May Gen. O. O. Howard.

New York  
City

Dear Sir and Comrade.

I have been reading your Address together with others both Union and Confederate Generals, at the battle field South and I must confess to you that while reading the loyal words that were spoken there by those who once done so much to destroy our Union made the tears run down my cheeks with joy to think we are one loyal people under one flag again. It was my fortune to become acquainted with Gen. M. C. Butler Late Senator from South Carolina during the year immediately after the war during the reconstruction days my Regt the 25 Ohio V. V. I. was kept in South Carolina until May 1866 doing garrison duty and looking after the freedmen which were under your control - we had to make contracts between the freedmen and their former masters. They usually receiving  $\frac{1}{3}$  of all produce raised for their labor. It was while

Stationed at Edgefield Courthouse the home of M.C. Butler  
and being quartered six of us as garrison I being only  
Sergt at the time in Command of the post. That I  
became acquainted with Gen. Butler I found him  
very much of a gentleman and always treated us  
kindly. Last August I wrote the General a kind letter  
recalling the days spent in his home village and  
requested his Photo. as a keepsake among my collection  
of Generals of both sides of our family trouble. He wrote  
me a nice letter and sent to Washington and had his  
Photo. sent to. If not asking to much I would be pleased  
to have one of yours to put with my collection as I was in  
Your command at Sperryville Va when we marched all  
night to reinforce Gen. Banks near Culpeper C.H. while he  
was fighting Jackson. And. would be pleased to have  
the address of a few of the leading Confederate Gen. as I  
take great pride in looking at our American Heroes.  
I went in to the service at 20 years and served five  
years and fourteen days. am nearly 55 and feeling  
considerably broken down. excuse this lengthy letter  
and believe me your friend & Comrade

Dear Uncle Otto:-

I send you today  
an account of Joe Gam's ordination.

The baby spoken of in the  
article was born just after you  
were here, & was named "Howard"  
for you & Uncle Charlie.

