meeting is especially to show how mighty is the power of God in just such lives.

I trust you have not yet left town as it will give me great pleasure to see you on this occasion. The Congress has been hurriedly decided upon, there has been very little time for announcement, therefore you need not fear so great a crush as we generally have at such meetings.

Yours very truly,

In the Holy War,

My dear friend

We are just arranging for a large meeting in connection with our May Congress, if a very interesting & unique character - especially devoted to bringing forward many of the trophies of God's work through our movement. The question is often asked "Can the drunkard be reformed?" "Do these criminals atone?" etc. And this

Governor's Island, New York.

Dear Sir:

As we are nearing Memorial Day, and desire to complete all our arrangements as soon as possible, I have been requested to again place myself in communication with you for the purpose of arranging for your comfort and entertainment during your stay in this city.

If you have any preference as to your hotel, we shall be very glad to have you.
express it; if not, and it is perfectly agreeable to you, we would like to provide quarters for you at the Vendome, and I would suggest that, if convenient, you make your plans to arrive in Boston on the 29th, although if course we wish you to consult your own wishes in the matter.

General Blackman and Colonel Wallace have been detailed to call on you at the hotel, and make all necessary arrangements for conducting you to the Hall.

I enclose circular sent to the grammar schools, and beg to say that the applications...
for tickets far exceed the seating capacity of
the hall, but we shall be obliged, in order
to give our adult friends their rights, to
confine ourselves to the number stated in
the circular.

Thanking you for the favor of an early
reply, I remain,

Yours Respectfully,

James C. Harris
Adjutant.
My dear General:

I enclose herewith promissory note of R. A. Frame and A. W. Stowell to yourself for $2250.00, dated March 31st last, and due eighteen months after date, with interest from date at 8%, payable quarterly. This note is secured by a mortgage, of even date therewith, on forty lots in Oak Park Addition to McMinnville, Yamhill county, Oregon, - which we have sent to the recorder of conveyances for Yamhill county to be recorded, Frame and Stowell paying his fee. When recorded and returned to us, I will forward it to you. I also enclose a letter from Mr. E. Quackenbush, of this city, relative to the value of the mortgaged property.

I collected from Frame and Stowell $156.00, being interest at 8% on the original note from May 18, 1893, (the date to which the last interest was paid) to March 31, 1894, the date of the note now sent you; and I enclose herewith draft on New York for this amount, less exchange.

Frame and Stowell have agreed to pay us a fee themselves for our services in this matter, so that we have no charge to make against you.
My dear General,

I enclose herewith a monetary note of $200.00 payable on May 11th.

The closing up of this transaction was delayed in the first place by the illness of Mrs. Stowell, one of the parties to the mortgage, and then by an unusual rush of business in our office and my absence for a few days. I trust that this delay has not caused you any inconvenience.

Dear Sir: Your letter of the 26th received. At the time I was too busy to take the matter up, and for past two days have been confined to home. So I really overlooked your request. I have today examined and I find over selling prices for the lots 40, aggregate $4,700.00, at our schedule prices we sold a large number and over 300 houses were built on the lots we sold; the prices were considered reasonable and the progress is up to now finest. Still, the cost of labor and material seems to be ample winning, and with the people you have behind it I know regard the $4,700.00 as necessary. I find myself profoundly impressed by the situation, and therefore I believe.
General C.C. Howard,

Dear Sir,

I am very desirous of bettering my position, and take the liberty of writing to you to see if you would further my interest.

I am at present engaged at 40, Sheane Building, where I have been for the last five years, but the chance to get promotion is very small, and using the hard times, the future here somewhat uncertain.

I have very anxious of becoming an engineer and am looking out for a position as engineer or pilor on a

I am therefore, if through your influence you would help me in securing such a position, I will be greatly indebted to you.

I feel somewhat embarrassed in thus addressing you,

But being 21 years of age, anxious to advance myself, and having such good parents, makes me discourage at the small

pay I am receiving, so if at any time you hear of a place of that kind please inform me, and I will proceed as once with the highest reference from the above firm.

Dear Sir:

Enclosed you will find a preliminary and partial program of the Reception to General Neal Dow and the International Temperance Congress at Prohibition Park, June 3rd, upon which you will see that your name appears.

If your name is queried, will you do us the favor to let us know at once if you can be present and take the part assigned you at the time mentioned—unless you have written to that effect within five days. Our Committee very earnestly urge that you will make every possible effort to fill the appointment as here indicated.

The figures, 10.00-10.30; 10.00-10.45, etc., at the left of page indicate the time that will be given to the discussion of each subject, including the opening speeches. Each speaker has been notified as to how much time he will be allotted, or will be within a few days.

Yours very respectfully,

Sec'y of the Committee of Arrangements

P. S. To secure the careful preparation of the papers, it is suggested that the Rev. James C. Fernhald, prepare a draft of it, and submit that in advance of the Congress to each member of the Committee for alterations and suggestions. If necessary, it will then be resubmitted for final approval. This will enable some members of the Committee who may find themselves unable to be present at the time to participate in the important work of this Congress.

Yours,
Capt. O. O. Howard, W.A.N.

Dear General:

I send you herewith enclosed the stenographic report of your remarks at our Loyal Legion banquet on the 22d inst. In glancing over it you will see that there are as usual quite a number of stenographic errors in it. Please correct and return the report to me at your earliest convenience. I want to have the pamphlet containing all the speeches made at that banquet printed and distributed to Companions before the 25th inst. The time is short but I can do it if the speakers will return the copy of their speeches to me promptly.

Of course if you desire to make any changes in your remarks you are at liberty to do so.

The pamphlet in which these speeches will appear will be a handsome one and, I think, exceedingly interesting.

With kinder regards I am

Sincerely yours,

Robert Hunter

Governor's Island, New York.

My dear General,

Replying to your favour of 8th instant, I enclose pass for Conrad P. Hohmann from New York to St Louis.

I do this in preference to authorizing a half fare ticket for the two, as that requires considerable circumlocution. The use of this pass and one full fare ticket would be the equivalent of two half fare tickets for both, which I hope will be entirely satisfactory. I am unable to make the arrangement any further than St Louis.

Dear Sir:

I am informed that papers will soon be forwarded you relating to the discharge from the service of Allen S. McGie, a private in Company G, Ninth Infantry, now statitioned at Fort Ontario.

This young man is of good family and habits, educated and of superior address, and lately married a young lady of this city, whose grandparents, both on the father and mother side, when I came here fifty years ago, were among the foremost and wealthiest citizens of this place. Through reverses in business the family is now very poor, and the many friends of the young lady are desirous that the young soldier be released, in order that he may enter upon other business and remain with his family. I am urged to state these facts to you, with the request that you will give the case such favorable consideration as may be consistent.
