Dear General:---

Yours of the 13th. is just at hand. I take pleasure in enclosing you draft for \$25.00. After writing you before we at last received word from General McCook saying that he would under no circumstances write anything about Shiloh for publication. We replied saying that we would be glad to have him contribute anything of a general nature which was in the way of reminiscence, and asked in regard to Shiloh at your suggestion. We must say that the General is not very good at answering letters, for although we enclosed him a stamped envelope and asked for an immediate reply, we have not yet heard from him, although nearly ten days has passed. We must therefore give up any idea of using anything from him, as the time is now too late. We are sorry that none of those to whom you recommended us saw their way clear to contribute anything. We have a very nice contribution, however, from Bishop Newman in the way of personal reminiscence of Grant. If the book meets with as much success as we hope for, we shall be pleased to remunerate you further as suggested.

Very sincerely yours,

Robert W. Patton

I hasten to say-I appreciate that it would be very agreeable for you to stop with an old comrade,and while I seriously regret that you are not to be my guest during your stay in Lowell,I hope that you will, at least, give me a call; and I may add that some of the Officials of our Grand Army have expressed at least a gratification in the hope that you would be at my home and had contemplated conferring with you in regard to Memorial service next year.

No doubt you will have a royal entertainment at Gen.Butler's old home,where in his day,I have had much pleasure by his kindly invitation. Gen. O. O. Howard,

Dear Sir:-

We have on the twenty sixth of June in our City an immense Field Day of all our Sunday School people. The one last year was a grand success there being fifteen thousand people present.

One feature of this Field Day is an address. Last year it was given by Gen. Gibson, since dead. It is the unanimous desire of our executive committee that you be present with us this year. It comes on the twenty sixth day of June.

Can you come and if so, on what terms?

Yours truly,

Dear Sir:-

Louis Paterson, late private
Co C 13 N. Y. Cav. lives in this
vicinity and his condition is very
sad. He is nearly blind from
disease contracted in the service of
his country, he has consumption
so that he can hope to live but a
very short time. He lives in a
little one story cabin and his wife
frequently is obliged to go out
shovelling sand to maintain the
family. During the past year
or two he has rec'd a small pension
but there is quite a large amount
of back pension due him ~~which~~
he can not secure on account
of failing to locate any of the

officers or privates of his old
company.

Mr Paterson gives the names
of some officers as follows:

Co C 13th N. Y. Cav.

Capt Fitzgerald

Lieut Hawkins

Orderly Sargt Engleson

Quartermaster Sargt. White.

Knowing that you are well,
acquainted with army affairs I
take the liberty to request that
you will kindly suggest the most
likely way to find some of these
officers. By giving this matter your
attention you will confer a great
favor upon a worthy veteran
of the war.

Dear General:

As you suggested on Sunday last, I mailed to you on Monday a postal reminding you of the letter which you kindly offered to send me to the Steamship Co., to enable me to secure a pass to Germany for Mr. Ruehs. As I have not received any reply, I fear that the postal was not received by you, and I therefore write you. Mr. Ruehs' full name is Ernest Ruehs-Schreiber. He is now ready to leave for Germany, and I desire as soon as possible to see what can be done in regard to the pass, that we may know just how much money is required to meet the expenses.

Thanking you for the interest you feel in the matter, I am,

My dear General:--

Your letter of the 16th inst. is at hand, and I enclose herein a ticket for your daughter-in-law, Mrs John Howard, from Chicago to Negaunee. The North-Western road does not run to Sault St. Marie, and I therefore send a ticket to the Junction with the Duluth, South Shore & Atlantic road. Mrs Howard may prefer to go via the "Soo" line, which crosses the North-Western at Gladstone, this side of Negaunee.

Dear Brittie:--

This letter explains itself. From Negaunee or Gladstone the distance is so short that it would only cost \$4 or \$5, hardly enough to ask a fare for, & further down's know which way you will go. All well. Haven't heard from Pas Agt of C.B. & N. Ry yet - off. Harry

Dear General.

I presume that by this time you are comfortably settled in Burlington. The children's letters are full of information and interest. Both Mary's & Grace's letters show improvement already. Mary is very dull. The air is full of uninteresting expectancy. Men who have passed youth are experiencing what might be called purgatory in business. I have received two letters from Uncle Charles somewhat encouraging but with no certainty. Our Trustful Enterprise has life yet but is in a critical state. I shall be glad when the suspense is terminated.

You were wise to choose to live in the East. Our affluence of prosperity & depression are too great since the advent of railway connection with the east. We are either in a fever or chill. Literature & gold mining seem to be the only profitable callings now-a-days. Grace's health is I think a little better generally. Berne does not recover rapidly from the after effects of the Scarlet fever. We have taken her out of school again and will not send her again until thoroughly recovered. She is

My dear Sir,

I have the honor to acknowledge the receipt of your letter of the 14th inst. in relation to the proposed extension of the line of the New York and New Jersey Railroad from the city of New York to the city of New Jersey. I am very glad to hear that you are so interested in this project, and I am sure that it will be of great benefit to the country.

I have been thinking much about this matter lately, and I am convinced that it is one of the most important questions that we are now facing. It is a question of the future of our country, and it is one that we must all be interested in. I am sure that you will find that I am in full sympathy with you in your views on this subject.
