My dear General Howard:

Although I had a pleasant talk with Mrs. Howard, I did not get any photographs from her of the house, interior, etc. If you have any, perhaps you could send them enough for our artist to reproduce them. We should be pleased, also, to have any pictures of the family you might furnish us.

If, however, you have one in hand at present, we might send our artist to take photos or sketches of same. Answering your letter and thanking you for your kindness.

I am respectfully yours,

Gen. O. O. Howard,
Governor's Island.

Dear Sir,—

I note in the "Fourth Estate" of the 6th inst., that the "Magazine of American History" is to be revived under your management.

This suggests to me that my services might be availed of by you for the preparation of the MS., the reading of the proof-sheets, indexing the numbers and the volumes,—in short, similar work to that done by me on The Forum, which, however, does not occupy all of my time.

I shall be glad to give you full particulars about my work, other than those found in the enclosed, if you desire. I need hardly do more for the present than refer you to Mr. Walter H. Page, of The Forum; to the managers and editors of The Century Co., both in the Dictionary and the Magazine departments; to Messrs. Longmans, Green, & Co., Baker, Voorhis, & Co., Henry Holt & Co., publishers, of this city,—any or all of whom will speak from long acquaintance and business experience, in favor of my work.

My long experience (20 years) in literary work gives me facilities for other branches of magazine production than those mentioned above.

I shall be glad to hear from you in regard to the matter, and to have an interview. Very truly yours,

E. E. Trewar

I would mention particularly the feature of Indexing,—that being a special branch of my business, and also one of peculiar importance to such a publication as yours.

Dear Sir:

During the Civil War I was under your command. I was wounded and captured. I am now an inmate of the National Soldiers Home at Hampton, Virginia. I now get a pension of only $2.00 per month; under the laws I feel sure I am entitled to more. I am having difficulty in proving my claim. I think if I could see you I could identify myself to you and this might greatly assist me in getting the amount of pension to which I am entitled. My Dear General -

Our mutual friend General A. H. T. was, the other day, referred to in such complimentary terms to an order I wrote for General Weitzel that the idea occurred to me to print a few copies for my friends as a memento of the war.

So I send you a couple.

Dear Mr. Howard,

I have your letter of the 17th and enclosed I send you the former letter you requested. I wish you would send me your letter to the Secretary of War that I may forward it in person and also show him at the same time the letter that I have received in the matter from the W. M. Evans, Chairman of the American Committee. If this is correct to Army custom, will you send me a full copy at the time that you mail the letter to the Secretary of War. I shall try to have as little delay as possible in this matter as we want, if possible, to finish our work in the Pullman and have it in Washington by the 1st of June. 

Yours truly,

Dear Sir: Replying to your of 17th. We desire very much to have you with us Oct 26th, would suit but hardly feel justified in paying one hundred dollars. All we want is a short talk of about twenty minutes suitable to the occasion. I thought you might accept for fifty dollars the amount paid you when you delivered the commencement address some two years ago for the YMCA training school. Could not you come to use the same conditions? Considering the purpose for which this festival lasting half day, is given, namely to furnish the new building, a rendezvous for our young men will this small amount not deter you from coming?  

Yours sincerely,

Dear General:

I have just received your letter of September 17th, enclosing telegram from Colonel Lewis, asking permission to occupy quarters at Fort McPherson.

I would of course very gladly do anything that might be agreeable to Colonel Lewis, and I do not know of any objection to his occupying the vacant quarters at a military post, but you will observe that the order issued yesterday contemplates the filling up of Fort McPherson at an early date by the 5th Infantry, when, I take it, there will be no vacant quarters remaining. It would not be worth while for the Colonel to occupy a house there for so short a period.

Yours very truly,

General:

I write to request your favors in obtaining that recognition of my claim from the War Department, which has been accorded to many others. The enclosed copy of remarks of Col. Ewan Miles, on a communication from the Commanding Officer, 1st Cavalry, gives the estimation of my services in the battle of the Wounded Knee, June 13th, 1898.

As Col. Miles mentioned me in his report to you as Department Commander, may I ask you to use your influence with the War Department to secure me such recognition?

On the 13th (1847) the Indians were found in large numbers in the vicinity of the United States Agency, and no arrangements were made to repel them. The agent, Major General Sibley, and a distant friend of the Company, were present together. Second President J. W. Washington. For a time the Company, having been engaged in the construction of the Comanche Agency, were in poor condition to repel the enemy, who were expected to number probably 600. The Company, under Captain Hartley, was formed in line, and the enemy were met in a body. After some 500 Indians were engaged, the Company broke away, and the enemy pursued. An indeterminate number of the Company engaged were wounded.

Referring to request of 1st Lieutenant R. P. Page, Stainwright, 1st Cavalry, in accompanying communication, I have the honor to state: — By recognition of his excellent services at the battle against the Bannock Chute Indians near Umatilla Agency, Ore., July 13th, 1878, it is in my report of 1878 to the Commanding General, Department of the Columbia, Lieutenant Stainwright showed conspicuous gallantry in charging and driving the Indians, that largely outnumbered his force, from a strong position on top of a hill.

My dear General,

Your favor of the 8 inst. with enclosure was received. The Insurance Companies concluded to pay the claims on them without incurring any further expense of sending an adjustor to Panama. Mr. Bell wishes to keep your letter of introduction which you enclosed—if you will permit him to do so, as it contains your autograph.

I regret that he is not to go down there—although as you observed remarked, he might not at least have accomplished anything.

I should be so glad for my Aunts sake of something can be done with the property—

With kindest regards,

Yours,
