Dear Gen. Howard:-

I write you at this early date to see if I can not secure you to give an address at our Young Men's Meeting, Sunday July 1st.

It is to be Patriotic Sunday with us, and an invitation will be extended to the Grand Army, and the Montpelier Guards, to attend in a body.

Now I know the many many calls you have thrust upon you, and how inadvisable it would be to accept all invitations even if we had the time. But if you have not already engaged yourself for that Sunday I think for two reasons you should come to Montpelier.

First. We have just started the work

here and need very much strongly before the public
as we can between now and the time of our winter
work. There is nothing that will put us on
such a footing, as the doing of a strong
religious work these summer months. And thus
attraction for July 7th is the strongest one that
I have looked.

There is no one I know of, that
can do us the service you can.

And second I am of the class '92
Y.M.C.A Training School and you delivered
the address at the time of the Graduating of the
class, and because of that, there is a little connection
that you might look at.

I trust you will decide to
come, for we do so much need you, just at that time.

I'll be pleased to hear from you soon

Yours Very Truly

D.M. Spence.

My dear Sir.

I received your kind welcome letter and I did what you told me to do, but they did not have anything at present. I am still trusting in the Lord.

I need the work very much because I have to pay my landlord five dollars, I owe so long and I think it is about time to pay it. And I have not one cent to buy anything I have gone sometimes three days without a meal. Now dear General couldn't you help me out a little.

I must get something to do or what shall I live on. I need clothes and everything.

I can get work in Jamestown N. Y. If I had the money to get there. I know you will do something for me, and some day I will be able to pay it back.

I am also bound to get an education
and I shall get it.

I shall work and get enough money
to pay my own way through.

Well I must close now.

May God Bless You

From Your Young^{& kind} friend

Dear Bro.

As I am to report the Annual Meeting of our American Home Missionary Society for one of the Boston papers, I write to ascertain if you can send me in advance an abstract of the address you are to deliver on Tuesday evening?

I shall consider it a great accommodation, as it will enable me to put it in shape for publication prior to leaving for the meeting. If you can mail it so that it might reach me by Saturday evening, June 1st, or not later than Monday the 3d, I can make the desired use of it. Of course you will understand that it will not appear in print until after its delivery at the meeting. Hoping to receive an early and favorable reply, I remain,

Yours in Christian fellowship:

Geo. E. Lovejoy.

My dear General:-

I am very much disappointed to receive your declination. The prominent figures of the war grow less every year, and we cannot spare those who remain. Your friends are so numerous in the Society, your absence will be deeply regretted.

There is a movement to invite the Society to Burlington next year; and your presence will secure the acceptance of the invitation as against a similar invitation from New York. I earnestly hope that you will reconsider your decision and be with us. Come if possible .

Sincerely yours,

Horatio C. King
