My dear General,

My old Church — the "Lafayette Avenue Presbyterian" — has always been a "hot-bed" of Total Abstinence. My successor, Rev. Dr. Grigg, is a hearty advocate of the same. Dr. Grigg wants you and I want you to come — and I want you to come to a Christian Temperance talk in that Church on Sunday evening, March 11th. We will give you a good audience and young men to talk to; if you can come, please write to...
I am pleased to hear from you.

Dr. Gregg, No. 185 Washington Park, Brooklyn — or to me, here. You can come over early & sup with us.

I hope to hear from you soon.

Yours with the old spirit of love in Christ Jesus,

Theo. F. Beck

Dear O. P. Howard,

My dear friend:

I expect to attend a district conference meeting which convenes at Jersey City A.F. from March 1 to 12. My address will be care of C.E. Frank (Frank)(25) Oak st. Jersey City, N.J.

It would give me very great pleasure to meet you. I shall never forget your earnest whole-hearted devotion to the cause of Christ when you were my Sunday School teacher in Washington.

You promised you would read any thing I would lend you. I therefore send you by mail
two tracts entitled "Romans Challenge" and "Our Answer" begging that you will carefully and prayerfully peruse them and let me know what you think of them. You may be起步 at the first tract, but it is nevertheless true
in view of the fact, that God's children "seek to know and do the will of God."

Mr. Moody is about closing a series of meetings held in Convictive hall over St. Martin's. Crowds are turned away every day. I sing alto in his choir.

My wife is in her last year at college. She is a fine scholar and an earnest Christian. My son has just returned from a trip to India. He has been engaged in missionary work. My own heart is filled more than I can express, as I study the precious word of God which alone is
The first time I ever heard of you was when I went to Hospital 19, Nashville, Tenn., in January 1864. I am very glad indeed that you are Pres. of the National Temperance Society, and that you are also interested in all lines of charitable and religious work.

I am specially anxious to direct your attention to the enclosed Report. The Keeley treatment is now given in seven national military hospitals, I hope I will meet you at the National Encampment of the G. O. R. in Pittsburgh next Sept. Mr.
expect to entertain a great many veterans, both men and women.

Yours sincerely,

Ellen Murdoch Watson

My dear Sir:

I have delayed replying to some of my Feb. 8th letter.

I might get a statement of Mrs. Daniels' living during

and have "cruel hair." But was a large, rather awkward woman, talked as though her mouth was full of food. I talked a good deal at and I think the woman you hear in mind me. She - hot the Misses Glines, often came to Dr. Oswald's where I had my Y.D. and during the war and we all felt that the war was full of interest in the hospitals at Alexandria and Annapolis. I think you can safely say that you know me as I have been a faithful devoted nurse to the soldiers during the war and you are glad that the State will recognize my service. I do not think from the claims she sends you, that more testimony of her service is required.

Major General O. O. Howard,
Governor's Island, New York Harbor,

My Dear Sir:-

All Souls Church of Brooklyn have for the past two years been giving a course of free lectures to the Public school children of this city. The first course of lectures were on the history of Brooklyn. The course last year was on the city of New York. Some of the most prominent gentlemen in the city delivered these lectures. At the conclusion of each course prizes were awarded to the scholars writing the best essays. The mayor of the city presided and awarded the prizes. The public schools officials are thoroughly in sympathy with this movement. The idea has been carried out very successfully for several years in Boston at the Old South Church.

We propose this year to take up the civil war and the subjects thus far outlined are: - "Sumpter", "Peninsular and Antietam", "Donaldson, Vicksburg and the March to the Sea", "Gettysburg", "Appomattox", and one lecture on the Naval battles. We are very anxious to have you deliver one of these lectures. The one on Gettysburg will probably suit you best, but for that matter you could choose your own subject and we will arrange our course with reference
Mr. President:

The Board of Estimate and Apportionment has recently received a communication from the superintendent of the public school system of the city of New York, enclosing a statement of the estimated cost of operating the proposed school for the next term. The Board has already made an appropriation for the purpose of providing funds for the operation of the school, and the statement has been considered in detail.

The estimated cost of operating the school for the next term is $50,000. This includes all necessary expenses for the maintenance of the school, including salaries of teachers and other personnel, as well as the cost of supplies and equipment.

The Board has determined to appropriate the necessary funds for the operation of the school, and the statement of the estimated cost has been approved.

Very respectfully,

to that subject. The lectures are given at 4 o'clock on Friday
afternoons and the dates will be April 20th, 23th, May 4th, 11th,
and 18th. We can promise you a large audience of intelligent
and enthusiastic young hearers. The church is located on South
Ninth street near Bedford avenue. Will you not assist us in
this work? You are the first person to whom we have written
and if you accept we wish to give you the first choice of subject
and date and arrange the rest of the programme with that. We are
in hopes of securing a lecture from General Slocum, General Butter-
field and other prominent army officers. Hoping for a favorable
reply, I am,

Very Truly Yours,
