My dear General,

Thanks for your note. It will be all sufficient. My idea was that Mr. Morgan call on the Supt. and Main from his exact information as to what would be proper. I will write Col. Ernst, en- acquiring your note, and her morning will then have a sufficient introduction.

Very sincerely,

Major General O. O. Howard,

Governor's Island, New York.

Dear Gen. Howard:

The time is drawing near for our Annual Meeting at Omaha and we are putting the finishing touches to our programme. The annual business meeting of the society will come Wednesday afternoon, June 6th, at half past three o'clock. It is expected that an excursion train will leave Boston and New York Monday evening, getting us to Omaha in time for the above meeting. I hope we are to have the pleasure of your presence with us on that train. The sermon by Dr. Herrick of Boston will come Wednesday evening and the first regular session of the convention on Thursday morning at 9 o'clock. The time from 9 to 9:45 that morning will be devoted to the regular prayer meeting, to be conducted in the main by our home missionary brethren. From 9:45 to 10:30 the time will be given to devotional exercises, appointment of committees, etc. and an address of welcome from some Omaha gentleman, probably Dr. Duryea, with a response from yourself. It is about this latter exercise that I write you especially this morning. Dr. Duryea's address with your response should occupy I suppose from fifteen to twenty minutes each.
April 14th, 1864,

Mr. Gen. O. Howard,

Governor's Island, New York,

Dear Gen. Howard:

The time is growing near for our Annual Meeting at Otna and we are putting the finishing touches to our plans. The annual business meeting of the society will come together on Thursday, January 6th, at half past three o'clock. It is expected that an examination train will leave Boston and New York Monday evening, arriving at three o'clock in time for the annual meeting.

I hope we see to have the pleasure of your presence with us on that occasion. The annual business and the first regular session of the convention will be held that day.

The time from 9 to 9:30 will be devoted to the regular business meeting to be con

quickly in the main on our home missionary positions. From 9:30 the time will be given for government examinations.

If you do not return the letter enclosed within twenty minutes, please let me know.
This will enable us to wind up this part of the programme promptly at 10:30.

Notwithstanding the hard times, everything promises well for a large and enthusiastic gathering at Omaha. The expense of meeting there will not greatly exceed, so far as the outlay of the society is concerned, the annual expense at Saratoga. We always pay the way of a certain number of our superintendents to the annual meeting and as most of them are at the West it will cost less than usual to bring them to the gathering.

I thought you would like to know the above particulars especially with reference to your opening address, and hence this line.

Sincerely yours,
Levally.

The 10:30 meeting will enable us to wind up the Finance Committee and have the programme properly notified.

Dear Mrs. Smith:

We have a large and enthusiastic expectation of a good attendance at the meeting of the society this evening. The success of the society is due to the sympathy of the majority of the members of the society. The meeting will be held at the usual time and place.

I am, therefore, pleased to know that you are present.

Yours truly,

My dear Alexander:–

Yours of the 25th instant, regarding your brevet, is received. The papers in your case, I find, were laid aside by the Major General Commanding the Army as not coming under the act of February 27, 1890. I enclose a copy of the law.

General Howard's recommendation does not cover the requirement of the law "for gallant service in action," etc. It is not too late for him to make a new recommendation.

Faithfully yours,

Mr. Charles E. Teale,

Dear Sir:

Your favor of April seventeenth is at hand and contents noted. There is no probability of a vacancy here for a teacher of the French language. I have three French teachers, all good, and so far as I know, they have no intention of resigning. Were there a vacancy I should be very glad to secure the assistance of one as competent as the teacher mentioned by General Howard.

By the by my teachers and pupils were delighted with the General's visit and when he again visits us he will receive a royal welcome.

How are you and how is your health? Good to hear from you again. Your letter was heartening in the unusual connotation. Would like to hear from you more and to read more of your works. I'm kind of surprised to hear you say you haven't been in the game for a while. I have written a good bit myself. It's all in a process of evolution. It's all important and all important need. I believe in phones and progress to the lead with dynamism. Need more electricity.