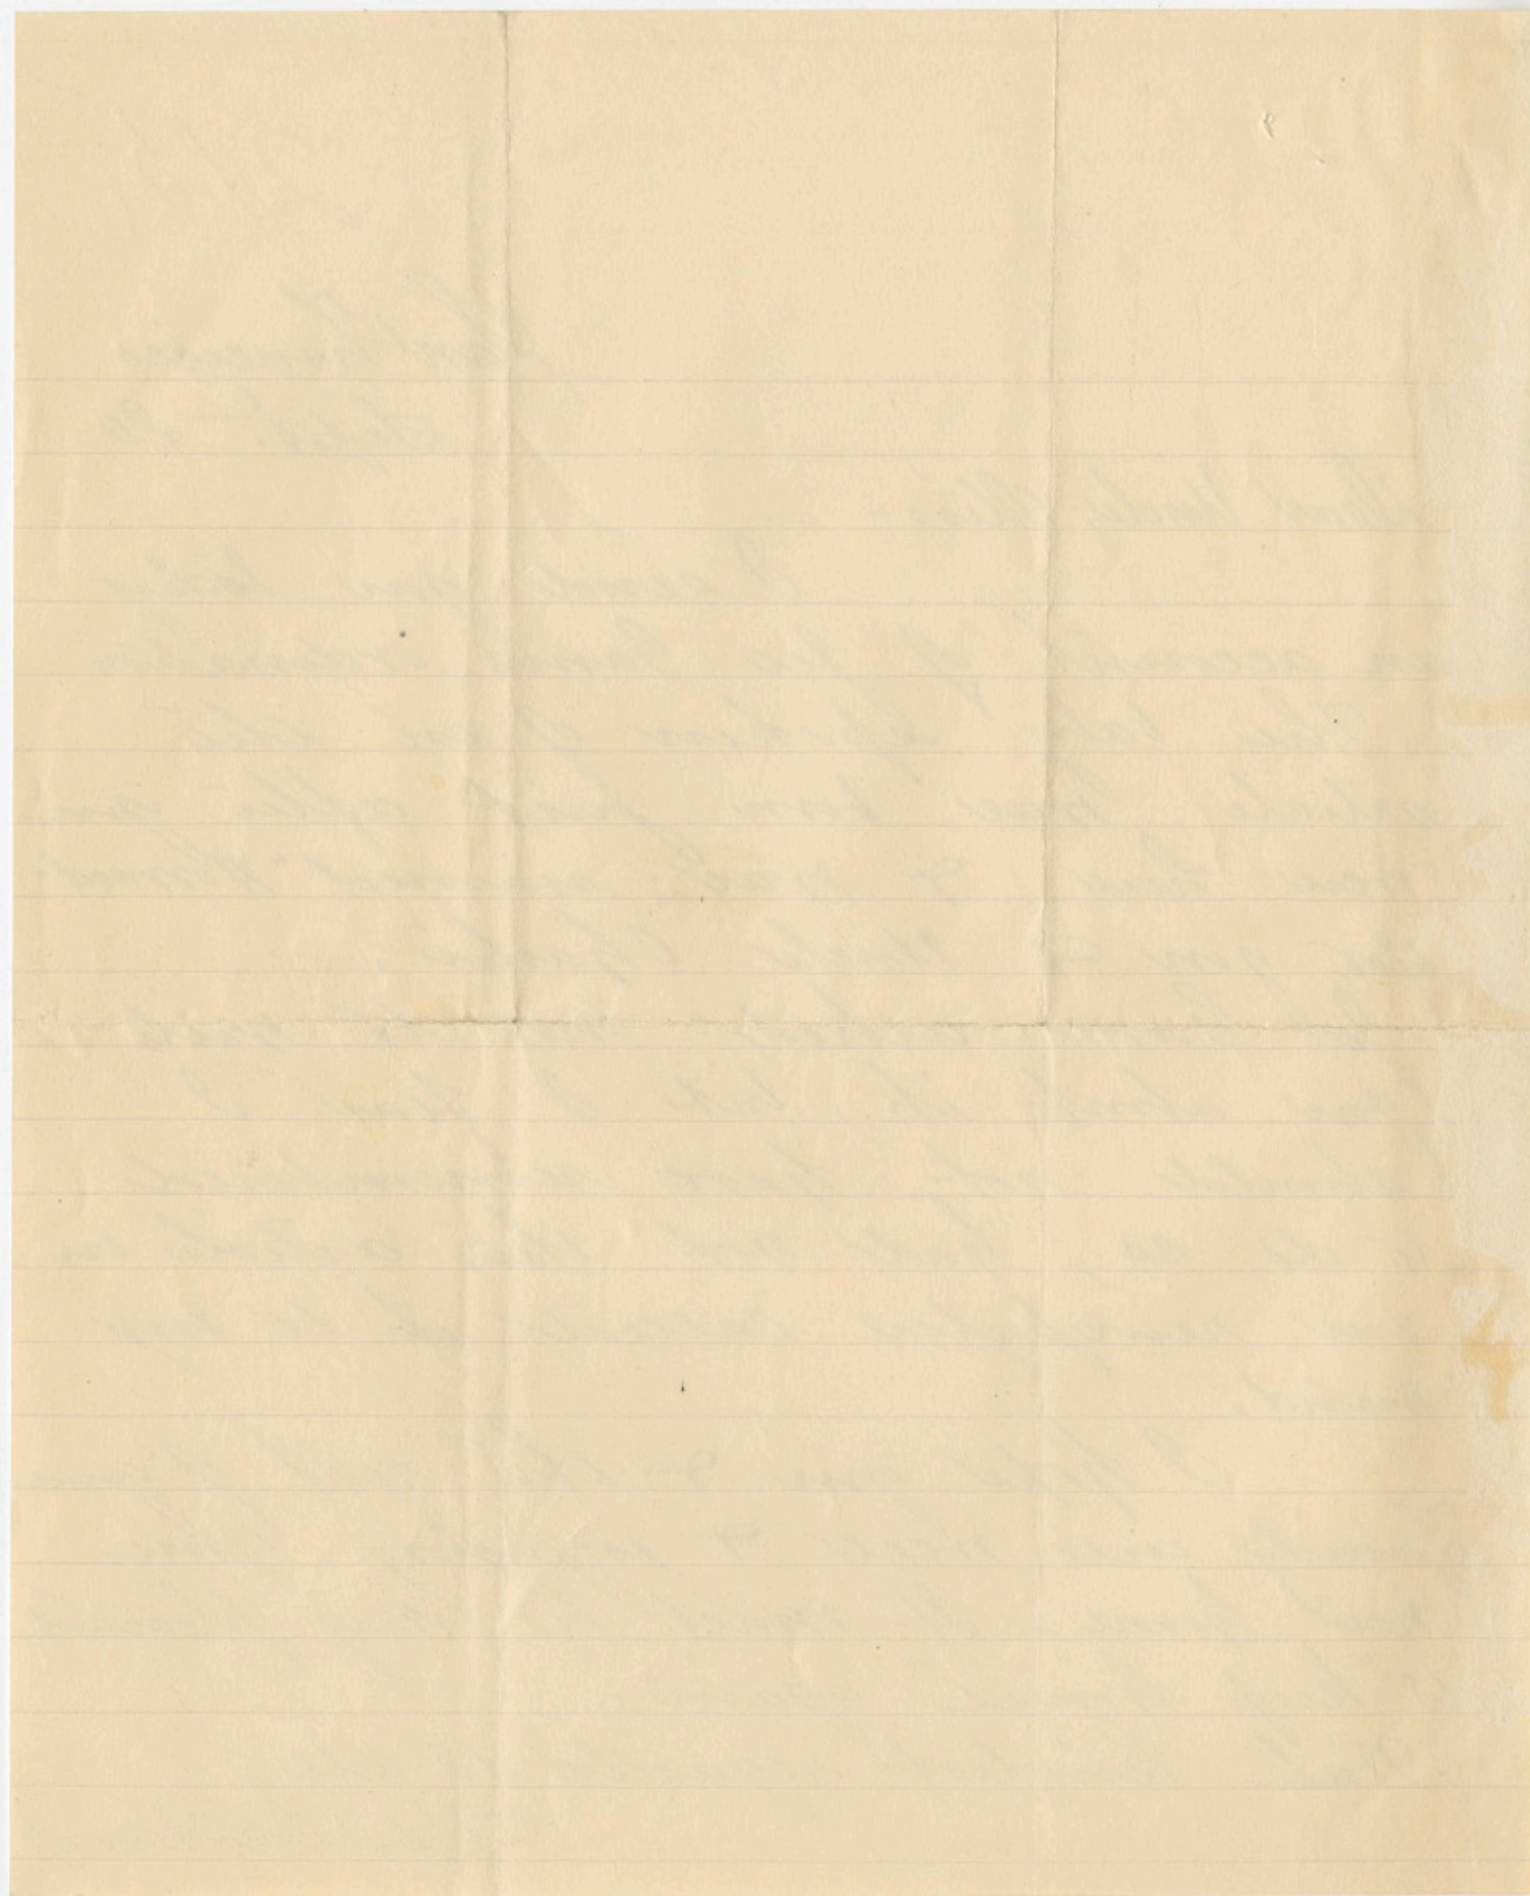

Joe Gam asked me to write  
you about it, but I fear I  
should not have remembered  
to do so, had not this article in  
our newspaper called it to my  
mind.

I hope you & the rest of your  
family are well & enjoying your  
new home. It must be very pleasant  
to "keep house" again.

With kindest regards to all,

Helena Dalton Howard.

My dear Gen Howard

My Youngest daughter -  
- the only one at home  
just now - insists on  
having me as our  
guest. To me this  
will be a great pleasure  
My only feeling was & is  
that I ought to put  
you into bigger &  
better quarters. ~~Howard~~

I hope that you will  
Excuse our humble  
home & come to us.  
for, now, that Daisy -  
- my housekeeper at  
present - says that I  
am to visit you  
I have no alternative  
Be assured that the  
Magnificence of our home -  
- as the want of it - will  
not begin to compare with  
the heartiness with which  
you will be received.  
Let me know the hour  
of your arrival and I  
will meet you.  
Yours Sincerely W. Walker Lloyd

Dear Cousin

Arrived home

at once. I will write  
again when I am  
rested and sorted  
off somewhat. All  
well here.

Dear General:

Boston, Sept. 23 1895

I am in receipt of your telegram stating that you will arrive in New York the 25<sup>th</sup>. I understand that you are to lecture in Fall River the night of the 25<sup>th</sup> so I can see at once that you would have no time for me in New York on that day. I must therefore try to see you in Mass. Now can you come to Boston and stop over after your lecture with me the 26<sup>th</sup>? If so and it wasn't for only an hour or two I could have a talk.

with you. If you can't possibly arrange  
to give me an hour or two (of course I should  
like to have you come and spend a night  
with me) will you please wire me so and  
I will run down to Fall River to see  
you either before or after your  
lecture.

