Gen O O Howard Sir :- I hope you will  
pardon me for troubling you but I wish to  
ask for information in this matter  
Since yourself and your staff left Gov-  
ernors Island I have conducted the store  
there at a loss. There is a man who is  
willing to buy my stock and fixtures if I  
can have extended to him the same privileges  
that ~~were~~ extended to me. He being a  
butcher would do his own work and thus  
save expense. I feel that if I go about

enquiring about having the privilege granted  
they might take a notion to conduct  
the place themselves in connection with  
the Post Exchange which would do away  
with the prospect of me getting anything  
for my fixtures. What I want to know  
is to what officer am I to go to have

If you will please inform who  
he is, it will keep the matter quiet  
until I am ready to announce it.

Hoping that I am not presuming  
too much in addressing on this matter

My dear Genl. It is  
early to say. I  
was greatly disappointed  
& but for to day's  
disappointment, there is  
no half way - nor  
shadow of doubt. In  
the brief moment, in  
which we said the  
6 o'clock boat, I  
had no idea, it was  
possible for my afternoon  
auties to keep me

too late for that one -  
but alas - as Chapter  
Regent, one must  
stay to the close - & I  
could not catch  
the boat - & waited  
in grim disaffection  
for the 6 1/2. Had I  
not been going away  
known warning for a  
fortnight - I knew I could  
hope to see Mr Howard  
& myself again. Now  
I cannot. Last winter  
when in N. Y. I tried to  
get at you. This  
winter I have spent  
in the Sandwich Islands

& half believe they are  
the original garden of  
Eden. So much has  
transpired since I last  
talked with you - & you  
are so strong to help  
the weak - when faith  
grows dim. The mystery  
of death - & the mystery  
of sorrow. Adieu forever  
in my heart. I cannot  
feel - if there be a future  
that this life - has, in that  
future - even a memory.  
Inside of twenty months  
my sister - my sainted  
mother - & two others - torn  
out of my heart - & then

Very much love to Mrs  
Howard. I feel I am  
robbed of something &  
very much work & need-  
ed right of you both &  
especially some of your  
strength & faith. I have  
been out of the world so  
effectually since nearly four

year - Henry died three years ago  
that I know very little of any  
thing which is going on about  
our own business & our children  
duties. Good bye - & God  
bless you both always most sincerely

Dear General:

Mrs. Rice is the President of the Ladies' Aid Society of the Methodist Church here; and it has occurred to her that it would be a fine thing for their Society if she could get you to stop at Bakersfield on your way to Los Angeles, and deliver your lecture on "Grant at Chattanooga," or some one of the other good lectures you have in your repertoire.

If such a thing is practicable, and you can find the time to stop over, will you please let me know what your terms are for lecturing. (This part of it we desire to be strictly a business proposition.)

We have a spare bedroom; and it would afford us great pleasure to receive yourself and Mrs. Howard as our guests, should you find it practicable to stop en route.

I have mailed this with a special delivery stamp, because I do not know certainly where you are stopping; and hope to reach you better in this manner than in any other.

If you can come, please state what day you could be here; and I will wire you at once whether we can make arrangements or not.

Mrs. Rice and Ruth send kind regards to yourself and family. I suppose you have heard of our sad bereavement in the loss of little Frances last October. It was a great blow to me.

With kind regards,

Yours sincerely,

Frank S. Rice.

Dear Gen. Howard.

We of Mills College, Faculty and students, are glad to know that you are on this Coast once more. We want to look into you face and hear your voice. Can you not grant us the privilege?

You can reach us in an hour and fifteen minutes from the City, by boat and rail. Prof. Keep would gladly go over and escort you from the City if you can possibly come.

I am anxious that our young people should look upon one of our famous generals, whose history is so identified with our Civil War, of which they know only what they learn from books.

Kindly consider the matter, and if possible, I hope we may have the pleasure of seeing both you and Mrs. Howard here.

With highest esteem,

Believe me,

Major-General O. O. Howard,

Dear General:-

Mr. James E. Moseley, Secretary Monona Lake  
Assembly, Madison, Wisconsin, makes a proposition for Friday,  
August 2, 1895. You are to speak at Rome City, Indiana, Sunday  
August 4. This would give you Saturday to go from Madison to  
Rome City. The distance from Rome City to Chicago is 149 miles.  
The distance from Chicago to Madison is 139 miles. Time to each  
point from Chicago about four and one half hours. I have told  
Mr. Moseley that you would probably not care to go so far west, but  
that I would submit the matter to you. Possibly it can be  
arranged so that your address will be given during the latter  
portion of the afternoon or evening of August 2, thus enabling you  
to reach Chicago during the night and leave Chicago in the morning  
of August 2.

Yours truly,

My dear General:-

About all the information I can give you in re getting to your San Diego land is that it is Sec. No. 36 T. 11 S. R. 11 E. S. 3 M. San Diego County. You may be able to get a conveyance at Frinks or at Flowering Wells, but I doubt it. I think Salton is the most likely place to get a team, but that is some miles to the South East as you will see by the map.

Sorry I could not see more of you.

Hope you will have a most pleasant journey.
