Dear Sir:-

I am advised by Mr. T. S. Johnson, Secretary of the New York Mutual Savings & Loan Association, that he intends making an application to you for permission to have our association represented among the men in your command; and beg to say in relation to the association, that I am thoroughly convinced of the correctness and carefulness of its management and of the very large measure of surety which it offers to investors of that class. I have taken great pains to inform myself in relation to it since I have been its treasurer, nearly three years, and believe there is nothing in the management which will not bear the strictest and closest scrutiny.

Yours very truly,

A. Trowbridge

My Dear Sir;-

I have for some time been very desirous of procuring a late photograph of your good self, that I may have it to place among a collection of my distinguished friends; and not wanting to trouble you, I have made an effort to procure it where pictures of our noteworthy Generals are usually found; finding this impossible, I now take the liberty of appealing direct to you, feeling satisfied that if you possess one, you will grant my modest request.

Assuring you that the same shall be highly prized, and with kindest regards I remain as ever,

Dear Sir:

We are now laying our plans for next winter's Mens Mass Meetings. We mean to make these meetings the most successful, both in point of attendance and actual spiritual results of any we have yet held.

To the end that this may be accomplished we have invited, among many other prominent men, the following speakers, ex-Postmaster General John W. Hamaker Esq., Rev. Chas. H. Parkhurst D.D., ex-Gov. Beaver of Pennsylvania, Mayor Schieren of Brooklyn, Hon. Chauncey M. Depew, William Blakie Esq., Anthony Comstock Esq., Hon. E. Dodge Esq., Hon. Chas. L. Colby, M. W. Stryker D.D., Theo. L. Cuyler D.D. &c.

Will you not kindly consent to address our young men on Sunday, March 3rd or 10th, 1895, at 4¹⁵ P.M., for 30 minutes, on any gospel theme you may choose. We will give you an audience of 500 young men, extend a royal welcome to you through our committee and they will also stand any expenses incident to your coming.

Trusting that you can see your way clear to accede to our very urgent request, I am,

Cordially yours for the Association,

Respects
June 20/94

Secretary.

Genl O. O. Howard,
 New York -

My dear Sir: - I would be very much
 pleased to have you present me with
 an autographic copy of your "Life
 of Zachary Taylor". I have been an ardent
 admirer of your distinguished military and
 literary career as well, and would enjoy the
 perusal of this book.

I have the honor to be, Sir,

Your obedient servant,

Zeb V. Walser.

I received a message
from my sister this
morning sent from
Buffalo saying that
they would be in at
8:45 on the Central to-
night.

I am also sorry you
were put to all of the
trouble about sending to
the other address. My
friend had gone away
and the people there
told me where she was.
I could not leave word
with any one there so
wrote the postman and
went to the Post Office

Gen. C. C. Howard.

Dear Friend,

Both the letter
and the trunk reached
me, the former this morning
and the latter last night.
I am more grateful than
can tell you for
your kindness to me.

How much trouble you
did take! I should have
thought you would have
felt like dropping the great
thing into the ocean.
It had household goods

enough in it to start
to house-keeping in a
small way.

I was very much
disappointed at not re-
ceiving your message.
I inquired of the ticket
agent just as you told
me. He said "I have a
number of dispatches,"
then he looked over
about a dozen and
declared he had nothing for
^{me}. Perhaps he cannot read
the telegraph agent's
writing. I even inquired
at the Pullman window.
They must be very

careless there. I had
a lonely trip and
should have been
glad to hear you
talk on any subject.
I thought of course you
had not arrived or
had gone on and
I felt that I must
not loiter along the
way in that event
as I had only money
enough along to rent
rooms &c. till my people
came, and I feared
I would surely miss
you if I went to Niagara.

as soon as I had
a permanent address.

My sister and I
will be very glad
to go to see you as
soon as we get set-
tled, this week if pos-
sible.

With sincere gratitude
for your goodness to
me,

I remain

Yours truly,

Eileen Brickner.

General O.C. Howard, Governor's Island:

Dear Gen^l.

I am the pastor of the 17th St Methodist Episcopal Ch,
near 1st Avenue, and we are preparing for an International Christian
4th of July Service on the evening of Sunday July 1st in this church,
to which by my own wish, and the request of the Com, I very much desire
your presence, and there to give us some reminiscences of Lincoln, or
Grant, or some other of our brave soldier generals. Our program will
scarcely permit an extended address. We have secured representatives of
various nationalities, who will be present with their countries flag,
but the Stars & ⁺Stripes will surmount all, and the purpose will be to get
the people, and inspire them with religious gratitude for this land, &
so make them more loyal to the Government, and to Jesus.

We are about six minutes walk from either the 2nd Ave elevated station
at 19th St, or 3d Ave elevated station at 18th St. We will advertise, &
and to have everything done timely & well, we will be greatly obliged
if you will let us hear from you at your earliest convenience, and say
you will be with us, for there is need of doing just such work in this
vicinity. May I pray that God will continue to be with you?

Yours for the Master,

Alexander McLean
