

The Youth's Companion,

Boston, Mass.

May 27. 1896

Gen. O. O. Howard,

Dear Sir.

We return
with much regret the interesting
account of Harry's Locomotive Ride.
But as it is adapted to our
younger readers, it would belong
upon the Children's Page. And so
little space is given to that
department that our longest
story can seldom contain more
than eight or nine hundred words.

Thanking you for so kindly
submitting it to us.

Very truly yours,

Editor of Children's Page. P.

Dear Sir; --Your favor of the 8th inst. was duly received and should have had attention before now. I recall Mr. Wm. Grebe to mind as a volunteer officer at our headquarters at about the time he mentioned, but I know nothing of the letter from you to which he refers. I have no doubt, however, that you gave him such a letter as he says, and it would seem to me under the circumstances that you might very well give him a duplicate as he seems to value it so highly. I return you his letter herewith, and trusting that you are in good health, and desiring to be remembered to Mrs.

Howard, I remain

Dear Gen. Howard:--Knowing of your deep and personal interest in the development of the work of our own denomination, I am sure you will be interested in knowing a little more fully of what our Institution is actually doing for each church.

The enclosed hearty commendation from the Springfield Pastors, regardless of denomination, clearly shows the present attitude towards the Institution at home. Like intense interest is now manifest in the various states and provinces. Calls are literally pouring in for graduates, and but few of these can be filled on account of insufficient material. It has seemed imperative, therefore that we reach the ear of the colleges. We have already visited, among others, Princeton, Harvard, Brown, Amherst, Williams, Cornell and Oberlin, and the words from the faculty of these colleges are very inspiring.

The Institution stands for definite ideas in the line of Sunday-school, Missionary and Physical Development. The enclosed charts, which are a natural outgrowth of the Institution's work, are being received as a herald of a new movement which is already beginning to sweep over the country. You will note that the charts emphasize in the Sunday-school, gradation as an essential for better work, a definite, progressive system of instruction, similar for the Sunday-school as in the secular school.

The Institution thus represents ideas which are essential to the development of every church, and certainly there must be friends who will gladly promote such a work. Must she, therefore, suffer for lack of funds? The year has been the worst financially in our history, and we still have \$7,500 to secure before June 9th if we are to close without a deficit. Will it not be suicidal to allow the work to be hampered in the midst of the present development? Therefore may I ask if you will not esteem it a privilege to become one of twenty-five to give us \$50. or \$100. each in this emergency?

In case you do not find it convenient to help us out at once, will you not at least intimate what you will strain a point to do in the near future? I beseech you in His name do not turn us away empty handed, but rather, if possible, assist us in removing the millstone which seems likely to hang about our necks.

Hoping that we may hear from you at once, believe me,
Very sincerely yours,

J. L. Dixon

My dear General:-

The "Massachusetts Club" have its
monthly gathering on Saturday next, June 6th,
at Youngs Hotel, Boston, half past one o'clock ;
we should be very happy to have you as a guest
and meet one or two ^{Ex.} Army Offices; this Club is
a body of Boston's representative men, presided
over by Ex. Governor William Claflin and of
which Senator Hoar is a Vice-President.

I spoke to you once in reference to
a meeting with us, as you may possibly remember
when you were last in Boston; if you can arrange
to be with us, and desire to go to Vermont the

same evening you can do so, or I should be very
glad to have you as my guest over Sunday;
Colonel Dudley, Hon. F. W. Breed and other
members of the Club, who are your special friends,
would be exceedingly glad to have you with us
on the first Saturday in June, and I think we
can make it most enjoyable to you.

Please let me hear from you as early
as possible,

I remain,

Very sincerely yours,

May 30th. 96.

My dear General Howard.

I address you this letter for
several reasons. First, to inform
you of my change of residence.
Second, because I noticed you
were at an Ebbitt House in Wash-
ington recently, and perhaps
have not received my letter and
documents I sent to you at Wash-
ington on May 21, and which I
am anxious to know are in your
hands: and Third, to remark,

[Faint, illegible handwriting, likely bleed-through from the reverse side of the page.]

HADDONFALL.

LEEDS & LIPPINCOTT

ATLANTIC CITY, N.J.

The point may be advanced, that
 aside from my record my military
 service seem to have been distinguished.
 An degree of L.T.D. is inappropriate to
 recognize them. I would like you to
 be prepared to combat any such
 antagonistic view, and send in-
 vite your attention to the matter.

It is for a moment to be presumed
 that all an degree of L.T.D. which
 which have been conferred in this
 country have been bestowed because
 an excellent war record in Law!!

So my thinking, by no means, they
are given to parson, probably in most
circumstances, who are distinguished, by
eminence in Literature, Art, or
the Sciences. rather than Law. So too
as a question of fact, an inappropriateness
in my case is not obvious or
striking! Please, I am sure, I am early
day. As we know my Paper, as in
your position, & give advice.

Sincerely yr. friend.

From March 25 '93 to
1895 at Ft. Leavenworth Kans
(at the US I & C School).

From 1895 to this
date on duty with troops at
Ft Brady, Mich.

Whether I am available
for school detail I do not
know, but if I am I
should like very much to
go on such work as
instructor in Military
art and Mathematics or
Engineering (Elementary).

Now you once said
that you could get me
a detail when my turn
came.

There are three officers
with my company and
I could be easily be
shared. I took no leave

Ft Brady Mich.
May 31 1896.

Dear Father

It is now within
two months of being five
years since I received
my commission and
I have served as follows

From Aug 1 '91 to Jan 1 '92
on duty with troops at Ft Leavenworth
Kansas;

From Jan 1 '92 to March 2 '93
on duty at Ft Brady Mich with
troops.

From March 2 '93 to March 25
1893 on duty with troops at
Ft Mackinaw, Mackinaw Mich.

I have not stated short
leaves etc.

11/10

after graduating at the US D + C School and have taken none since reporting a year ago here.

I would rather go during my next four years than to wait later because now I am junior in rank and have the "leavings" as it were in all choices of duties where-as as a high 2nd Lt or possibly a 1st Lt I should have more local rank for quarters and such.

Then again I have more inclination for such work now than I think I shall later on.

Brittie and I at present look forward to going to Europe in 1900 and that would be at the end of my tour at School. In Sept. we cease all work except routine winter work and "Sort of" hibernate for several months.

Please give this your thoughtful attention & see what you can do for me.

I am content here but think the school detail would help me very much in many ways.

Brittie leaves in a week for Burlington.
Love to all John
