Dear General

Having been relieved
by Wm Smith the Hon^{ble} Secy
of the Interior to my place
as chief of a division given
to an Ex Confederate. I
am here in the state &
place of my birth & sadly
in need of something to
do. owing to the overthrow
of the democracy at the
late election in which I
am inclined to believe
God had quite as much
of a hand as man, there
are quite a number of
very fair clerkships to be

filled by good republicans
and among them several in
the office of Secy of state
Gen^l John Palmer being
the Secy elect I am an
applicant for one of these
clerkships and as a
necessary part of the pre-
liminaries requisite, am
seeking all the endorse-
ments recommenda-
tions I can get & as you are
a citizen of the state &
occupying a high position
(though not a political one)
what you can say of me
will have I am sure
great weight. Especially
as Gen^l Palmer was a
soldier. You can not say
much of me politically
but you can, I think
say a few words of my

Army service, that will
benefit me. Other endorse-
ments that I shall obtain
will more fully set forth
my political merits.

What I was in the
army I can truthfully
say I am still only as
I trust a much better
man morally & with the
greater insight into
things, right true & just
that age & experience
brings. Will you pardon
me if I suggest about
what I think you would
be willing to say & have
of course I wish you to
write it in your own
way, I send it only as a
suggestion or help to
you. (see enclosure) If this
procedure is in any offensive

do not regard it but fear
it. I am very very
anxious to if possible
secure this or some
position for the time being. I
often times leaves me
no opportunity of getting on
any steady employment body
and I do not wish to be
a burden on my relatives or
friends. I am still and
physically mentally strengthened
& capable of hard work say it

eldest is in N.Y. engaged to me

Do you know & do
you ever see Genl Lee

at 41 Broadway N.Y. I think
if he would kindly
add his name in
approval of what you

of much assistance
to me. My acquaintance
with him was
so slight I can not

I have to acquaint you with the sad news that my beloved little wife, after years of patient sufferings peacefully passed away on Friday, Dec. 1st.

I do hope that you
will consent to be the President
of our National Temperance

U. S. Army,

My dear General,
Your note
of Dec. 6th is received.

I should feel it a
compliment to have
you address my com-
mand inside Fort
Wadsworth, but as
the room is probably
too small to hold the

audience which would
flock to listen to
you, perhaps you would
find larger and more
suitable accommodations
in Dr Eccleston's church.

Of course personally
I should prefer to have
you address the soldiers
of the 1st on their own
stamping ground, but
I shall call it even
if you will find it
convenient and agree-
able to take tea with
me at six O'clock on

the evening of the
proposed religious
meeting. We can drive
down from here in
time for the services
at St. John's.

I have not yet
learned the date proposed.
Will you kindly
send me word.

Yours very truly,
