Governor's Island N.Y.

Dear Sir

I have just finished reading  
in the American Israelite of the 8<sup>th</sup> inst  
a most offensive and uncalled for  
attack made upon by a scurrilous writer  
in that journal

I deeply regret that a  
Jewish "Religious" Paper should permit  
itself to so far forget its real mission  
as to publish an article written in a  
spirit so contemptible as is the one  
in which you are referred to

As a Jew I am glad  
however to know that the writer of that  
article commands little respect or  
notice among our people. I trust however

212

You will treat his abusive Remarks  
with the Contempt they deserve; especially  
since they can do the writer no  
good and you no injury

With profound Respect  
for your well known Character  
and Virtues among Jews as well  
as Non Jews

I beg to remain

Yours

H. Weinstock

My dear General Howard  
I cannot wait a  
moment to tell you  
how your article in  
my paper - for this  
week - a proof of  
which is before <sup>me</sup> - has  
affected me. I have  
just finished reading  
it and my good wife  
has the paper in  
hand and at my  
suggestion is reading  
it, now - while I write you

That article is one  
of the most pathetic  
and powerful appeals  
I ever read - and is  
calculated to do great  
good. It will go  
this week, into the  
houses & homes of  
thousands - who will  
most certainly be  
made better by it  
- more decided friends  
of the temperance cause  
and more firm in  
opposing the - cursed  
- I will say it - liquor  
traffic - and its indulgence  
now my good Sir  
you must have stored  
in your memory.

other thrilling stories  
of a like character -  
relating to the same  
topic & many other  
on other interesting  
topics. Please not  
let them sleep - with  
no marking in this  
world, but, <sup>let</sup> them appear  
in my paper as often  
as time can be  
given to prepare  
them.

Faithfully yours

Dear Sir:--

I have the honor to inform you that the 71st. Regiment, N.G.S.N.Y. expect to move into their new Armory, corner of Park Avenue and 34th. Street, the latter part of April.

It is the desire of the Regiment to celebrate this event in a manner that will be dignified and appropriate, as well as memorable. With this object in view an arrangement has been made with Mr. S.G.Pratt to produce the "Allegory of the War in Song", (which was given with such great success at Madison Square Garden for the Grant Monument). This will be given with a chorus of five hundred voices, orchestra and military band of one hundred, between the hours of eight and ten in the evening, and will be followed by a Reception and Ball.

A number of distinguished officers and public spirited citizens have signified a desire to be present upon this auspicious occasion, and their willingness to act as an Honorary Committee of Reception. In this connection your name has also been suggested to the Committee having the matter in charge, and on behalf of this Committee I have the honor most cordially to invite you to be present and participate in the exercises as a member of the said Honorary Committee.

Trusting the courtesy intended from the officers of the Regiment will meet with a cordial response on your part, and requesting a reply at your earliest convenience, I remain

General O. Q. Howard,

Dear General, - I take  
pleasure in writing to you,  
and hope in my so doing,  
you will not consider me  
out of the way.

I saw you and heard you  
speak some years ago here  
at Topeka, at Garfield Park.  
My little girl was sick at  
the time, and as so many  
were crowding around  
to shake hands with you, I  
had to go, and never saw  
you again.

I saw a Kan. boy, my  
parents coming to Kan.

1883

from Boston in 1855. I arrived the next year to cheer, to bother, and to help them make life more of a variety.

I don't think that my father, Cyrus S. Howard, ever met you. But I have heard him and mother speak of you and your noble work very many times.

Father and mother used to entertain John Brown, and several men who traveled with him during early Kan. history. A few weeks ago I met Major Bateman with whom you are acquainted, undoubtedly. He, with several others, and

Mr. Brown stayed in a large  
hay barn of father's, about  
two and one half miles  
south east of Topeka, for  
several days hiding from  
their enemies. Not so very  
long after this, John Brown  
and those with him <sup>at the time</sup> met  
their terrible fate. But for a  
good cause as father and  
mother have always thought.

My work for several years,  
has been teaching. This  
last summer, after my  
school closed, I went with  
an Evangelist taking charge  
of the singing. There seemed  
to be an opening for me in  
a field where I could do

much good for the cause of Christ. I made arrangements to go into this work the first of Sept. But before that time, but too late to get a position in school, the Evangelist I was to work with, went astray and I was left with out work. Since then I have been working at whatever I could find to do.

Prof. E. Q. Excell, of Chicago, writes me that as soon as he knows of an opening for me to take charge of singing in Revival Work, he will let me know. But that may not be soon.

When in the school-room

185

I earned from \$75 to \$100 per month. But now to be without any work, and be without any support for my wife and three children, it seems rather rough for me.

But I am doing my best, and trusting God that a way may soon open giving me some kind of employment.

But, praise the Lord we have Christ in our hearts if we haven't very many earthly enjoyments.

Now, General, perhaps you may know of something I could get to do. If you wish me I can send you references as to my charac-

state that there are none of that number on hand,  
but that purchase of some very soon is intended,  
as bids have been opened and papers are now at  
the War Department for action.

I enclose samples of Nos 16 and 18. If  
either of those will answer they can be supplied at  
once.

Very Respectfully  
J. Ad. Dep.

Dear General:

The note has been received and Mr. Frame called  
to pay the interest but wanted an extension of eighteen  
; for the reason that he relied upon the sale of the land to  
pay the note. As he stated, it is nearly certain that nothing can  
be done in real estate this summer and if not sold this summer he  
would have to depend upon next summer, as sales are not made here  
in the winter time. An extension of only a year would again land  
him in the middle of next winter with the note due. I told him  
that I must submit an extension of such length to you. His pro-  
position is to make the note payable on or before eighteen months  
and the first money he receives from the sale of the land shall be  
applied upon it, he being anxious to get rid of the note as soon  
as possible.

We are all well and hope you are. Saw Grace and her children at  
Vancouver the other day and they all seemed to be well.

Very truly yours,

*C. S. Wood*
