Dear Sir:—

Your esteemed favor of yesterday just at hand. We should be very glad to act in accordance with your suggestion, and send some competent man to look over the material in your library, to which you refer. We shall probably be able to send someone during the present week or the early part of next. It doubtless will be a namesake of yours--Mr. H. W. B. Howard--a literary man of considerable prominence.

We have received your MS, although we have not as yet had time to examine same. We have no doubt it will be perfectly satisfactory.

Very truly yours,

My dear Sir:-

Allow me to thank you for your courteous note of July 10th. I did not suspect any intent on your part to disparage or injure me, but I did not like the attitude in which I was left, and had to do one of two things; either take up the matter for public discussion, or write to you. It is gratifying to me that I chose the latter, and I beg to subscribe myself,

Sincerely yours,

July 18. 1894 -  
Gen Howard -

Dear Sir -

Your fa-  
vor has been received  
and we are glad that  
you have consented to  
visit us. Our delay  
in writing was owing to  
the fact that some of  
the officers of the asso-  
ciation had to be consul-  
ted - Your terms are ac-  
cepted -

The day for our an-  
nual Veteran Associa-  
tion is fixed for Sept.  
5<sup>th</sup> at Cambridge, N. Y.  
The place is easy of access.

Hoping to hear from  
you soon so that we  
can print our arrange-  
ments, believe me,

Very respectfully -

Rev. Henry Gordon

Cambridge  
Mass. Co.,  
N. Y. -

You can come the day be-  
fore or you can take  
the evening boat to  
Troy, (having very fine  
accommodations) getting  
to Cambridge at 9 A. M.  
on the 5<sup>th</sup> - or you can  
take the 11 o'clock  
night train from New  
York to Troy, getting here  
at 9 A. M. - Perhaps  
the most comfortable  
way would be to come the  
day before - the 4<sup>th</sup> - leav-  
ing New York at 11 A. M. -  
There is a fine hotel the  
best in northern New  
York, close by the depot -  
Please let us know  
which way you will  
come, so that we can  
meet you at the station.

Dear Sir:-

After leaving you the other day I went home and hastily put together a few notes as best I could for the "Advocate." I think I am wrong in the dates. The papers say you are 65 next November. Should it not be 64, and the year of birth 1830?

Please let me know at once and send any suggestions or additions or corrections. I have not yet read the proof myself.

Major General O. O. Howard

My dear General

I see by the Army papers that General Schofield has completed his examination of applicants for brevets and that the nominations made would be the last sent in at this session of Congress. I am glad to see that the name of Colonel Bernard was in the list and hope it was on your recommendation for his service at Silver River Oregon in June 1848. As I understand the General of the Army only sends in the names of those who have been recommended by their Department Commanders I would respectfully request that you recommend that I be brevetted for my service at Silver River

as I can assure You if ever I deserved  
to be brevetted for Gallant Service I deserved  
it on that occasion.

Sincerely Yours
