General O. O. Howard

My Dear Sir:

Last winter I introduced a course
of lectures into my church. Deeming it desirable
this very helpful feature of my church life, I am
trying to provide for a course which shall educate
and stimulate the interest of my people in the
great philanthropic, missionary and educational
movements of our own day.

Knowing your zeal and large services in the
behalf of our colored and freedmen, I venture to
suggest your aid. Could you find it agreeable
and possible to afford me an evening (other than Friday,
which is the day of our prayer meeting) any time after
October 15th — or even earlier?

Your presentation of some phase of educational
work among the Indians and Freedmen, would attract
a large hearing and do us great good.

Our churches are strictly for culture and education
of Christian character and usefulness—not for amuse-
ment. They are wholly free for my own people—
offering one capacity in force voluntarily, for defraying
expenses. So you see this is wholly free from
any ostensive financial enterprise for raising money.

I trust that your generosity may extend
unto—I know I am asking a large favor and
I am for my sincere desire to secure a course of a
lifelong, I should not have pressed upon you

Of course we shall assume your expenses and
shall be glad to know if any reimbursement you may
consider proper in the case—

Sincerely hoping you to yield consent

to my request. I am—

Very Respectfully,

Charles H. Walker

When Pledge

September 30th, 1890
Dear Sir:—

I am happy to say that the work among the young men, under the supervision of the State Executive Committee, has made substantial progress during the past year. You have had a part in it through the aid you have given by your subscription of $2.00. In due time a full report of our work will be printed in connection with the report of the State Convention which is to be held at Manchester September 24th to 27th. Preparatory to this Convention we are securing what pledges we can for the coming year 1896-97. These pledges will be payable at whatever time is designated after November 1st. Without funds or without prospect of funds our work will be greatly hampered, but if we know beforehand what we can reasonably expect to receive during the year, we can plan more intelligently.

If you will kindly fill out the enclosed blank and mail it to me in the enclosed envelope, I shall be very grateful to you.

Yours very sincerely,

Claus Olandt, Jr.
State Secretary.
STATE EXECUTIVE COMMITTEE

YOUNG MEN'S CHRISTIAN ASSOCIATIONS

Of Vermont and New Hampshire.

Sep't. 1890.

Whose Affairs "j暗." M.

Dear Sir,

I am happy to say that the work among the young men is quite satisfactory under the supervision of the State Executive Committee, and I am proud to acknowledge the hearty cooperation of the Officers and members of the organization. I am glad to report that the work will be carried on in conjunction with the report of the State Committee. It is my intention to write you every month as to the progress of the work, and I will be pleased to cooperate with you in any way that I may be able to.

Yours very sincerely,

REASONS

Why you should contribute this year to the work entrusted to the State Executive Committee of the Young Men's Christian Associations of Vermont and New Hampshire. Carefully weigh them, then give liberally:

1. BECAUSE the Committee is stimulating Bible Study and spiritual activity in young men.

2. BECAUSE the Committee, through State, District and local Conventions and Conferences, is arousing interest in the much needed work for young men.

3. BECAUSE the Committee is laboring to reach and benefit as far as possible the 175,000 young men of the two states.

4. BECAUSE the Committee is endeavoring to help the Associations already in existence.

5. BECAUSE if the Committee is given sufficient financial support it may be enabled to so direct the work that mistakes may be avoided, young men be kept from temptations, the number of criminals be lessened and young men be better educated.

6. BECAUSE the Committee, by organizing Associations, is helping the temperance cause, by keeping open in cities and towns doors which are not saloon doors.

7. BECAUSE the Committee may be able to set in motion such movements as shall result in the making of better citizens and in bringing a larger number of young men into the church.

Dear General,

I thank you
for your kind letter of advice received this
morning.

I think the States
would not favor the
purchase of a home
for the Commandant.
at present, because other
meas are as pressing.
Unless some interested
person of large name
like Earl Pride, or
Dr. Edward Webb, could
be persuaded to make
the gift of quarters.

The University, it seems
is one need less I make
any other effort in the
matter.

Thanking you again,
I am, Most Respectfully
Mr. S. S. H Moor
Caribou, Me., September 18, 1896.

Gen. Oliver O. Howard,

Fort Ethan Allen, Vt.

My dear General Howard:—

I beg to hand you enclosed herewith a couple of clippings relative to your stop in Caribou which I thought would be of interest to you. One is from the Lewiston "Journal," and the other is from the "Aroostook Republican," a paper published here. I think that all of you campaigners who did such grand work for us in the State ought to feel gratified at the result of you labors in the wonderful vote you brought out Monday last. We missed you from our homes after you went that afternoon and we all hope that some time again you will come east to see us. You will always be a welcome guest at our home. What a magnificent victory it was. I cannot but think that it presages a big slaughter of Bryanism in November. I am sending you by this mail a magazine that may serve to refresh your memory in regard to this part of the country. The family join me in their very kindest regards and I beg you to accept the assurance of my highest esteem.

Very truly yours,

Dear Sir:-

In reply to your secretary's letter of Sept. 17th would say that our estimate of the number of words contained in your article on Gen. Lee was a little more than four thousand, and so we sent you a check for $150, which was on the basis of $35 a thousand, as agreed. We have now recounted the number of words and find that your estimate is correct and that we made a mistake of just one thousand words. We, therefore, hasten to rectify our error in enclosing a check for the balance due you $25.

Yours very truly,

Frank Leslie's Publishing House.
Dear Sir:

I am grateful for your secretary's letter of Sep., 1886,

and would ask for your estimate of the number of words contained in your article on Gen. Lee, as a little more than I am prepared to pay, and I am not prepared to pay $100, which was not in the minds of your seconds or those at the papers of the Committee as understood. We have not recanted, and I am not prepared to pay $100, which was not in the minds of your seconds or those at the papers of the Committee as understood. We are not prepared to pay $100, which was not in the minds of your seconds or those at the papers of the Committee as understood.

Yours very truly,
