Dear Brother,

The next International Christian Endeavor Convention meets at Cleveland Ohio, July 11th to the 15th. We should like very much to have you go to Cleveland for the entire convention as our guest. We should be pleased to have you make an address on Wednesday night, July 11th, and again if you would on Saturday afternoon, July 14th. The address Saturday afternoon, July 14th, will be made before the Juniors and would be a brief talk to the boys and girls. Our convention opens Wednesday night, July 11th, in ten different churches and you would be the only speaker in one of the churches.

I take pleasure in sending you a report of the Montreal convention and you were in attendance upon some of the sessions of the New York convention and so you know what is in store for us at Cleveland. We all of us sincerely hope that you can be with us. Can I hear from you please by return mail?

Yours cordially,

John Willis Baer.

Dear Sir:--

I write you to say I am to organize a Boys Brigade here tonight, also to say we have had some very fine lectures by the Author of 40 Years among the Zulus. they were well attended and did the people good. I think we are getting our harness so we will do some good work ere long. It will be of interest to you to know that John Ryan of the Hospital Corps is to be the Military instructor of our Boys Brigade.

He says he is interested in boys and seems to have his heart in it . We will soon have some church members out from the last Companies that you sent here.

John Ryan asks me to do him the favor to ask you to grant him a discharge, he desires to go into business here. All I can say or want to say is this. ---I believe that he is honest and sincere in his desire, and that his conduct entitles him to a consideration of that desire. I am not in this kind of business, perhaps should not write you on such a subject, Please consider it well meant, Hope you were pleased with the Photo's. Sorry to be so long about it. But remember this is in many respects the land of Mañana--Tomorrow.

Yours Cordially,

Dear General,

A very estimable lady,
Mrs M. J. Montgomery, who
has been sojourning here for some
time here in Carthage, leaves
for Washington, where she
has family matters to attend
to, has kindly offered to take
some of Mrs. Briol's designs
and other paintings with her and
will endeavor to see you and
Mrs Howard. As she will
be an entire stranger in Washing-
ton, ~~any~~ information you may

be able to give her would grate
fully received by her and you
would thus confer upon me an
additional favor.

I beg to remain, Dear
and Honored Sir,

Very Sincerely & Respectfully

Yours

The only art publisher I
know of is Prang, or Prang,
in Boston, but I would not
send them otherwise than
through a friend, who
would not leave them with
any publisher, as some of
them are apt to steal the
ideas and return the originals.

P.S. The designs are for
publication. The Librarian of
Congress would tell Mrs
Montgomery what to do. The
main thing would be to find
a publisher willing to publish
them on shares of the profits

Feb. 15. 94 1894

My dear General.

This morning came a circular letter from the Col. Munnings Can Co signed by Mr. G Rowland Munron as Secy. Mr Ellis as Business Manager as per the news organization calling a meeting of Directors (they elected you a Director) at Room 17. # 156 Broadway, Monday, Feb. 26. I will find out what they intend to do and will attend or not as it seems best. Mr Ellis has assured me that it is the desire of himself & friends that matters remain as

they are until you return and
the matter of the appointment of a
Receiver is definitely settled.

Mrs John Scott # 257 North
Upper St Lexington Kentucky has
written to you twice asking you
to please send her a letter of
recommendation for the appointment
of her son to West Point. She is
the widow of Lieut John Scott
4th U.S. Infy, who served at Omaha
while you were there. He was
Post 2d Lt. and a hard working
conscientious man. He left this
widow with three boys to educate
& raise without means. She
I think is deserving of considerable

commendation. I have enclosed
you a letter such as she asks
for you to sign or not as you see
fit. I have retained a copy of it
I would not have forwarded her
request except that she asked that
it be forwarded to you. Her address
I give above — There is no news
of any consequence.

With sincere wishes for a
very pleasant journey for you
all. Respy

My dear Gen. Howard;-

Mr. Baer has already written you concerning the Cleveland Convention next July. I sincerely hope it will be possible for you to be with us. It promises to be a convention rivalling in size and even more important in many ways than the convention in New York two years ago at which you favored us with your presence. It will be an inspiration to the young people to see you and hear you, and you will do them untold good, if you can go. I understand that you are going abroad soon, but I hope it will not be until after that meeting.

Dear Sir;

I have received through Mr. Treat your reply to the request of the Executive Committee of the Indian Industries League that you should be a Vice President of this League.

Your interest in the cause is so deep that I shall hope much for your favorable reply when it seems to you that the time has come to give one. Your position in the Temperance movement, perhaps the most important ~~movement~~ in the world when we consider the misery and crime of the intemperate, will make you all the more ready to join a League which so far as it can stimulate and bring forward the Indians will help them to temperance and surround them by influences worthy of a Christian civilization.

Trusting to hear from you at your convenience, and earnestly asking that your reply may be favorable, I am