Very Respy Yours

Gen'l O. O. Howard,

My Dear Friend:

Permit me to call your attention to the enclosed leaflets, which present a plan for the co-operation of local churches, and suggest lines and methods of work.

We have reason to believe that the time is at length ripe for the movement the Evangelical Alliance is now inaugurating, and in commending it to the churches we would be glad to add the indorsement of a few representative men in each denomination.

If you approve the plan, we would be much indebted for a few words expressing your opinion. We would also value any suggestions which may occur to you.

Hoping to hear from you at an early date, I am

Yours faithfully,

*Josiah Strong*  
General Secretary.

My dear friend Genl. Howard.

I was so sorry not  
to see you again in Chatta-  
noga before leaving. I left  
our good byes for you, but  
in the general confusion I  
fear my little message did  
not reach you, and ~~perhaps~~  
you had forgotten the ~~little~~  
mission, if indeed, it ever  
occurred to you. But you were

more worthy of it. Please remember <sup>me</sup> with the  
greatest respect to your wife, and tell her  
something of me, so that I may feel I am  
not entirely strange to her, as she is not  
to me. Remember when I tell you that I  
shall remember the reunion of the  
Army of the Tennessee at Gettysburg, much  
more pleasantly than I could have done  
because of the friendly sympathy of Genl. Howard.

so kind to me General through-  
out our little trip, and I  
appreciated your friendship  
and kindly interest so much,  
that I could not content my-  
self without writing you  
some little expression of my  
gratefulness. I shall always  
remember your helpful words  
in my endeavor to live a  
Christian life, and the memory  
of your kind estimate of me  
will certainly help me to become

Dear General. I am now preparing a book to be entitled "The Camp-Fires of the Union & Confederacy" it will be a volume of "Numerous anecdotes" "Reminiscences" "Deeds of Daring" &c. Three Hundred Copies of the book will be distributed among the U.S. Army Posts, soldiers' Homes, (Federal and Confederate), and Historical societies. If so, will you please contribute what you can to the book? You are at liberty to make the contribution as long or as short as you like. No matter in what

shape it comes, it will be appreciated  
I have written to other officers of the  
Union and Confederate Armies, and have  
received favorable responses. - I would  
not consider the work complete with-  
out a contribution from you - and  
feeling as I do I hope you will  
favor me. This is the only work of the

published and it is my desire to  
make it as interesting as possible

wonderfully. every contribution will  
be beautifully illustrated.

Dear General Howard,

I am an applicant for the position of Commissioner of Connections under Col Strong. My Original Application was filed last November, a copy of which I enclose. Now some of our Military friends have that in conversation with Mayor Strong, that I should support my position by a petition from Grand Army Men. Cols Loveland and S H Adams advise my sending to you for signature. Gen Miles was my Division Commander and he will sign first, but at present under the circumstances I cannot.

Gen Butterfield, Serayne, Webb, Woodford. The Dept Commander Atkinson and S H M. Men generally will follow.

Now will you kindly do me the favor and honor. Even if I do not get the position I need like to have the paper for record. The Lord overlooks all, bless his dear name.

Col Loveland undertakes the petition from facts in his possession.

Kindly return the papers as soon as convenient.

Trusting that you are enjoying your Change from active Military life, and with remembrance to Mrs Howard

Dear General Johnson,

I am an applicant for the position of Commissioner of Corrections under the State. My previous application was filed last October, a copy of which is in your hands. Some of our abolition friends have been in communication with the State Department that I should support the position of a petition for the same. I have been doing this. I have been advised by some of the friends of the cause to write to the Division of Corrections and to the State Department, but at present under the circumstances I do not. The Department, however, I hope, will follow. I am with you, dear General, as the cause is one of the most just and the most noble. I have no doubt but that the friends of the cause will be able to secure the necessary support. The State Department, I hope, will be able to secure the necessary support. The State Department, I hope, will be able to secure the necessary support.

Very respectfully,

Enclosed find an application for the position of Commissioner of Corrections, and a petition for the same. I am, dear General, very respectfully,
