My Dear Sir,

I have sent the Cabinet size photo to Mr. Lyman also the large one to 452 - 47 1/2 of this city but found no one of the name you gave. You did not say whether East or West.

I sent to the latter as I do not think the numbers run so high East. Can you throw any light upon the matter?

Yours Most Sincerely,

Davis Garber.
Major General O. O. Howard
Governor's Island

Dear General Howard:

Next month-Aвл 22-27-
our ladies held a "Corn Festival" the proceeds of which goes to furnish our new association building for young men. Among other things an evening is to be set apart for Grand Army meetings, to be known as "Grand Army Night" when not only the posts of this city, but also the posts from the surrounding towns will be asked to attend. Could you come, stating the evening that would best suit you, and what time?

We desire a short address, the general influence of your presence, the whole is a big affair, we trust you may see your way clear to be with us.

Very truly,
F. W. Meyer

Governor's Island, N.Y.

My dear General:

I have your letter of the 15th inst., and take pleasure in sending you a check herewith for $100 towards paying the $900 still owing on your Mission.

Mrs. Barber and I intended to have you and your good wife come with us on the yacht and were sorry to learn that you were out of the city at the time. We are leaving the yacht today and it is not likely that Mrs. Barber will stay on it any more this season. I may use it a few times going up and down the river and will then put it out of commission. We shall, however, be glad to see you at our home in Irvington sometime before you leave Governor’s Island, and Mrs. Barber will invite you to come and spend a night with us as soon as we can arrange it.

Remember me to Mrs. Howard, and believe me,

Yours most sincerely,

P.S. Forgive my use of a typewriter as I am crowded with work during Col. Greene’s absence from the city. He is taking a long needed vacation of two months in Europe.
Dear [Name],

I am writing to inform you of a recent development. As you are aware, the project we have been working on has been progressing steadily. However, due to unforeseen circumstances, we have encountered a significant setback. The impact of this setback is substantial and will require an immediate response from our team.

I have discussed this matter with my superiors, and they have agreed to provide additional support. We will need to prioritize our efforts to mitigate the effects of this setback. I am confident that with our combined efforts, we can overcome this challenge.

Please let me know if you have any questions or need further information. I am available to discuss this matter in more detail.

Best regards,

[Your Name]
Dear General Howard,—

You will permit me to acknowledge the receipt of your favor of the 15th inst. together with the two photographs which you sent on the same date. One of these at least and possibly both will be used in an early number of "The Chautauquan" to illustrate our interview which will be published in the same number.

Again thanking you for your courtesy in the matter, I am,

Very truly yours,

My dear Mr. Howard,

I would like very much to assist you in your latest noble effort in behalf of Camp Memorial Church, but find that it is impossible to do so at this time as my available resources are pledged.
To the very utmost, I can only give you any "God bless you," which I do with all my heart.

Faithfully yours,

My dear General,

You will notice I am back in town again. I had a stroke as Sec'y of this Co.

I desire quiet at night. I think you have thought I could best obtain it if I could take up my residence out at Fort McPherson, I called on Col. Livingston yesterday, and he stated that there was now 14 sets of vacant offices which there was that it would be better to have them occupied by a capable officer than vacant and stated that he would recommend that I be granted permission to take one of them if I desired. But had no authority himself to grant it. I therefore wired you this PM, requesting the authority. I would vacate any time they were asked for and would take the best of care of them. I desire to go into them at once. I must determine the matter immediately.

I will be very much obliged if you will telegraph me at once. I may be able to give definite answer at my office so I may be able to give definite answer at once to other parties who offer me other arrangements but which do not suit me as well. I will be much obliged if you will grant me the favor or obtain it for me or not in your own manner to grant. Very truly yours,

My dear General Howard:—

At their request I enclose this letter from our good brethren in Toronto. They are altogether worthy of your friendly consideration in this important matter, and I earnestly hope you can give them a favorable reply. It is a time of difficulty with them, as with so many other Associations, but I am well acquainted both with their chairman, Mr. Moore, and their secretary, the writer of this letter. They are good men and true, and are doing an excellent work in that leading city of the Dominion.

Toronto is within easy reach. The train carrying a through car to that city goes by way of the West Shore road, leaving the foot of Franklin Street at 5 P.M., and the foot of West 42nd St. at 5.15 P.M. It reaches Toronto at half past ten the following morning. Returning you can leave Toronto at 5 P.M. and reach New York at ten o'clock the following day.

Sincerely commanding these
