Dear Sir

I take this liberty  
on account of having been  
acquainted with your Uncle  
Ensign in Monroe Maine,  
and having seen your  
Grandfather Oliver Otis  
of Leeds Maine, He was  
a Cousin to my father.

Having known something  
of your ancestry I have  
noticed your honorable  
cause with much interest,  
and would be very much  
pleased to meet you sometime.

When you are in this City,  
and should I know of your  
being here I shall take the  
liberty to call on you.

I noticed a few lines  
from you in my family  
paper lately which I assure  
you I highly appreciate,  
having taken it more than  
fifty years.

Yours very truly

 Dear Sir,

Mrs. Haughey and Mrs.  
 Kress called a few days ago  
 and left the manuscript with  
 us for examination.

Mr. Wagnalls was highly pleased  
 with the story, but thought  
 it would be better for the  
 book, if brought out by  
 a house which sells more  
 directly to the retail book-

Personally I am satisfied  
 that it is for the best interest

My dear Gen'l.

Kindly allow me to express  
to you my appreciation of the few  
kind words of condolence contained  
in yours of the 3<sup>rd</sup>. Inst.

I am just in receipt of the  
"Christian Mirror," which has in it your  
beautiful character sketch letter of  
father. I prize this letter, coming  
from you, more than any I have  
rec'd. subsequent to his death. It  
tells the story well, simply giving  
him at last his just deserts. I  
feel deeply touched with this clo-  
ing token of sincere friendship.

you held for him. We loved you as  
a brother & you above all others  
was his ideal man.

Dear Genl., To you my heart  
is full of gratitude & I can do  
naught but again thank you for  
your soft & consoling words, & the  
recalling to memory the rem-

I am, as ever.

Dear Sir:-

We desire, at Vermont Academy, to have a lecture course of the first order. We would be very glad indeed to have you upon our course, if you could favor us with a date. Are there any nights in December or January now open? Vermont Academy has about one hundred fifty students and the village of Saxtons River is one of six or seven hundred people. We must, therefore, avail ourselves of school rates and discounts in order to avoid bankruptcy. May we be favored with an early reply, as it is late for organizing for the present season.

Dear Dr. Howard,

Montgomery, Vt.

Dear Sir,

With pleasure, for Vermont Academy, to have a definite course of  
work in the best way possible for you to do. We would be very glad to have you help out  
the first year, if you could leave us with a date. We present this outline in  
order, if you could leave us with a date. Vermont Academy has adopted one intermediate  
course of general work open to all students in the various departments of  
the Academy. It is one of the advantages of Saxtons River that it is  
possible to have the best of both worlds. The  
best of the Academy, and the best of the world outside. We  
have a large number of students from all over the country, and  
from all over the world, and we are able to give them  
the best of education, and the best of opportunity for the future.

Yours sincerely,

Dear Sir:-

Only last week I wrote to the President of the University of Virginia regarding an engagement for a lecture, stating that we would be specially pleased to make an engagement in Virginia because it ~~was~~<sup>is</sup> a Southern state. Yesterday the buildings of the University of Virginia burned, the loss being about \$250,000 with only about \$25,000 insurance. The papers state that this is regarded as an extremely heavy blow to the University. Means of raising money for rebuilding are already being considered. It occurred to me this morning to suggest to you the donation of one lecture to be given for the benefit of the University at Charlottesville or in Richmond. I think it probable that they would want it given in Richmond, and I feel sure that they would make it a great event. I would be willing to donate my share.

Kindly let me know at once what you think of this.

Yours truly,

Dear Sir:-

Only last week I wrote to the President of the University of Virginia regarding an engagement for a lecture, stating that we would be pleased to have an engagement in April. This occasion it was a suitable opportunity. Yesterday the University of the Union spent \$25,000 to the benefit of the University of Virginia. The papers state that this was only spent \$25,000 insurance. We have only spent \$25,000 insurance. If you will give us an expenditure of \$25,000 to the University of Virginia for repaying the money we have given you for the construction of our building to safeguard us from the consequences of the loss of our money. I think it appropriate that they be used for the University of Richmond. I feel some pain at giving up my money to the Union, but I have no objection to giving it to the University of Richmond. I now hold a million dollars in bonds with the Union. I am a man of means. Kindly let me know what you think of this.

Yours truly,

Honored Sir.

I am now completing a volume to be published in the interest of boys. The enclosed circular of Chapters will give you an idea of its contents, Morally, Socially & Religiously. The book is written in such a way as I think will interest the boy, each chapter having a story of some Eminent Man

that started at the foot of the ladder.

I am desirous to secure a short introduction to each of my Chapters from men of eminence & for this purpose I write you.

Will you favor me with a few words on "Be choice of language my boy" under Ten Moral B's, Chap IV. All I desire is from four to ten (4 to 10) lines & I know from your experience as a Soldier both in the Union army & Army of Jesus, you can give good advice in a few words that will be very influential to the boy who reads it.

I am receiving help from many, & I trust that you will not fail to favor me in this

for the boys of our land.  
Truly Yours

Wm. P. Pearce

Dear Sir:-

Your letters of the 15th and 21st insts. to General O.O. Howard regarding a reception to be given at Providence in behalf of the Home Missionary Society, have been forwarded to me by General Howard, accompanied by a letter stating that he would like to go to Providence if it can be so arranged.

In your letter of the 15th inst. you speak of having this reception on November 23. During that week General Howard has lecture engagements in Iowa and during the following week in Missouri and Kansas. From this you will see that it will be impossible for him to go to Providence on November 23.

On Tuesday evening, November 12, he is to speak at Crawfordsville, Indiana. I have no engagements for the General from November 1 until the engagement at Crawfordsville and I am willing that he should go to Providence during that period, if his visit there is so timed as to permit him to go to Crawfordsville. Following the engagement at Crawfordsville, there will probably be no opportunity to reach the east until next January. There may be an opportunity to arrange for such a reception as you mention in your letters, during that month. The date for this will have to depend upon the location of lecture engagements. If there should be several lecture engagements not far from Providence, I could probably arrange these so as to give you a Saturday evening for your reception.

Perhaps you can suggest some persons or organizations with whom I should correspond for lecture engagements in Rhode Island, Connecticut and Massachusetts. Is there not some organization in Providence which might take a lecture engagement for a Friday evening, so that the General could remain in Providence during Saturday and Sunday evenings.

Very truly yours,

G. W. Howard: The above is a copy of a letter

Dear Sir:-

Perp't. Commis'ry.

Your letter of the 18th and 25th of October O.  
Howard regarding a resolution to be given to Providence at present  
of the Home Missionary Society, was read with interest by me as  
General Howard's communication of a letter applying for a weekly fine  
to go to Providence it can do so willingly.  
In your letter of the 18th last, you speak of having this  
resolution on November 28. During my visit week General Howard  
told me that the following week in  
Massachusetts and New England. From time now will see what it will be  
possible for him to do now of his  
own Saturday evening November 18, in so far as  
Climate will permit. I have on consideration for the General's  
time November 18th the following I am  
writing just as I am of Providence during this period, it is  
that many of us to go to Climate  
following the above  
of the opportunity to lesson the next Sunday  
may be the opportunity for service to a large number  
than in your letter, giving first month. The date for this will  
be of course soon the same as last year  
I hope to be able to have some  
Sunday service to give him a general  
for your resolution.

Please let me know I should some person to organize  
Leisure, consequence has Massachusetts  
resolution in Providence which might take a few days arrangement for a  
little service, or send the general to Providence  
during Saturday and Sunday evenings.

A very kind yours,
