Dear,

Your letter of the 15th inst. was submitted to Post 204 G.A.R. last evening at a regular meeting and I was requested to engage Black, however on the terms you state. Namely $125 to the bank, paying his own expenses for the 28th of February 1895.

We will therefore expect the Keel on that date and will promise to take good care of him. Very truly yours,

Cyrus Kehr

My dear General Howard:

I send you here-with a proof of the table which is to go into your article in the January FORUM. I have noted some discrepancies in the addition of the figures which I should like to have you examine, making the necessary corrections. If it were a mere question of addition, I would not trouble you in the matter, but it is possible that errors may exist in some of the other figures besides the totals.

I need hardly say to one of your literary experience that I shall be glad to have the corrections made and the proof returned at your earliest possible convenience.

Very truly yours,

Dear Sir:

Since receiving your letter of October 21st, we have been endeavoring to make a settlement with Mr. W. E. Deacon in the matter of the Kern County land sold to his Company by your father. We demanded a substantial payment on account, and in default of such payment we threatened him with foreclosure suit. Mr. Deacon forwarded our communication to his people in Indiana. They state that Mr. Deacon has money enough in his hands to pay the interest up in full, and they do not understand why he has not done so, excepting that he anticipated a sale of the property ere this.

We are still demanding a settlement, and have given Deacon and his people until the 15th day of December in which to close up the matter.

The Secretary of Deacon's Company promises to be here during the first week of December, before which time we shall be pleased to receive from you a full statement of the mortgage and interest due, say up to and including the 15th day of December next, thinking that we could transact this business for you at a much less cost to you than by placing the matter in the hands of an Attorney, we have undertaken it ourselves, that being part of our business.

We have this day wired you as follows:—“Wire principal and interest due from Deacon. Mail statement.”

Yours truly,

I learn that you are to lecture in Minneapolis, Dec. 3. Mrs. French and I would feel honored to have you make our house your home, during your stay in our city.

My mother has just died and we are of course very quiet - a circumstance which we hope may not deter you from accepting our invitation.

Dear Sir:---

The Wilmington Y. P. S. C. E. are arranging for a series of lectures to take place in the course of the winter, and I write to inquire if it would be possible for us to induce you to consider an invitation to be one of the speakers.

Ex-Gov. Fuller, of Brattleboro, Hon. Frank Plumley of Northfield, Rev. Dr. Clark, president of the United Society of Christian Endeavor and another celebrated speaker by the name of Whiddle, I believe, are the other speakers whom we hope to succeed in obtaining and part of them have already given their consent.

That our community would appreciate the splendid compliment which you would pay our town by accepting my invitation, goes without saying, and there would be no trouble in filling the largest auditorium which the town affords with interested hearers.

Kindly advise at your earliest convenience, stating as to whether or not you are in position to consider, this, our most earnest request, and stating what terms would be satisfactory.

Very Faithfully Yours,

William L. Packard

Dear Sir:

We have received from the First National Bank of this city note of R.A. Frame and A.W. Stowell to you for $2250, dated March 31, 1894, and due eighteen months after date, with interest at eight per cent, also mortgage given to secure the same.

The makers of this note say they have no funds for its payment, and that they do not know when they will be able to pay it.

We have learned from other sources that they are very much embarrassed pecuniarily, and there seems to be no prospect for the collection of your claim within any reasonable time, unless it be by foreclosure of the mortgage.
