I enclose herewith promissory note of R. A. Frame and A. W. Stowell to yourself for \$2250.00, dated March 31st last, and due eighteen months after date, with interest from date at 8%, payable quarterly. This note is secured by a mortgage, of even date therewith, on forty lots in Oak Park Addition to McMinnville, Yamhill county, Oregon, - which we have sent to the recorder of conveyances for Yamhill county to be recorded, Frame and Stowell paying his fee. When recorded and returned to us, I will forward it to you. I also enclose a letter from Mr. E. Quackenbush, of this city, relative to the value of the mortgaged property.

I collected from Frame and Stowell \$156.00, being interest at 8% on the original note from May 18, 1893, (the date to which the last interest was paid) to March 31, 1894, the date of the note now sent you; and I enclose herewith draft on New York for this amount, less exchange.

Frame and Stowell have agreed to pay us a fee themselves for our services in this matter, so that we have no charge to make against you.

Dear Sir, Your letter 20th was duly received. at the time I was too busy to take the matter up, and for past two days have been confined to house, so I really overlooked your request. I have today examined and I find our selling prices for these lots (40) aggregate \$4400. at our schedule prices we sold a large number and over thirty houses are built on the lots we sold. The prices were considered reasonable and the prospect of the new finest in the city, thus the prospect of ^{itself} would seem to be ample securing, and with the people you have behind it I would regard the \$2.50. as well secured. I find myself pretty shaky. Yours truly

General O. Howard,

Dear Sir,

I am very desirous of bettering my position, and take the liberty of writing to you to see if you could further my interest.

I am at present engaged at W. & J. Sloane (Bway & 19th St) where I have been for the last five years, but the chance for promotion is very small, and owing ^{to} the hard times my position here somewhat uncertain.

I am very anxious of becoming an engineer and am looking out for a position as fireman or riler on a locomotive or steamship, if through your influence you could help me in securing such a position I will be greatly indebted to you.

As my father belongs to the same ^{L.A.R.} Post as yourself I feel somewhat embarrassed in thus addressing you, but being 21 years of age, anxious to advance myself, and having such good parents, makes me discourage at the small pay I am receiving, so if at any time you know or hear of a place of that kind please inform me, and I will proceed at once with the highest reference from the above firm
W. & J. Sloane

Trusting that you will bear this in mind,
and thanking you beforehand for the trouble
you may take in my behalf.

Yours respectfully

Dear Sir:

Enclosed you will find a preliminary and partial program of the Reception to General Neal Dow and the International Temperance Congress at Prohibition Park, June 3rd, upon which you will see that your name appears.

If your name is queried, will you do us the favor to let us know at once if you can be present and take the part assigned you at the time mentioned—unless you have written us to that effect within five days. Our Committee very earnestly urge that you will make every possible effort to fill the appointment as here indicated.

The figures, 10.00-10.30; 10.00-10.45, etc., at the left of page indicate the time that will be given to the discussion of each subject, including the opening speeches. Each speaker has been notified as to how much time he will be allotted, or will be within a few days.

P. S. To secure the careful preparation of the ^{Journal address to Gen. Neal Dow,} paper, it is suggested that the Rev. James C. Fernald, prepare a draft of it, and submit that in advance of the Congress to each member of the Committee for alterations and suggestions. If necessary, it will then be resubmitted for final approval. This will enable some members of the Committee who may find themselves unable to be present at the time to participate in the important work of this Congress.

Yours,

Dear General:

I send you herewith inclosed the Stenographic report of your remarks at our Loyal Legion banquet on the 2nd inst. In glancing over it you will see that there are as usual quite a number of stenographic errors in it.

Please correct and return the report to me at your earliest convenience. I want to have the pamphlet containing all the speeches made at that banquet printed and distributed to Companions before the 25th inst. - The time is short but I can do it if the speakers will return the copy of their speeches to me promptly. Of course if you desire to make any changes in your remarks you are at liberty to do so.

The pamphlet in which these speeches will appear will be a handsome one and, I think, exceedingly interesting.
