
Maj. Gen. O. O. Howard,
Governor's Island,
New York

Dear Sir:

Thinking it would interest you to see the present situation of the Long Island R.R. Ry. Co. I take the liberty to send you under separate cover a pamphlet, just issued, treating the subject in detail.

Very respectfully,

D. O. Reusch.
Gen. O. O. Howard

Dear Sir:

Your letter of acceptance of Vice Presidency in the Boys Brigade was duly received. We thank you sincerely for your favor and your warm words of commendation.

Yours sincerely,

O. C. Grauer

Gen. Howard,
Governor's Island,
New York.

Dear Gen. Howard:

Mr. Reusch has just returned from Boston, where he attended the meeting of the Incorporators of the Boston & Lowell Road, yesterday.

Much to the gratification of all of us, the meeting passed off on the whole, pleasantly and harmoniously. The following gentlemen were elected as officers: Hon. F. W. Breed of Lynn, President; Mr. E. M. Boynton, Vice-president; E. L. Sanborn of Boston, Clerk, (this corresponds to Secretary, in this city), and also Treasurer. In addition to these officers, who are also directors, the following were elected Directors: Dr. J. B. Bell, William H. Boynton, H. M. Mawhinney, Albert Conant, Hon. G. A. Bruce and H. W. Moulton.

The Attorneys of the Company were instructed to proceed at once to obtain the necessary permission from the Railroad Commissioners of Massachusetts, to build the line.

As already stated, the meeting passed off harmoniously, and I believe, that a very good selection for president has been made in the person of Mr. Breed.

I send this line because I know you will be interested to know how matters went.

With my kind personal regards, I remain,

Very truly yours,

W.E. Scarritt

New York,

Dear Gen. Howard:

I received your letter yesterday from Boston, where I was in attendance at the meeting of the Incorporators of the Boston & Lowell Railroad. 

The object of the meeting was to fill the position of all of the vacant board, and the following gentlemen were elected as directors: Mr. W. M. Betton, vice-president; E. W. Snowdon, of Boston, clerk; and L. R. Betton, William H. Betton, and R. E. Betton, directors. D. J. Reilly, William H. Betton, and R. E. Betton. 

The attendance of the company was very satisfactory and the business concluded in a satisfactory way. 

As you are aware, the Western Railway is in a very good position from the railroad point of view, and I may say that the directors have made it known to me and to my kind personal friends, that they will be pleased to know how matters went. I remain,

Very truly yours,

My dear General:—

You know you promised me that at the next meeting of the Society of the Army of the Tennessee you would arrange to be with us at that time. I am especially anxious to have you with us this year as the meeting will be at my old home at Council Bluffs, Iowa, on October 3rd and 4th, and it will give me great pleasure to take you with me from here and bring you back. I shall endeavor to have as many of our old comrades present from this part of the country as possible, and I know that army will be very anxious and glad to see you. I am,

 Truly yours,

My dear Journal:

I am happy to report to you that the meeting of the incorporators of the Boston and Lowell Bicycle Co. at the Renu house, July 26th, was harmonious and satisfactory. The meeting was large, and I myself was much pleased with the character of the incorporators, several of whom I had never met.

Two of them are able attorneys, one of whom...
Mr. Bruce, was in the chair, and everything was conducted most carefully in a legal manner.

The difficulties mentioned in Mr. Faneuil's letter were gotten over in a harmonious manner, by providing in the by-laws that the terms of all the directors shall expire annually, begin again at the annual meeting. October next; and, later in the meeting of the directors, by selecting
Judge Bartlett, and Sir,

Bruce as our attorneys, and voting that they with the President, F. W. Badg Roy, should present our petition to the R. R. Commissioners for license to build.

He was when Mr. Bryan made his fight and did some pretty loud talking, but finally yielded to the unanimous sentiment of the directors, as indicated above; and we parted with this book of feeling...
all round. I hope 1887
and trouble you with
this long report, but I
trust it will be interesting
to you, and it is also due
to you, as following my
task better.

