Dear Sir;--

We have in preparation a book soon to be published, the outline of which you will find hereto attached. The idea of the work is to show the development of civilization along the various lines from ancient times clear down to the present. The various chapters are written by prominent men especially qualified for their particular chapter.

We have associated with the work many of the leading men of our land. We know of no one so well qualified to write chapter #9 "Soldiers", as yourself; besides the people of our country would appreciate the chapter from your pen, probably more than from any other man that could be secured. The chapter need not be very lengthy, say twenty-five hundred to three thousands words, showing the work of the soldier from the ancient crude plan of warfare down through the times and up to our present improved army equipments, together with a brief work about some of the great soldiers of the world, and especially of our own land, the service that they have rendered the country &c.

We of course expect to pay you for the article, and would be glad to receive it at your earliest convenience. The writer tried to meet you when you were in Springfield at the International Y. M. C. A. meetings. He heard your address, but was unable to meet you personally. The enclosed circular of our last book will show you the character of the persons identified with our books. We publish a line of books especially suited to the masses, retailing at a low price and meeting the needs of the average home. Our books are of an elevating character, and plan for the accomplishment of good. Please let us hear from you within a few days, and trust you will send us a favorable reply.

Yours very truly,

W.C. King

MOUNT VERNON, N. Y., Oct. 19..... 189 5

My Dear General Howard:-

- It is now nearly two years

since you came to Mount Vernon & gave us a
lift - at the dedication of our Church.

You know better than I can tell you of the
difficulties in the way of building up a Congl.
Church in or near New York. Thus far we
have gone straight ahead though slowly.
Now we want you again - as Mr. Reilly
has written you for December 8th. - We
are to have a week with a prominent
Congregationalist every evening - You can
help us - and help Congregationalism
in our City - and help the cause of
Christ if you can see your way clear to
spending a Sabbath with us. If you
cannot come on the 8th - please tell
us whether you can come for any day
^{during} Dec 1 - 8 - inclusive - I hope you
can help our young Church in this
way -

Very cordially yours
L. F. Buell.

I read your letter with regard to the monument. I have seen Letta Howard, the days he will do what he can to help carry out your wishes.

I think we can get teams to haul the stone from the depot to the hill I send you a list of names of all the soldiers from Seeds that I know of you can select from it the names that you wish to have on the tablets.

I wish you would write me how much the heaviest stone would weigh that you propose to use D. J. L.

definite dates for one reason,
and for the other reason that
its influence with you might

Our purpose is this = On Dec 1st
next our Pastor Rev L. F. Buell. will

little church here at the dedication
of which I understand you
assisted the meetings will run
through from Sunday Dec 1st to
Sunday Dec 8th Sat. excepted, they
will be successively addressed
by well known Congregational
Ministers, including Dr Lyman, Dr
McCloud Rev Lyman A. Pratt, Dr Virgine etc

It is not a revival or a sensational
occasion but a plan to draw -
public interest towards ~~toward~~
Gods work as seen and done
in the Congregational Church, we
are a healthy little body of 88 members
now and we wish to advance with
the same healthy spirit to a
larger and more extensive usefulness
These meetings every successive
night addressed by some of
the grandest men of our church
we feel sure will arouse ~~the~~
very deepest interest and open
the way for advancement in
this growing community

The first part of the document
 is a list of names and dates
 which are arranged in a
 regular order. The names
 are written in a cursive
 hand, and the dates are
 given in full. The list
 continues for several pages
 and contains a large number
 of entries. The paper is
 aged and shows signs of
 wear, particularly in the
 upper portion where there
 are some stains. The
 handwriting is clear and
 legible throughout.

With this explanation will
you generously consent
to close this succession of
meetings on Dec 8th

We are aware that we ask
much but our aim is a grand
one and our anxiety is to have
our church life put before
the community by those whose
life long loyalty to its principles
will command instant attention
and respect

My only offer to pay all expenses
for traveling and entertainment
either at a hotel or if you would
so consent to become my guest
at my home which is only half
a block from the church I will
promise you every comfort
and convenience possible while
appreciating such honor done me

Dear General Howard:

Some weeks since I sent to you among other leaders of religious thought and work in the United States some little leaflets, presenting methods of Christian work and co-operation which we are now inaugurating in local alliances. I have received many very gratifying letters in response. These I desire to print at an early date; and as I place a high value on your opinion I very much dislike to omit it from the list.

I therefore write you a second time, not to persuade you, because I feel very confident that you already approve these plans, but simply to stir up your pure mind by way of remembrance, judging that in the press of your duties the matter has escaped your attention.

If I may hope to hear from you at your earliest convenience, it will be very gratifying.

Yours faithfully,