Yours very sincerely,

Dear O. D. Howard,

Your favor of the 26th came duly to hand and we have read with pleasure, the review in Christian at Work, which we herewith return. Have tried in vain to persuade Mr. Ohi, who runs the Chautauqua bookstore to buy some copies and have not sent him a copy of your letter. Perhaps that will win him over. Yours truly, E. W.

Dear Sir:

I have just received your letter of November 1st. I am very much interested in your proposal and would like to have a further discussion with you on the subject.

Please let me know the earliest time you can be available for a meeting. I would be happy to travel to New York or you could come to my office in Chicago. I am looking forward to hearing from you soon.

Sincerely,

I am not looking for any breach or compliment to my duties, even only such as such have her been done in ordinary business lines.

I am preparing a record of all services for use at some future time and have letters from nearly every officer under whom I have immediately done duty and would like to add one from you.

If you think any reference of these affecting my duties selfish, such importance to immediate action is not momentous. I must be obliged to you for a few references in effect as shown by the enclosed

Memorandum

This is to certify that Major S. T. Cushing, C. S. U. S. Army, served upon my staff as Chief Commissary of Subsistence of the troops in the field from June 19, 1878, to September 10, 1878, during the campaign against the Bannock Indians; and in addition performed the duty of Depot Quartermaster at Baker City, Oregon, from July 3, 1878, to August 13, 1878.

From November 6, 1880, until I was relieved from its command, he served upon my staff as Chief Commissary of Subsistence of the Department of the Columbia, at Fort Vancouver, Washington. He performed his duty in each capacity to my satisfaction.
My Dear General Howard:

I am very anxious to secure an appointment on the Police Force for the brave, Thomas Rogers, late a 1st Sergeant in the 5th U. S. Infantry. Now is a very opportune time for him to file an application.

One of the Police Commissioners, Hon C. H. Murray, is an acquaintance of mine, so I have given him a letter to Mr. Murray. I served for several years at Fort Kooch and Rogers was a 1st Sergeant during that time. I know that he was held in the highest esteem by all the officers, as a most capable and reliable man. He thinks you will remember him. If you can add a line of approval to my letter, or what would be better, if you have an acquaintance with any
of the Police Commissioners, and write them a letter to go in with these papers it would have great weight. If you have time, please look over his testimonials, and in which you will notice the high esteem he is held by the officers he served under.

With kind regards,

Sincerely, 7/117

Dear Sir:

I have a communication from you today addressed to the "Christian Advocate" enclosing your address at the Methodist Chautauqua, but as it has reference to Temperance, I think possibly you mean it for the "National Temperance Advocate." If not, please let me know. If it is intended for the National Temperance Advocate, all right.

My dear General Howard,
It was a great disappointment not to see you again at Chautauqua. I you had just left when I went to the hotel. Then you — it was very kind of you to have that lovely luncheon for us and I thank you very much. I hope you went away with an impression good enough to make you return sometime.
Please remember me kindly.

My Dear Sir:—In arranging a list of authors and topics for 1895, I have in mind an article from you as one of a group of articles under the general title of “Christianity and Good Citizenship.” Will you favor us with such an article sometime during the year 1895? I would want the article to contain about 1200 words, and would be willing to pay $30. for it. I would suggest the subject, “Christian Ideals in Public Life.” I would give you ample notice of the time when I would need the copy. All I ask now is, whether you would be willing to supply such a paper sometime during the coming year. You will remember that you contributed an article to this syndicate some months ago.

Hoping for an early and favorable reply, I remain,

Yours truly,

Dear brother Otis:

I have been to see Ella's music pupils and arrange for her to stay longer with you, as you suggested. They are very kind about it and quite willing that she should stay. I am very glad for their sake, for I hope the change will make them better able to do the hard work there is before them for the coming year. So we will consider it settled that they stay until the 1st of Aug. unless you tire of them before that. If so, send them home. Cannot you and biggin make them useful. It is not well for them to play all the time.

I appreciate your kindness, I assure you and only wish I had some way of serving you or yours. Gratefully your sister.
